SUMMARY: The Assistant Secretary of the Interior for Policy, Management and Budget proposes to withdraw, on behalf of the Bureau of Land Management (BLM), approximately 6,737.42 acres of

public lands from location and entry under the United States mining laws for a period of 20 years to protect natural resources and recreation values associated with the congressionally designated Auburn Reservoir Site and Recreation Area. This notice temporarily segregates the land for up to 2 years from mining while various studies and analyses are made to support a final decision on the withdrawal application.

DATES: Comments should be received on or before December 3, 2012.

ADDRESSES: Comments should be sent to the BLM, Mother Lode Field Office, 5152 Hillsdale Circle, El Dorado Hills, California 95762.

The areas described aggregate
 6,737.42 acres, more or less, in El
 Dorado and Placer Counties.

The BLM's petition has been
 approved by the Assistant Secretary for
 Policy, Management and Budget.
 Therefore, the petition constitutes a
 withdrawal proposal of the Secretary of
 the Interior (43 CFR 2310.1-3(e)).

The use of a right-of-way, interagency,
 or cooperative agreement would not
 adequately constrain non-discretionary
 uses that could irrevocably destroy the
 area's cultural resources, scenic, and
 recreational values of the Auburn Dam

area. There are no suitable alternative
 sites for the requested withdrawal
 associated with the Auburn Dam Project
 area.

Until December 3, 2012, all persons
 who wish to submit comments,
 suggestions, or to request a public
 meeting in connection with the
 proposed withdrawal may present their
 views in writing, by the date specified
 above to the Field Manager, BLM
 Mother Lode Field Office, 5152
 Hillsdale Circle, El Dorado Hills,
 California 95762.

Comments, including names and
 street addresses for respondents, will be
 available for public review at the BLM's
 Mother Lode Field Office, during
 regular business hours, 7:30 a.m. to 4:00
 p.m., Monday through Friday, except
 holidays. Individual respondents may
 request confidentiality. Before including
 your address, telephone number, email
 address, or other personal identifying
 information in your comment, you
 should be aware that your entire
 comment—including your personal
 identifying information—may be
 publicly available at any time. While
 you can ask us in your comment to
 withhold your personal identifying
 information from public review, we
 cannot guarantee that we will be able to
 do so. All submissions from
 organizations or businesses, and from
 individuals identifying themselves as
 representatives or officials of
 organizations or businesses, will be
 made available for public inspection in
 their entirety.

Notice is hereby given that at least
 one public meeting will be held in
 connection with the proposed
 withdrawal. Upon determination of the
 time and place, a notice will be
 published in both the **Federal Register**
 and a local newspaper at least 30 days
 prior to the scheduled date of the
 meetings. All interested persons who
 desire additional public meetings for the
 purpose of being heard on the proposed
 withdrawal must submit a written
 request to the Field Manager, Mother
 Lode Field Office, BLM, 5152 Hillsdale
 Circle, El Dorado Hills, California, no
 later than December 3, 2012.

For a period until September 4, 2014,
 the lands will be segregated from
 location and entry under the United
 States mining laws, but not from leasing
 under the mineral leasing laws, unless
 the application is denied or canceled or
 the withdrawal is approved prior to that
 date.

Licenses, permits, cooperative
 agreement, or discretionary land use
 authorizations of a temporary nature
 that will not significantly impact the
 values to be protected by the

withdrawal may be allowed with the
 approval of the authorized officer of the
 BLM during the temporary segregative
 period.

The application will be processed in
 accordance with the regulations set
 forth in 43 CFR 2310.1-2.

Cynthia Staszak,

*Associate Deputy State Director, Natural
 Resources, California State Office.*
