SUPPLEMENTARY INFORMATION:

Summaries for each FAR rule follow.
For the actual revisions and/or
amendments made by these FAR cases,
refer to the specific item numbers and
subjects set forth in the documents
following these item summaries. FAC
2005–61 amends the FAR as specified
below:

**Item I—United States-Korea Free Trade
Agreement (FAR Case 2012–004)**

This final rule adopts without change
the interim rule published in the
Federal Register on March 7, 2012 (77
FR 13952), to implement the United
States-Korea Free Trade Agreement. The
Republic of Korea is already party to the
World Trade Organization Government
Procurement Agreement (WTO GPA).
The Korea Free Trade Agreement now
covers acquisition of supplies and
services between \$100,000 and the
current WTO GPA threshold of
\$202,000. This final rule will not have
a significant economic impact on a
substantial number of small entities.

**Item II—Delete Outdated FAR
Reference to the DoD Industrial
Preparedness Program (FAR Case
2012–026)**

This final rule amends the FAR to
delete outdated references to the “DoD
Industrial Preparedness Program”,
which is no longer in existence. There
is no impact to the Government or small
business because this program was
discontinued in 1992.

**Item III—NAICS and Size Standards
(FAR Case 2012–021)**

This final rule amends the FAR to
clarify that new North American
Industry Classification System codes are
not available for use in Federal
contracting until the Small Business
Administration publishes corresponding
industry size standards. Published size
standards are available on the SBA’s
Web site and at 13 CFR 121.201. The
clarifying language is provided for
informational purposes and only
addresses internal Government policies
and procedures. This rule will not have
a significant impact on the Government,
and does not impose additional
requirements on small businesses.

**Item IV—Bid Protest and Appeal
Authorities (FAR Case 2012–008)**

This final rule amends FAR part 33 to
note that there are other Federal-court
related protest authorities and dispute-
appeal authorities that are not covered
by FAR part 33. This rule also provides
contracting officers with appropriate
references to their office of legal counsel
and the Web site for the rules of the U.S.
Court of Federal Claims. This is a final
rule because it only impacts the Federal
Government’s internal operating
procedures.
