SUPPLEMENTARY INFORMATION:

Subject of Challenge Competition: ONC's *Blue Button Video Challenge* invites you to create an engaging and entertaining video that creates awareness of the “Blue Button”, and encourages others to learn about it. Videos should be attention grabbing and share-able!

“Blue Button” is becoming a universal symbol for you and your caregivers to get easy, secure, online access to your health information. Many people—especially healthy ones—have never actually thought about the importance of having 24 × 7 access to their health information. But it can suddenly become incredibly relevant, and potentially life-saving, in case of an emergency and may come in handy if you are traveling, seeing multiple doctors or seeking a second opinion and you want everyone to know your medical history.
