SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 10b-10.

SEC File No. 270-389, OMB Control No. 3235-0444.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) ("PRA"), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 10b-10 (17 CFR 240.10b-10) under the Securities and Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 10b-10 requires broker-dealers to convey basic trade information to customers regarding their securities

transactions. This information includes: the date and time of the transaction, the identity and number of shares bought or sold, and the trading capacity of the broker-dealer. Depending on the trading capacity of the broker-dealer, Rule 10b-10 requires the disclosure of commissions as well as mark-up and mark-down information. For transactions in debt securities, Rule 10b-10 requires the disclosure of redemption and yield information. Rule 10b-10 potentially applies to all of the approximately 5,178 firms registered with the Commission that effect transactions on behalf of customers.

Based on information provided by registered broker-dealers to the Commission in FOCUS Reports, the Commission staff estimates that on average, registered broker-dealers process approximately 1.4 billion order tickets per month for transactions on behalf of customers. Each order ticket representing a transaction effected on behalf of a customer results in one confirmation. Therefore, the Commission staff estimates that approximately 16.8 billion confirmations are sent to customers annually. The confirmations required by Rule 10b-10 are generally processed through automated systems. It takes approximately 30 seconds to generate and send a confirmation. Accordingly, the Commission estimates that broker-dealers spend 140 million hours per year complying with Rule 10b-10.

The amount of confirmations sent and the cost of sending each confirmation varies from firm to firm. Smaller firms generally send fewer confirmations than larger firms because they effect fewer transactions. The Commission staff estimates the costs of producing and sending a paper confirmation, including postage to be approximately 54 cents. The Commission staff also estimates that the cost of producing and sending a wholly electronic confirmation is approximately 39 cents. Based on informal discussions with industry participants as well as no-action positions taken in this area, the staff estimates that broker-dealers used electronic confirmations for approximately 35 percent of transactions. Based on these calculations, Commission staff estimates that 10,920,000,000 paper confirmations are mailed each year at a cost of \$5,896,800,000. Commission staff also estimates that 5,880,000,000 wholly electronic confirmations are sent each year at a cost of \$2,293,200,000. Accordingly, Commission staff estimates that total annual cost associated with generating and delivering to investors the information

required under Rule 10b-10 would be \$8,190,000,000.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the PRA unless it displays a currently valid OMB control number. Please direct your written comments to: Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, Virginia 22312 or send an email to: PRA_Mailbox@sec.gov.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-69388; File No. SR-NYSEMKT-2013-34]

Self-Regulatory Organizations; NYSE MKT LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending the Members' Schedule of NYSE Amex Options LLC (the "Company") in Order To Reflect Changes to the Capital Structure of the Company

April 17, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 9, 2013, NYSE MKT LLC ("NYSE MKT" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II

below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Members' Schedule (as defined in the Limited Liability Company Agreement of NYSE Amex Options LLC (the "Company") dated as of June 29, 2011 (the "LLC Agreement")) in order to reflect changes to the capital structure of the Company based on two transactions (such amendment, the "Proposed Rule Change"). The first transaction involved the issuance of Annual Incentive Shares (as defined in the Members Agreement) to the Founding Firms (as defined below) pursuant to Section 2.1 of that certain Members Agreement, dated as of June 29, 2011, by and among the Company, NYSE MKT, NYSE Euronext, Banc of America Strategic Investments Corporation ("BAML"), Barclays Electronic Commerce Holdings Inc. ("Barclays"), Citadel Securities LLC ("Citadel"), Citigroup Financial Strategies, Inc. ("Citigroup"), Goldman, Sachs & Co. ("Goldman Sachs"), Datek Online Management Corp. ("TD Ameritrade") and UBS Americas Inc. ("UBS") (collectively, excluding the Company, NYSE MKT and NYSE Euronext, the "Founding Firms") (the "Members Agreement"). The second transaction will involve the transfer of Interests (as defined in the LLC Agreement) by the Founding Firms to NYSE Market (DE), Inc. ("NYSE Market"), an affiliate of the Exchange, as soon as reasonably practicable following April 2, 2013 pursuant to Article XI of the LLC Agreement and Section 3.1 of the Members Agreement. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below,

of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Members' Schedule as set forth herein. The amendment reflects changes to the capital structure of the Company due to (i) the issuance of Annual Incentive Shares to the Founding Firms effective February 28, 2013 pursuant to Section 2.1 of the Members Agreement and (ii) the transfer of Interests by the Founding Firms to NYSE Market as soon as reasonably practicable following April 2, 2013 pursuant to Article XI of the LLC Agreement and Section 3.1 of the Members Agreement.

Issuance of Annual Incentive Shares

Pursuant to Section 2.1 of the Members Agreement, each year (until 2015, unless extended by the Board) the Company must issue a number of Class B Common Interests (as defined in the LLC Agreement) equal to thirty percent (30%) of the then-outstanding Class B Common Interests as Annual Incentive Shares. These Annual Incentive Shares are allocated among the Members (as defined in the LLC Agreement) holding Class B Common Interests (such Members, the "Class B Members") based on each Class B Member's contribution to the volume of the Exchange relative to such Class B Member's Individual Target (as defined in the Members Agreement). The Annual Incentive Shares may change the relative economic and voting rights among the Class B Members but have no effect on the relative economic and voting rights as between Members holding Class A Common Interests (as defined in the LLC Agreement) and Class B Members.

Effective February 28, 2013, the Company issued 16,4736 Annual Incentive Shares in the aggregate to the Founding Firms (the "Issuance of Annual Incentive Shares"). Because each Founding Firm achieved or exceeded its Individual Target, the Issuance of Annual Incentive Shares did not result in any change to any Member's economic or voting interest in the Company. The Exchange proposes to amend the Members' Schedule as set forth in Exhibit 5A attached hereto³ (marked against the Members' Schedule in effect prior to such issuance) to

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ The Commission notes that Exhibit 5A is attached to the filing, not to this Notice.
