**Civil Monetary Penalties; Adjustment for Inflation**

**AGENCY:** Office of the Secretary, Commerce.

**ACTION:** Final rule.

**SUMMARY:** This final rule is being issued to adjust each civil monetary penalty provided by law within the jurisdiction of the Department of Commerce (the Department). The Federal Civil Penalties Inflation Adjustment Act of 1990, as amended by the Debt Collection Improvement Act of 1996, required the head of each agency to adjust its civil monetary penalties (CMP) for inflation no later than October 23, 1996, and requires agencies to make adjustments at least once every four years thereafter. These inflation adjustments will apply only to violations that occur after the effective date of this rule.

**DATES:** This rule is effective December 7, 2012.

**ADDRESSES:** Office of General Counsel, Department of Commerce, 1401 Constitution Avenue NW., MS 5876, Washington, DC 20230.

**FOR FURTHER INFORMATION CONTACT:** Peter Robbins; (202) 482–0846.

**SUPPLEMENTARY INFORMATION:** The Federal Civil Penalties Inflation Adjustment Act of 1990 (Pub. L. 101–410) provided for the regular evaluation of CMPs to ensure that they continue to maintain their deterrent value and that penalty amounts due to the Federal Government are properly accounted for and collected. On April 26, 1996, the Federal Civil Penalties Inflation Adjustment Act of 1990 was amended by the Debt Collection Improvement Act of 1996 (Pub. L. 104–134) to require each agency to issue regulations to adjust its CMPs for inflation at least

every four years. The amendment further provided that any resulting increases in a CMP due to the inflation adjustment should apply only to the violations that occur subsequent to the date of the publication in the **Federal Register** of the increased amount of the CMP. The first inflation adjustment of any penalty shall not exceed ten percent of such penalty.

On October 24, 1996, November 1, 2000, December 14, 2004, and December 11, 2008, the Department published in the **Federal Register** a schedule of CMPs adjusted for inflation as required by law. By this publication, CMPs are again being adjusted for inflation as prescribed by law.

A civil monetary penalty is defined as any penalty, fine, or other sanction that:

1. Is for a specific monetary amount as provided by Federal law, or has a maximum amount provided for by Federal law; and,
2. Is assessed or enforced by an agency pursuant to Federal law; and,
3. Is assessed or enforced pursuant to an administrative proceeding or a civil action in the Federal courts.

This regulation adjusts the CMPs that are established by law and assessed or enforced by the Department.

The actual penalty assessed for a particular violation is dependent upon a variety of factors. For example, the National Oceanic and Atmospheric Administration's (NOAA) Policy for the Assessment of Civil Administrative Penalties and Permit Sanctions (Penalty Policy), a compilation of internal guidelines that are used when assessing penalties for violations for most of the statutes NOAA enforces, will be interpreted in a manner consistent with this regulation to maintain the deterrent effect of the penalties recommended therein. The penalty ranges in the Penalty Policy are intended to aid enforcement attorneys in determining the appropriate penalty to assess for a particular violation. The Penalty Policy is maintained and made available to the public on the NOAA Office of the General Counsel, Enforcement Section Web site at: [http://www.gc.noaa.gov/documents/031611\\_penalty\\_policy.pdf](http://www.gc.noaa.gov/documents/031611_penalty_policy.pdf).

The inflation adjustments were determined pursuant to the methodology prescribed by Public Law 101–410, which requires the maximum CMP, or the minimum and maximum CMP, as applicable, to be increased by the cost-of-living adjustment. The term “cost-of-living adjustment” was defined in Public Law 104–134 to mean the percentage for each CMP by which the Consumer Price Index (CPI) for June of the calendar year preceding the adjustment exceeds the CPI for the

month of June of the calendar year in which the amount of such CMP was last set or adjusted pursuant to law. For the purpose of computing the inflation adjustments, the CPI for June of the calendar year preceding the adjustment means the CPI for June of 2011.

Public Law 101–410 requires each rounded increase to be added to the minimum or maximum penalty amount being adjusted, and the total is the amount of such penalty, as adjusted, subject to the ten percent limitation provided by Public Law 104–134 for the first adjustment.

#### Rulemaking Requirements

It has been determined that this rule is not significant for purposes of Executive Order 12866.

The Department for good cause finds that notice and opportunity for comment is unnecessary for this rulemaking pursuant to 5 U.S.C. 553(b)(B). It is unnecessary to ask for notice and comment because Public Law 104–134 requires the head of each agency to adjust its civil monetary penalties no later than October 23, 1996, and at least every four years thereafter, and Public Law 101–410, as amended by Public Law 104–134, states how to calculate the inflation adjustments, making such adjustments wholly non-discretionary. This rule merely adjusts the Department's CMP according to the statutory requirements. For the same reasons, there exists good cause to waive the thirty day delay in effectiveness of the rule, pursuant to 5 U.S.C. 553(d)(3).

Because notice and opportunity for comment are not required by 5 U.S.C. 553, or any other law, a Regulatory Flexibility Analysis is not required and none was prepared. This rule does not contain information collection requirements for purposes of the Paperwork Reduction Act.

**AGENCY:** Bureau of Industry and Security, Commerce.

**ACTION:** Final rule.

**SUMMARY:** This final rule corrects reference and typographical errors in the Commerce Control List (CCL) in the Export Administration Regulations (EAR). The corrections are primarily editorial in nature and do not affect license requirements. A technical standard in ECCN 3A991 is revised.

**DATES:** Effective on December 7, 2012.

**SUPPLEMENTARY INFORMATION:** This final rule updates seven categories of the Commerce Control List (CCL) to correct spelling and typographical errors and inaccurate internal references, and to provide a complete and more accurate description of controls and the related items on the CCL.

#### **Category 0, Nuclear Materials, Facilities, and Equipment And Miscellaneous Items**

ECCN 0A018.c is amended to correct an error in a final rule published by BIS on March 30, 2004 (69 FR 16478, 16480). The March 20, 2004, rule contained duplicative language and did not include the word ECCN prior to a reference to a related ECCN. To correct these errors, this rule removes the phrase "that were not specifically designed for hunting or sporting purposes" and adds the word "ECCN" before the word "0A984" in the Note to 0A018.c.

ECCN 0B001.g.2 is amended to correct an error in a final rule published by BIS on January 15, 1998 (63 FR 2452, 2462). The January 15, 1998, rule included an unnecessary apostrophe in the word "alloys". To correct this error, the rule deletes the apostrophe from the word "alloy's" in ECCN 0B001.g.2.
