

categories of commodities shipped on inland and intracoastal waterways.

A primary user or shipper may be represented on the Board, at the request of the Secretary of the Army and with the approval of the Secretary of Defense, for a two-year term of service. A user or shipper may be represented on the Board no more than two terms of service (four years), without prior approval of the Secretary of Defense. A user or shipper may be subsequently represented on the Board, but only after being off the Board for at least two years.

In addition to the primary users and shippers invited by the Secretary of Defense, the Secretary of the Army shall designate, and the Secretaries of Agriculture, Transportation and Commerce may each designate, a representative to act as an observer of the Board. These observers, who have no voting rights, shall each be a full-time or permanent part-time employee of his or her respective agency.

Pursuant to 33 U.S.C. 2251(a), the Secretary of the Army shall designate one Board member to serve as the Board's Chairperson. With the exception of travel and per diem for official travel, all Board members shall serve without compensation.

The Department, when necessary and consistent with the Board's mission and DoD policies and procedures, may establish subcommittees, task groups, or working groups to support the Board. Establishment of subcommittees will be based upon a written determination, to include terms of reference, by the Secretary of Defense, the Deputy Secretary of Defense, or the Secretary of the Army. Currently, the Board does not use subcommittees. If the Department determines that the establishment of subcommittees is warranted, the Board's charter must be amended prior to such establishment.

The Board shall meet at the call of the Board's Designated Federal Officer (DFO), in consultation with the Chairperson. Pursuant to 33 U.S.C. 2251(b), the Board shall meet at least semi-annually.

In addition, the DFO is required to be in attendance at all Board and subcommittee meetings for the entire duration of each and every meeting; however, in the absence of the DFO, the Alternate DFO shall attend the entire duration of the Board or subcommittee meeting.

Pursuant to 41 CFR 102-3.105(j) and 102-3.140, the public or interested organizations may submit written statements to the Board membership about the Board's mission and functions. Written statements may be

submitted at any time or in response to the stated agenda of planned meeting of the Board.

All written statements shall be submitted to the DFO, and this individual will ensure that the written statements are provided to the membership for their consideration. Contact information for the Board's DFO can be obtained from the GSA's FACA Database—<https://www.fido.gov/facadatabase/public.asp>.

The DFO, pursuant to 41 CFR 102-3.150, will announce planned meetings of the Board. The DFO, at that time, may provide additional guidance on the submission of written statements that are in response to the stated agenda for the planned meeting in question.

Dated: April 23, 2013.

Aaron Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

Energy Information Administration

Agency Information Collection Extension

AGENCY: U.S. Energy Information Administration (EIA), Department of Energy.

ACTION: Notice and request for OMB review and comment.

SUMMARY: The EIA has submitted an information collection request to the OMB for extension under the provisions of the Paperwork Reduction Act of 1995. The information collection requests a three-year extension of Form FE-746R, "Natural Gas Imports and Exports," OMB Control Number 1901-0294. The proposed collection will support DOE's Office of Fossil Energy (FE) in the collection of critical information on U.S. natural gas trade. Data collected include name of importer/exporter; country of origin/destination; international point of entry/exit; name of supplier; volume; price; transporters; U.S. geographic market(s) served; and duration of supply contract on a monthly basis. The data, published in *Natural Gas Imports and Exports*, are used to monitor North American gas trade, and to support various market and regulatory analyses performed by FE.

DATES: Comments regarding this proposed information collection must be received on or before May 29, 2013. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, please advise the DOE Desk Officer at OMB of your intention to make a submission as soon as possible. The Desk Officer may be telephoned at 202-395-4718.

ADDRESSES: Written comments should be sent to the:

DOE Desk Officer, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 10102, 735 17th Street NW., Washington, DC 20503.

And to:

Lisa Tracy, U.S. Department of Energy, Office of Fossil Energy, Office of Natural Gas Regulatory Activities (FE-34), P.O. Box 44375, Washington, DC 20026-4375, Phone: (202) 586-4523, Fax: (202) 586-6050.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection instrument and instructions should be directed to Lisa Tracy at the contact information above. Alternatively, Ms. Tracy may be emailed at

lisa.tracy@hq.doe.gov. Copies of the information collection instruments and instructions can also be viewed at http://www.fe.doe.gov/programs/gasregulation/report_guidelines.html.

SUPPLEMENTARY INFORMATION: This information collection request contains: (1) OMB No.: 1901-0294; (2) *Information Collection Request Title:* Natural Gas Imports and Exports; (3) *Type of Request:* Three-Year Extension; (4) *Purpose:* The Federal Energy Administration Act of 1974 (15 U.S.C. 761 et seq.) and the DOE Organization Act (42 U.S.C. 7101 et seq.) require the EIA to carry out a centralized, comprehensive, and unified energy information program. This program collects, evaluates, assembles, analyzes, and disseminates information on energy resource reserves, production, demand, technology, and related economic and statistical information. This information is used to assess the adequacy of energy resources to meet near and longer term domestic demands. The EIA, as part of its effort to comply with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), provides the general public and other Federal agencies with opportunities to comment on collections of energy information conducted by or in conjunction with the EIA.

DOE's Office of Fossil Energy (FE) is delegated the authority to regulate natural gas imports and exports under section 3 of the Natural Gas Act of 1938, 15 U.S.C. 717b. In order to carry out its delegated responsibility, FE requires those persons seeking to import or export natural gas to file an application providing basic information on the scope and nature of the proposed import/export activity. Once an importer or exporter receives authorization from FE, they are required to submit monthly reports of all import and export transactions. Form FE-746R collects critical information on U.S. natural gas trade including: name of importer/exporter; country of origin/destination; international point of entry/exit; name of supplier; volume; price; transporters; U.S. geographic market(s) served; and duration of supply contract on a monthly basis. The data, published in *Natural Gas Imports and Exports*, are used to ensure compliance with the terms and conditions of the authorizations. In addition, the data are used to monitor North American gas trade, which, in turn, enables the Federal government to perform market and regulatory analyses; improve the capability of industry and the government to respond to any future energy-related supply problems; and keep the general public informed of
