Summary

1. On November 1, 2012, the Wireless Telecommunications Bureau released a Public Notice in which it sought updated comment in its ongoing review of the wireless hearing aid compatibility rules (WT Docket No. 10–254, DA 12–1745). The Public Notice set the deadline for filing comments at 30 days after its publication in the **Federal Register**, which occurred on November 26, 2012 (77 FR 70407). Accordingly, the deadline for filing comments was set at December 26, 2012.

2. On its own motion, the Wireless Telecommunications Bureau grants an extension of time within which to file comments. The Bureau notes that requests for extensions of time are not routinely granted. 47 CFR 1.46(a). Given the proximity of the filing deadline to a federal holiday, as well as the desire to encourage thoughtful consideration of the important issues raised in this proceeding, the Bureau believes that a grant of additional time within which to file comments will help to facilitate careful and deliberate consideration of these matters. Therefore, the Bureau grants to all parties an extension of the comment filing deadline until January 7, 2013.

Procedural Matters

3. Pursuant to §§ 1.415 and 1.419 of the Commission's rules, 47 CFR 1.415, 1.419, interested parties may file comments and reply comments on or before the dates indicated on the first page of this document. - *Paper Filers:* Parties who choose to file by paper must file an original and four copies of each filing. If more than one docket or rulemaking number appears in the caption of this proceeding, filers must submit two additional copies for each additional docket or rulemaking number.

(although we continue to experience delays in receiving U.S. Postal Service mail). All filings must be addressed to the Commission's Secretary, Office of the Secretary, Federal Communications Commission.

SUPPLEMENTARY INFORMATION: This is a summary of the Order in MB Docket No. 12–68, DA 12–1871, adopted and released on November 19, 2012, which extends the comment and reply comment deadlines established in the *FNPRM* published under FCC No. 12–123 at 77 FR 66052, October 31, 2012. The full text of this document is available for public inspection and copying during normal business hours in the FCC Reference Center, Portals II, 445 12th Street SW., Room CY–A257, Washington, DC 20554. Summary of the Order

1. On October 5, 2012, the Commission released a Further Notice

of Proposed Rulemaking (“*FNPRM*”) on revisions to the program access rules. The *FNPRM* set deadlines for filing comments and reply comments at 30 and 45 days, respectively, after publication of the *FNPRM* in the **Federal Register**. A summary of the *FNPRM* was published in the **Federal Register** on October 31, 2012 (77 FR 66052). Accordingly, the filing dates were initially established as November 30, 2012 for comments and December 17, 2012 for reply comments.

2. On November 14, 2012, the National Cable & Telecommunications Association (“*NCTA*”) filed a request to extend the comment and reply comment deadlines to December 14, 2012 and January 14, 2013, respectively. *NCTA* states that Hurricane Sandy has disrupted business operations along the northeast corridor, thereby hindering the ability of some of its members to gather information and prepare comments for this proceeding. Accordingly, *NCTA* requests a two-week extension of the comment deadline to December 14, 2012. Because an identical two-week extension of the reply comment deadline would require reply comments to be filed during the last week of December in the middle of the holiday season, *NCTA* requests a four-week extension of the reply comment deadline. We grant the requested extension. As set forth in Section 1.46 of the Commission's rules, the Commission's policy is that extensions of time for filing comments in rulemaking proceedings shall not be routinely granted. In this case, however, an extension of the comment periods is warranted to provide commenters with sufficient time to prepare comments and reply comments in response to the *FNPRM*.

3. Accordingly, *it is ordered* that, pursuant to section 4(i) of the Communications Act of 1934, as amended, 47 U.S.C. 154(i), and §§ 0.61, 0.283, and 1.46 of the Commission's rules, 47 CFR 0.61, 0.283, and 1.46, the Motion for Extension of Time filed by *NCTA* is granted, and the deadlines to file comments and reply comments in this proceeding are extended to December 14, 2012 and January 14, 2013, respectively.

Federal Communications Commission.

Senior Deputy Chief, Policy Division, Media Bureau.
