*Contracting Activity:* DEPT OF THE NAVY, NAVSUP FLT LOG CTR, JACKSONVILLE, FL

*COVERAGE:* C-List for 100% of the requirement of the Naval Supply Systems Command (NAVSUP) Fleet Logistics Center, Jacksonville, FL, as aggregated by the Naval Supply Systems Command (NAVSUP) Fleet Logistics Center, Jacksonville, FL.

The Committee for Purchase From People Who Are Blind or Severely Disabled (Committee) has the statutory responsibility to identify products and services that are suitable for procurement by the Government which are produced or provided by qualified nonprofit agencies employing people who are blind or severely disabled. This responsibility applies whether the project is a new requirement, or is currently performed by a commercial contractor or some other provider, such as FPI. The subject requirement was not strategically sourced from any one contractor in the past. Prior to adding any project to the PL, the Committee conducts a suitability review to ensure that the project has employment potential for people who are blind or severely disabled, that the designated nonprofit agency is qualified and capable of meeting the requirement and any level of impact on the current contractor is not severe. Accordingly, after fully reviewing this project, the Committee has determined that it is a suitable project to be added to the Procurement List.

## CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

### Proposed Information Collection; Comment Request

**AGENCY:** Corporation for National and Community Service.

**ACTION:** Notice.

**SUMMARY:** The Corporation for National and Community Service (CNCS), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirement on respondents can be properly assessed.

Currently, CNCS is soliciting comments concerning its proposed Senior Corps Independent Living Evaluation Survey. Senior Corps will require a sample of Senior Companion clients and caregivers to complete the survey. JBS International, Inc., an independent evaluator, will administer the survey, analyze the data, and report the results to CNCS.

Copies of the information collection request can be obtained by contacting the office listed in the addresses section of this notice.

**DATES:** Written comments must be submitted to the individual and office listed in the **ADDRESSES** section by January 28, 2013.

**ADDRESSES:** You may submit comments, identified by the title of the information collection activity, by any of the following methods:

(1) By mail sent to: Corporation for National and Community Service, Senior Corps; Attention: Zach Rhein, Program Officer, Room 9408-A; 1201 New York Avenue NW., Washington, DC 20525.

**FOR FURTHER INFORMATION CONTACT:** Zach Rhein, (202) 606-6693, or by email at [zrhein@cns.gov](mailto:zrhein@cns.gov).

**SUPPLEMENTARY INFORMATION:** CNCS is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of CNCS, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are expected to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology (e.g., permitting electronic submissions of responses).

#### Background

The proposed instrument will collect information from a sample of Senior Companion clients and caregivers. The purpose of the survey is to assess the feasibility of conducting a longitudinal, quasi-experimental evaluation of the impact of independent living and respite services on clients' social ties and perceived social support. The information will be collected by trained interviewers using multi-modal formats including paper, online, or telephone survey. The results of the survey may also be used to inform the feasibility of using a similar instrument to measure client and caregiver outcomes for an evaluation of RSVP.

The instrument uses items from the Health and Retirement Study (HRS), an ongoing study funded by the National Institute on Aging/NIH (NIA U01AG009740) and Social Security Administration.
