

non-Customer orders because the Exchange has traditionally assessed lower fees to Customers as compared to non-Customers. Customers will continue to receive the lowest fees or no fees when routing orders, as is the case today. Other options exchanges also assess lower Routing Fees for customer orders as compared to non-customer orders.²³

B. Self-Regulatory Organization's Statement on Burden on Competition

NASDAQ Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposal creates intra-market competition because the Exchange is applying the same Routing Fees and credits to all market participants in the same manner dependent on the routing venue, with the exception of Customers. The Exchange has proposed separate Customer Routing Fees. Customers will continue to receive the lowest fees or no fees when routing orders, as is the case today. Other options exchanges also assess lower Routing Fees for customer orders as compared to non-customer orders.²⁴

The Exchange's proposal would allow the Exchange to recoup its costs when routing orders to away markets when such orders are designated as available for routing by the market participant. The Exchange is passing along savings realized by leveraging NASDAQ OMX's infrastructure and scale to market participants when those orders are routed to PHLX and is providing those saving to all market participants. Participants may choose to mark the order as ineligible for routing to avoid incurring these fees.²⁵ Today, other options exchanges also assess fixed routing fees to recoup costs incurred by the Exchange to route orders to away markets.²⁶

The Exchange operates in a highly competitive market, comprised of eleven exchanges, in which market participants can easily and readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. Accordingly, the fees that are assessed by the Exchange

must remain competitive with fees charged by other venues and therefore must continue to be reasonable and equitably allocated to those Participants that opt to direct orders to the Exchange rather than competing venues.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.²⁷ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions and an extension of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than June 3, 2013. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. Request to be Selected as a Payee—20 CFR 404.2010–404.2055, 416.601–416.665—0960–0014. An individual applying to be a representative payee for a Social Security beneficiary or Supplemental Security Income (SSI)

recipient must first complete Form SSA–11–BK. SSA obtains information from applicant payees regarding their relationship to the beneficiary, personal qualifications, concern for the beneficiary's well-being, and intended use of benefits if appointed as payee. The respondents are individuals, private sector businesses and institutions, and State and local government institutions and agencies applying to become representative payees.

Type of Request: Revision of an OMB approved information collection.

Modality of collection	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)

2. Representative Payee Evaluation Report—20 CFR 404.2065 & 416.665—0960–0069. Sections 205(j) and 1631(a)(2) of the Social Security Act (Act) state SSA may appoint a representative payee to receive title II benefits or title XVI payments on behalf of individuals unable to manage or direct the management of those funds themselves. SSA requires appointed

representative payees to report once each year on how they used or conserved those funds. When a representative payee fails to adequately report to SSA as required, SSA conducts a face-to-face interview with the payee and completes Form SSA–624, Representative Payee Evaluation Report, to determine the continued suitability of the representative payee to serve as a

payee. The respondents are individuals or organizations serving as representative payees for individuals receiving title II benefits or title XVI payments who fail to comply with SSA's statutory annual reporting requirement.

Type of Request: Revision of an OMB-approved information collection.

Modality of collection	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–624	266,000	1	30	133,000

3. Child Care Dropout Questionnaire—20 CFR 404.211(e)(4)—0960–0474. If individuals applying for title II disability benefits cared for their

own or their spouse's children under age 3 and had no steady earnings during that time period, they may exclude that period of care from the disability

computation period. We call this the child-care dropout exclusion. SSA uses the information from Form SSA–4162 to determine if an individual qualifies for

this exclusion. Respondents are applicants for title II disability benefits.

Type of Request: Revision of an OMB-approved information collection.

Modality of collection	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-4162	2,000	1	5	167

4. Beneficiary Recontact Form—20 CFR 404.703, 404.705—0960-0502. SSA investigates recipients of disability payments to determine their continuing eligibility for payments. Research indicates recipients may fail to report circumstances that affect their

eligibility. Two such cases are: (1) When parents receiving disability benefits for their child marry and (2) the removal of an entitled child from parents' care. SSA uses Form SSA-1588-OCR-SM to ask mothers or fathers about their marital status and children currently in

their care to detect overpayments and to avoid continuing payment to those no longer entitled. Respondents are recipients of mothers' or fathers' Social Security benefits.

Type of Request: Revision of an OMB-approved information collection.

Modality of collection	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-1588-OCR-SM	171,506	1	5	14,292

5. Program Discrimination Complaint—0960-0585. SSA collects information on Form SSA-437 to investigate and formally resolve complaints of discrimination based on disability, race, color, national origin (including limited English language proficiency), sex, sexual orientation, age, religion, or retaliation for having participated in a proceeding under this administrative complaint process in

connection with an SSA program or activity. Individuals who believe SSA discriminated against them on any of the above bases may file a written complaint of discrimination. SSA uses the information to (1) Identify the complaint; (2) identify the alleged discriminatory act; (3) establish the date of such alleged action; (4) establish the identity of any individual(s) with information about the alleged

discrimination; and (5) establish other relevant information that would assist in the investigation and resolution of the complaint. Respondents are individuals who believe SSA or SSA employees, contractors or agents in programs or activities conducted by SSA discriminated against them.

Type of Request: Revision on an OMB-approved information collection.

Modality of collection	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-437	255	1	60	255

6. Waiver of Supplemental Security Income Payment Continuation—20 CFR 416.1400-416.1422—0960-0783. SSI recipients who wish to discontinue their SSI payments while awaiting a determination on their appeal complete Form SSA-263-U2, Waiver of

Supplemental Security Income Payment Continuation, to inform SSA of this decision. SSA collects the information to determine whether the SSI recipient meets the provisions of the Act regarding waiver of payment continuation and as proof respondents

no longer want their payments to continue. Respondents are recipients of SSI payments who wish to discontinue receiving payment while awaiting a determination on their appeal.

Type of Request: Revision of an OMB-approved information collection.

Modality of collection	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-263-U2	3,000	1	5	250

II. SSA submitted the information collections below to OMB for clearance. Your comments regarding the information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than May

2, 2013. Individuals can obtain copies of the OMB clearance packages by writing to OR.Reports.Clearance@ssa.gov.

1. Supplemental Statement Regarding Farming Activities of Person Living Outside the U.S.A.—0960-0103. When a beneficiary or claimant reports farm work from outside the United States,

SSA documents this work on Form SSA-7163A-F4. Specifically, SSA uses the form to determine if we should apply foreign work deductions to the recipient's title II benefits. We collect the information either annually or every other year, depending on the respondent's country of residence.

Respondents are Social Security recipients engaged in farming activities outside the United States.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-7163A-F4	1,000	1	60	1,000

2. Internet Direct Deposit Application—31 CFR 210—0960-0634. SSA requires all applicants and recipients of Social Security Old Age, Survivors, and Disability Insurance (OASDI) benefits, or SSI payments to receive these benefits and payments via direct deposit at a financial institution. SSA receives Direct Deposit/Electronic Funds Transfer (DD/EFT) enrollment information from OASDI beneficiaries and SSI recipients to facilitate DD/EFT

of their funds with their chosen financial institution. We also use this information when an enrolled individual wishes to change their DD/EFT information. For the convenience of the respondents, we collect this information through several modalities, including an Internet application, in-office or telephone interviews, and our automated telephone system. In addition to using the direct deposit information to enable DD/EFT of funds

to the recipient's chosen financial institution, we also use the information through our Direct Deposit Fraud Indicator to ensure the correct recipient receives the funds. Respondents are OASDI beneficiaries and SSI recipients requesting that we enroll them in the Direct Deposit program or change their direct deposit banking information.

Type of Request: Extension of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
Internet DD	188,129	1	10	31,355
Non-Electronic Services (FO, 800#-ePath, MSSICS, SPS, MACADE, POS, RPS)	6,455,815	1	12	1,291,163

Direct Deposit Fraud Indicator	10,000	1	2	333
Totals	6,891,009	1,354,460

3. International Direct Deposit—31 CFR 210—0960-0686. SSA's International Direct Deposit (IDD) Program allows beneficiaries living abroad to receive their payments via direct deposit to an account at a financial institution outside the United States. SSA uses Form SSA-1199—

(Country) to enroll title II beneficiaries residing abroad in IDD, and to obtain the direct deposit information for foreign accounts. Routing account number information varies slightly for each foreign country, so we use a variation of the Treasury Department's Form SF-1199A for each country. The

respondents are Social Security beneficiaries residing abroad who want SSA to deposit their benefits payments directly to a foreign financial institution.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
