This study is authorized by the Mutual Educational and Cultural Exchange Act of 1961, as amended (also known as the Fulbright-Hays Act) (22 U.S.C. 2451 et seq.). The survey will be sent electronically to be completed via web survey to all program participants of the years stated above. Data gathered will enable analysis that can potentially be used to design similar bi-lateral exchange programs, improve existing programs, and to inform ongoing and future exchange programs in ECA.

Methodology:

The survey and all notifications will be entirely electronic to ease any burden on the participant. The survey will be distributed and responses received

electronically using the survey application Vovici.
