This mandatory survey is conducted under the authority of the International Investment and Trade in Services Survey Act (22 U.S.C. 3101 et seq.) This Notice constitutes legal notification to all United States persons (defined below) who meet the reporting requirements set forth in this Notice that they must respond to, and comply with, this survey. Additional copies of the reporting forms SHLA (2013) and instructions may be printed from the Internet at: <http://www.treasury.gov/resource-center/data-chart-center/tic/Pages/forms-sh.aspx>.

Definition: A U.S. person is any individual, branch, partnership, associated group, association, estate, trust, corporation, or other organization (whether or not organized under the laws of any State), and any government (including a foreign government, the United States Government, a State or local government, and any agency, corporation, financial institution, or other entity or instrumentality thereof,

including a government-sponsored agency), who resides in the United States or is subject to the jurisdiction of the United States.

Who Must Report: The panel for this survey is based primarily on the level of foreign resident holdings of U.S. securities reported on the June 2009 benchmark survey of foreign resident holdings of U.S. securities, and will consist mostly of the largest reporters on that survey. Entities required to report will be contacted individually by the Federal Reserve Bank of New York. Entities not contacted by the Federal Reserve Bank of New York have no reporting responsibilities.

SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501-3520), Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the OCC is publishing notice of the proposed collection of information set forth in this document. The OCC is proposing to extend the approval for the following information collection:

Title: Examination Questionnaire.

OMB Control No.: 1557-0199.

Affected Public: Businesses or other for-profit.

Type of Review: Extension of a currently approved collection.

Abstract: The Office of the Comptroller of the Currency (OCC) has revised its Examination Survey and updated the estimated burden hours to adjust for the current number of national banks and thrifts in the OCC's supervisory system. Completed Examination Surveys provide the OCC with the information needed to properly evaluate the content and conduct of OCC examinations. Completed Examination Surveys also help measure

the OCC's performance and progress in improving the supervisory experience and agency communications. The OCC will use the information to identify problems or trends that may impair the effectiveness of the examination process, to identify ways to improve its service to the banking industry, and to analyze staff and training needs. A survey is provided to each bank or thrift at the conclusion of their supervisory cycle. Bankers will now be able to complete this survey using a secure web-based data collection tool.

The OCC is conducting an Exit Survey of banks and thrifts after they exit the OCC's supervisory and examination system. Completed Exit Surveys will help OCC understand the underlying reasons why banks and thrifts decide to leave the system. The OCC will use this information to improve relationships with America's banks and thrifts and identify problems that may impair the effectiveness of the examination and supervisory process. A survey is provided to each bank or thrift after they exit the OCC's supervisory system. Bankers will be able to complete this survey using a secure web-based data collection tool.
