Agency Information Collection

Activities: Proposed Collection:

Comment Request: FNS-583, Supplemental Nutrition Assistance Program Employment and Training Program Activity Report

AGENCY: Food and Nutrition Service (FNS), USDA.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act, this notice invites the public and other public agencies to comment on a proposed information collection burden for the Supplemental Nutrition Assistance Program (SNAP), Employment and Training (E&T) Program, currently approved under OMB No. 0584-0339. This is a revision of a currently approved collection, which proposes to decrease the currently approved burden of 26,083 hours by 4,194. The adjusted burden is 21,889 hours. This decrease is due to greater efficiencies in tracking and reporting E&T component placements. In prior collections, FNS estimated that State agencies used one minute per component placement to compile and record this data. This estimate is now reduced to 10 seconds per component placement, which is the same amount of time allotted for States to compile and record work registrant data.

DATES: Submit written comments on or before March 18, 2013.

ADDRESSES: Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden of the proposed collection of information, including validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical or other technological collection techniques or other form of information technology.

Comments may be sent to Moira Johnston, Chief, Program Design Branch, Program Development Division, Supplemental Nutrition Assistance Program, Food and Nutrition Service, U.S. Department of Agriculture, 3101 Park Center Drive, Room 810, Alexandria, Virginia 22302. Comments may also be submitted via fax to the attention of Moira Johnston at 703-305-2454 or via email to moira.johnston@fns.usda.gov.

Comments will also be accepted through the Federal eRulemaking Portal. Go to <http://www.regulations.gov> and follow the online instructions for submitting comments electronically. All written comments will be open for public inspection at the office of the Food and Nutrition Service during regular business hours (8:30 a.m. to 5 p.m., Monday through Friday) at 3101 Park Center Drive, Alexandria, Virginia 22302, Room 810.

SUPPLEMENTARY INFORMATION:

Title: Employment and Training Program Activity Report.

OMB Number: 0584-0339.

Expiration Date: April 30, 2013

Type of Request: Revision of a currently approved collection.

Abstract: 7 CFR 273.7(c)(9) requires State agencies to submit quarterly E&T Program Activity Reports containing monthly figures for participation in the program. FNS uses Form FNS-583, to collect participation data. The information collected on the FNS-583 report includes:

- On the first quarter report, the number of work registrants receiving SNAP as of October 1 of the new fiscal year;
- On each quarterly report, by month, the number of new work registrants; the number of able-bodied adults without dependents (ABAWDs) applicants and recipients participating in qualifying components; the number of all other applicants and recipients (including ABAWDs involved in non-qualifying activities) participating in components; and the number of ABAWDs exempt under the State agency's 15 percent exemption allowance;
- On the fourth quarter report, the total number of individuals who participated in each component, which is also sorted by ABAWD and non-ABAWD participants and the number of individuals who participated in the E&T Program during the fiscal year.

7 CFR 273.7(d)(1)(i)(D) provides that if a State agency will not expend all of the funds allocated to it for a fiscal year, FNS will reallocate unexpended funds to other State agencies during the fiscal year or the subsequent fiscal year as FNS considers appropriate and

equitable. After FNS makes initial E&T allocations, State agencies may request more funds as needed. Typically FNS receives fourteen such requests per year.

The time it takes to prepare these requests is included in the burden. After receiving the State requests, FNS will reallocate unexpended funds as provided above. Following is the revised estimated burden for E&T reporting including the burden for State agencies to request additional funds.

SUPPLEMENTARY INFORMATION:

Title: Senior Farmers' Market Nutrition Program (SFMNP).

Form Number: FNS 683A.

OMB Number: 0584-0541.

Expiration Date: March 3, 2013.

Type of Request: Renewal of a currently approved collection.

Abstract: Section 4231 of the Food, Conservation and Energy Act of 2008 (Pub. L. 110-246, also known as the Farm Bill) reauthorized the Senior Farmers' Market Nutrition Program (SFMNP) through fiscal year 2012; a prior law (the Farm Security and Rural Investment Act of 2002 (Pub. L. 107-171)) gave the Department of Agriculture the authority to promulgate regulations for the operation and administration of the SFMNP. These regulations are published at 7 CFR Part 249. The purposes of the SFMNP are to provide resources in the form of fresh, nutritious, unprepared, locally grown fruits, vegetables, honey and herbs from farmers' markets, roadside stands, and community supported agriculture (CSA) programs to low income seniors; to increase the domestic consumption of agricultural commodities by expanding or aiding in the expansion of domestic farmers' markets, roadside stands, and CSA programs; and to develop or aid in the development of new and additional farmers' markets, roadside stands, and CSA programs.

USDA published a final rulemaking on the SFMNP on December 6, 2006 (71 FR 74618), that contained an estimated

information collection burden based on the rule's requirements for program operation and administration. The previous SFMNP information collection burden was approved by the Office of Management and Budget (OMB) for 3 years, effective March 2010, under RIN 0584-0541. The Department is now soliciting comments on the accuracy and reasonableness of the renewal of this estimated burden.

The estimated total annual Reporting and Recordkeeping burden is 465,319 hours. The estimated total burden is 32,459 hours lower than the previously approved collection burden. Several SFMNP State agencies reported a decrease in the number of participants served and number of authorized farmers' markets. See the table below for estimated total annual burden for each type of respondent.
