

- Instructions on how to submit payment.

Payment should be made before traveling to the United States. Immigrant visa holders should keep a copy of their receipt for their records. More details are available at [www.USCIS.gov/immigrantfee](http://www.USCIS.gov/immigrantfee).

Failure to pay the USCIS Immigrant Fee will not directly result in denial of admission to the United States as an immigrant or the loss of status as an alien lawfully admitted for permanent residence. However, USCIS will not issue a Permanent Resident Card (Form I-551) to an individual who is subject to the USCIS Immigrant Fee until the individual has remitted the fee. Failure to obtain the Form I-551 will make it difficult for the individual to show that he or she has complied with the alien registration requirements in sections 261–266 of the Immigration and Nationality Act, 8 U.S.C. 1301–1306. It may also make it difficult for the individual to show that he or she is authorized to accept employment in the United States or to return to the United States from temporary foreign travel.

**SUPPLEMENTARY INFORMATION:** The Department is submitting the proposed information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended).

This Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

This Notice also lists the following information:

*Title of Proposal:* Community Development Block Grant Recovery (CDBG–R) Program.

*OMB Control Number, if applicable:* 2506–0184.

*Description of the need for the information and proposed use:* This request identifies the estimated reporting burden associated with the reporting of CDBG–R assisted activities as they are completed and closing out the CDBG–R program. The American Recovery and Reinvestment Act of 2009 (Recovery Act) appropriated \$1 Billion in Community Development Block Grant (CDBG) funds to states and local governments that received CDBG funding in Fiscal Year 2008 to carry out, on an expedited basis, eligible activities under the CDBG program. The purpose of the CDBG–R funding was to stimulate the economy through measures that modernized the Nation's infrastructure, improved energy efficiency, and expanded educational opportunities and access to health care. All CDBG–R funds

were required to be expended by September 30, 2012. Any CDBG–R funds remaining after that date were recaptured by HUD and returned to Treasury.

The Recovery Act did not specify a requirement regarding the date for completion of CDBG–R assisted activities, although grantees were required to give preference to activities that could be started and completed expeditiously. While the CDBG–R expenditure deadline has passed, all CDBG–R assisted activities have not been completed. New activities were added over time when grantees amended their 2008 substantial amendments to add such activities because previously identified activities came in under budget, were identified as imprudent, or did not meet the purposes of the Recovery Act. Once CDBG–R assisted activities meet a national objective and are physically complete, grantees may proceed in closing out their CDBG–R programs. Grantees must complete their final reports in [federalreporting.gov](http://federalreporting.gov) before closing out their CDBG–R grants. HUD expects grantees to be ready to begin closing out their grants by March 31, 2013.

Once final reports are completed in [federalreporting.gov](http://federalreporting.gov), grantees may begin the process of closing out their CDBG–R grants. This process requires grantees to submit their final [federalreporting.gov](http://federalreporting.gov) report and prepare and submit a CDBG–R Program Grantee Closeout Certification, a CDBG–R closeout checklist, Grant Closeout Agreement, and a Federal Financial Report (SF 425) to local HUD Field Offices.

The Recovery Act requires that not later than 10 days after the end of each calendar quarter, each recipient that received recovery funds from a federal agency shall submit a report to that agency that contains: (1) The total amount of recovery funds received from that agency; (2) the amount of recovery funds received that were expended or obligated to projects or activities; and (3) a detailed list of all projects or activities for which recovery funds were expended or obligated, including (A) the name of the project or activity; (B) a description of the project or activity; (C) an evaluation of the completion status of the project or activity; (D) an estimate of the number of jobs created and the number of jobs retained by the project or activity; and (E) for infrastructure investments made by State and local governments, the purpose, total cost, and rationale of the agency for funding the infrastructure investment with funds made available under the Recovery Act

and name of the person to contact at the agency if there are concerns with the infrastructure investment.

An update of the status of activities identified here must be reported quarterly in [federalreporting.gov](http://federalreporting.gov). In addition, not later than 30 calendar days after the end of each calendar quarter, each agency that made Recovery Act funds available to any recipient shall make the information in reports submitted publicly available by posting the information on a Web site. Grantees that have ongoing CDBG–R assisted activities are required to continue reporting quarterly on those activities until they are completed.

Information must be submitted using HUD's IDIS system and in [federalreporting.gov](http://federalreporting.gov). Pursuant to Section 1512 of the Recovery Act, CDBG–R grantees must enter the data into IDIS on a quarterly basis for generation of reports by HUD or other entities. In addition, grantees are required to submit reports in [federalreporting.gov](http://federalreporting.gov) on a quarterly basis. Grantees will report in IDIS and [federalreporting.gov](http://federalreporting.gov) for CDBG–R assisted activities, recordkeeping requirements, and reporting requirements.

The Recovery Act imposes additional reporting requirements including, but not limited to, information on the environmental review process, the expected completion of the activity, the type of activity, and the location of the activity.

*Agency form numbers, if applicable:* Not applicable.

*Members of affected public:* Grant recipients (metropolitan cities and urban counties) participating in the CDBG–R Entitlement Program.

*Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response:* The number of respondents was 1,167. However, some grantees have completed all CDBG–R assisted activities and have closed out their CDBG–R program grants. The remaining estimated number of respondents carrying out CDBG–R assisted activities and/or closing out their CDBG–R programs is 200. The proposed frequency of the response to the collection is quarterly. The total estimated burden is 25,600 hours.

*Status of the proposed information collection:* This submission is a revision of a currently approved collection. The current OMB approval expires on January 31, 2013.

**Authority:** The Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: December 7, 2012.

### Federal Property Suitable as Facilities To Assist the Homeless

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

#### FOR FURTHER INFORMATION CONTACT:

Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402–3970; TTY number for the hearing- and speech-impaired (202) 708–2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800–927–7588.

**SUPPLEMENTARY INFORMATION:** In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88–2503–OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the

property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for “off-site use only” recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Division of Property Management, Program Support Center, HHS, room 5B–17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443–2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1–800–927–7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the
