SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235-0307, SEC File No. 270-21]

Submission for OMB Review; Comment Request

Upon Written Request Copies Available
From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:
Form N-1A.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

Form N-1A (17 CFR 239.15A and 274.11A) is the form used by open-end management investment companies ("funds") under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("Investment Company Act") and/or to register their securities under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) ("Securities Act"). Section 5 of

the Securities Act (15 U.S.C. 77e) requires the filing of a registration statement prior to the offer of securities to the public and that the statement be effective before any securities are sold, and Section 8 of the Investment Company Act (15 U.S.C. 80a-8) requires a fund to register as an investment company. Form N-1A also permits funds to provide investors with a prospectus and a statement of additional information ("SAI") covering essential information about the fund when it makes an initial or additional offering of its securities. Section 5(b) of the Securities Act requires that investors be provided with a prospectus containing the information required in a registration statement prior to the sale or at the time of confirmation or delivery of the securities. The form also may be used by the Commission in its regulatory review, inspection, and policy-making roles.

The Commission estimates that there are 48 initial registration statements and 5,642 post-effective amendments to initial registration statements filed on Form N-1A annually and that the average number of portfolios referenced in initial registration statements is 7.5, and the average number of portfolios referenced in post-effective amendment is 1.7. The Commission further estimates that the hour burden for preparing and filing a post-effective amendment on Form N-1A is 133.75 hours per portfolio. The total annual hour burden for preparing and filing post-effective amendments is 1,279,720 hours (5,642 post-effective amendments × 133.75 hours per portfolio). The estimated annual hour burden for preparing and filing initial registration statements is 298,969 hours (48 initial registration statements × 830.47 hours per portfolio). The total annual hour burden for Form N-1A, therefore, is estimated to be 1,578,689 hours (1,279,720 hours + 298,969 hours).

The information collection requirements imposed by Form N-1A are mandatory. Responses to the collection of information will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request Copy Available

Extension:

Form N-8A, OMB Control No. 3235-0175, File No. 270-135.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

The Investment Company Act of 1940, as amended ("1940 Act") (15 U.S.C. 80a-1 *et seq.*), requires investment companies to register with the Commission before they conduct any business in interstate commerce. Section 8(a) of the 1940 Act provides that an investment company shall be deemed to be registered upon receipt by the Commission of a notification of registration in such form as the Commission prescribes. Form N-8A (17 CFR 274.10) is the form for notification of registration that the Commission has adopted under section 8(a). The purpose of such notification of registration provided on Form N-8A is to notify the Commission of the existence of investment companies required to be registered under the 1940 Act and to enable the Commission to administer the provisions of the 1940 Act with respect to those companies. After an investment company has filed its notification of registration under section 8(a), the company is then subject to the provisions of the 1940 Act which govern certain aspects of its organization and

activities, such as the composition of its board of directors and the issuance of senior securities. Form N-8A requires an investment company to provide its name, state of organization, form of organization, classification, the name and address of each investment adviser of the investment company, the current value of its total assets and certain other information readily available to the investment company. If the investment company is filing a registration statement as required by Section 8(b) of the 1940 Act concurrently with its notification of registration, Form N-8A requires only that the registrant file the cover page (giving its name, address and agent for service of process) and sign the form in order to effect registration.

Each year approximately 130 investment companies file a notification on Form N-8A, which is required to be filed only once by an investment company. The Commission estimates that preparing Form N-8A requires an investment company to spend approximately 1 hour so that the total burden of preparing Form N-8A for all affected investment companies is 130 hours. Estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

The collection of information on Form N-8A is mandatory. The information provided on Form N-8A is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The public may view the background documentation for this information collection at the following Web site, www.reginfo.gov. Comments must be submitted to OMB within 30 days of this notice.
