Title: Request for Public Comments for Special Supplemental Nutrition Program for Women, Infants and Children (WIC) Loving Support Award of Excellence.

Form Number: Not applicable.

OMB Number: 0584–NEW

Expiration Date: Not Yet Determined.

Type of Request: New collection.

Abstract: This information collection is mandated by section 231 of the Healthy, Hunger-Free Kids Act of 2010 (HHFKA) (Pub. L. 111–296). Section 231 of the HHFKA, requires USDA to implement a program to recognize exemplary breastfeeding support practices at WIC local agencies and clinics. The WIC Program provides breastfeeding promotion and support for pregnant and postpartum mothers as a part of its mission to improve the health of the approximately 9 million Americans it serves each month. Breastfeeding is a priority in WIC and WIC mothers are strongly encouraged to breastfeed their infants unless medically contraindicated.

In recognizing exemplary local agencies and clinics, the HHFKA requires that the Secretary consider the following criteria: (1) Performance

measurements of breastfeeding; (2) the effectiveness of a peer counselor program; (3) the extent to which the agency or clinic has partnered with other entities to build a supportive breastfeeding environment for women participating in WIC; and (4) other criteria the Secretary considers appropriate after consultation with State and local program agencies. The information will be submitted voluntarily by WIC local agencies who will be applying for an award. FNS will use the information collected to evaluate the components of existing breastfeeding programs and support in WIC local agencies and make decisions about awards. This program is expected to provide models and motivate other local agencies and clinics to strengthen their breastfeeding promotion and support activities. Applications will be submitted online.

Affected Public: State, Local and Tribal Government.

Estimated Number of Respondents:

The total estimated number of participants is 697: 607 local WIC agencies, 90 State WIC agencies.

A recent FNS study on WIC Breastfeeding Peer Counseling found that approximately one third of the local WIC agencies operate a “Loving Support Program.” The Loving Support Program is an FNS initiative that equips WIC programs with an implementation and management model—the “Loving Support Model”—that serves as a framework for designing, building, and sustaining peer counseling programs; a requirement for award eligibility. Based on the findings of the study, it is estimated that approximately 607 of the 1838 WIC local agencies will be eligible to apply for an award. The estimated number of respondents for local agency applications assumes all eligible local WIC agencies will apply for an award. The estimated number of respondents for the State agency application verification is derived from the total number of State WIC agencies.

Estimated Number of Responses per Respondent: The estimated number of responses per respondent for the WIC local agency is one, as each eligible WIC local agency will submit one application. The estimated number of responses per respondent for the WIC State agency is 6.74, as each WIC State agency will evaluate approximately 6.74 applications. The estimated number of

responses per respondent for the WIC State agency application evaluation was derived by dividing the total number of respondents for the WIC local agency applications, 607, by the total number of WIC State agencies, 90.

Estimated Total Annual Responses: 1213.7.

Estimated Time per Response: FNS estimates the WIC local agency application response is 2.5 hours, and the WIC State agency response is 1.5 hours.

Estimated Total Annual Burden on Respondents: 2427.4 hours.

See the table below for estimated total annual burden for each type of respondent.

REPORTING BURDEN

Respondent	Estimated number respondent	Responses annually per respondent	Total annual responses (Col. bxc)	Estimated average number of hours per response*	Estimated total hours (Col. dxe)
WIC Local Agency Applications	607	1.00	607	2.5	1517.50
WIC State Agency Evaluation	90	6.74	606.7	1.5	909.90
Total Reporting Burden	697	1.74	1213.70	2	2427.40

* Estimated average number of hours per response includes .5 hours for reviewing instructions.

The time for the WIC local agency is an estimated time for the agency to voluntarily review the instructions, fill out the "Loving Support Award of Excellence" application, and attach supportive documentation. The time for the State WIC agency is an estimated time for the agency to review the instructions, evaluate the components of the local WIC agencies applications, and make a recommendation for an award.

Forest Service

Notice of New Fee Site

AGENCY: Kaibab National Forest, USDA Forest Service, Arizona.

ACTION: Notice of New Fee Sites.

SUMMARY: The Kaibab National Forest is proposing to charge fees for the overnight rental of three historic facilities on the North Kaibab Ranger District. Jumpup cabin is the oldest Ranger Station on the North Kaibab Ranger District. The cabin was recently rehabilitated with American Recovery and Reinvestment Act (ARRA) and Forest Service funds and is a popular overnight stop for hikers in the Kanab Creek Wilderness Area. The new fee is proposed at \$60.00 per night for Jumpup Cabin with a maximum capacity of eight people. Pleasant Valley Cabin is located on Highway 67, a few miles north of the Grand Canyon National Park. The cabin will require substantial rehabilitation work over the next two years to prepare

it for public use. The new fee is proposed at \$140.00 per night for Pleasant Valley Cabin with a maximum capacity of four people. Big Springs Administrative Center is on the National Register of Historic Places and has been used by homesteaders, and later the Forest Service, since the 1800's. The complex consists of a historic office, dining hall, shower house, group kitchen, seven residential units, and several administrative structures. The residential units were recently restored using ARRA funds. While Big Springs serves as an active administrative site for the U.S. Forest Service, rental cabins available to the public are in a discrete location separated from administrative structures. The proposed fee is \$65.00 per night for an individual cabin at Big Springs. Individual cabins vary in occupancy from two to four people per cabin and includes use of the shower house, kitchen and dining hall.

Other cabin rentals within the Arizona National Forests have shown that the public appreciates and enjoys the availability of historic rental facilities. Funds from the rentals will be used for the continued operation and maintenance of these facilities and other properties in the Arizona "Rooms with a View" Cabin Rental Program.

DATES: Send any comments about these fee proposals by June 1, 2013 so comments can be compiled, analyzed and shared with the BLM Arizona Resource Advisory Council (RAC). Jumpup Cabin will become available for rent in fall of 2013, Big Springs Administrative Center will become available for rent in spring of 2014, and Pleasant Valley Cabin will be available for rent in spring of 2015.

ADDRESSES: Forest Supervisor, Kaibab National Forest, 800 S. 6th St., Williams, Arizona 86046-2899.

FOR FURTHER INFORMATION CONTACT:

SUPPLEMENTARY INFORMATION: The Federal Recreation Lands Enhancement Act (Title VII, Public Law 108-447) directed the Secretary of Agriculture to publish a six month advance notice in the **Federal Register** whenever new recreation fee areas are established. Once public involvement is complete, these new fees will be reviewed by a Recreation Resource Advisory Committee prior to a final decision and implementation.

The Kaibab National Forest currently has two other cabin rentals available (Spring Valley Cabin and Hull Cabin) that rent for \$100 to \$150 per night. People wanting to rent any of these cabins will need to do so through the National Recreation Reservation Service, at www.recreation.gov or by calling 1-877-444-6777. The National Recreation Reservation Service charges a \$9 reservation fee for internet reservations and \$10 fee for phone reservations.
