The applicant's file will be held at NVC until the signed form is returned. In accordance with Section 222(f) of the INA, information obtained from applicants in the immigrant visa process is considered confidential and is to be used only for the formulation, amendment, administration, or enforcement of the immigrant, nationality, and other laws of the United States.

Methodology:

Form DS-3032 is mailed to the principal applicant once the underlying immigrant visa petition has been approved by the Department of Homeland Security (DHS) and NVC has determined that the case is current and active for processing. The applicant then submits the form to NVC via mail and waits for further instructions.
