

option of the state, tribe or local government in place of procedures available under existing program-specific authorization regulations. An application submitted under the subpart D procedures must show that the state, tribe or local government has sufficient legal authority to implement the electronic reporting components of the programs covered by the application and will use electronic document receiving systems that meet the applicable subpart D requirements.

On October 10, 2012, the Nevada Division of Environmental Protection (NDEP) submitted an application titled "Network Discharge Monitoring Report System" for revision of its EPA-authorized authorized Part 123 program under title 40 CFR. EPA reviewed NDEP's request to revise its EPA-authorized Part 123—National Pollutant Discharge Elimination System program and, based on this review, EPA determined that the application met the standards for approval of authorized program revision set out in 40 CFR part 3, subpart D. In accordance with 40 CFR 3.1000(d), this notice of EPA's decision to approve Nevada's request to revise its Part 123—National Pollutant Discharge Elimination System program to allow electronic reporting under 40 CFR part 122 is being published in the **Federal Register**.

NDEP was notified of EPA's determination to approve its application with respect to the authorized program listed above.

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-ORD-2013-0188; FRL 9818-4]

Human Studies Review Board Advisory Committee

AGENCY: Environmental Protection Agency (EPA).

ACTION: Request for Nominations to the Human Studies Review Board (HSRB) Advisory Committee.

SUMMARY: The U.S. Environmental Protection Agency (EPA) invites nominations from a diverse range of qualified candidates with expertise in bioethics, biostatistics and human health risk assessment to be considered for appointment to its Human Studies Review Board (HSRB) advisory committee. Anticipated vacancies will

be filled by September 1, 2013. Sources in addition to this **Federal Register** Notice may also be utilized in the solicitation of nominees.

Background: On February 6, 2006, the Agency published a final rule for the protection of human subjects in research that called for creating a new, independent human studies review board (*i.e.*, HSRB). The HSRB is a federal advisory committee operating in accordance with the Federal Advisory Committee Act (FACA) 5 U.S.C. App. 2 § 9 (Pub. L. 92-463). The HSRB provides advice, information, and recommendations to EPA on issues related to scientific and ethical aspects of human subjects research. The major objectives of the HSRB are to provide advice and recommendations on: (1) Research proposals and protocols that include human subjects; (2) reports of completed research with human subjects; and (3) how to strengthen EPA's programs for protection of human subjects of research. The HSRB reports to the EPA Administrator through EPA's Science Advisor. General information concerning the HSRB, including its charter, current membership, and activities can be found on the EPA Web site at <http://www.epa.gov/osa/hsrb/>.

HSRB members serve as special government employees or regular government employees. Members are appointed by the EPA Administrator for either two or three year terms with the possibility of reappointment for additional terms, with a maximum of six years of service. The HSRB usually meets up to four times a year and the typical workload for HSRB members is approximately 40 to 50 hours per meeting, including the time spent at the meeting. Responsibilities of HSRB members include reviewing extensive background materials prior to meetings of the Board, preparing draft responses to Agency charge questions, attending Board meetings, participating in the discussion and deliberations at these meetings, drafting assigned sections of meeting reports, and helping to finalize Board reports. EPA compensates special government employees for their time and provides reimbursement for travel and other incidental expenses associated with official government business. EPA values and welcomes diversity. In an effort to obtain nominations of diverse candidates, EPA encourages nominations of women and men of all racial and ethnic groups.

The qualifications of nominees for membership on the HSRB will be assessed in terms of the specific expertise sought for the HSRB. Qualified nominees who agree to be considered further will be included in a "Short

List". The Short List of nominee names and biographical sketches will be posted for 14 calendar days for public comment on the HSRB Web site: <http://www.epa.gov/osa/hsrb/index.htm>. The public will be encouraged to provide additional information about the nominees that EPA should consider. At the completion of the comment period, EPA will select new Board members from the Short List. Candidates not selected for HSRB membership at this time may be considered for HSRB membership as vacancies arise in the future or for service as consultants to the HSRB. The Agency estimates that the names of Short List candidates will be posted in July 2013. However, please be advised that this is an approximate time frame and the date is subject to change. If you have any questions concerning posting of Short List candidates on the HSRB Web site, please consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

Members of the HSRB are subject to the provisions of 5 CFR part 2634, Executive Branch Financial Disclosure, as supplemented by the EPA in 5 CFR part 6401. In anticipation of this requirement, each nominee will be asked to submit confidential financial information that fully discloses, among other financial interests, the candidate's employment, stocks and bonds, and where applicable, sources of research support. The information provided is strictly confidential and will not be disclosed to the public. Before a candidate is considered further for service on the HSRB, EPA will evaluate each candidate to assess whether there is any conflict of financial interest, appearance of a lack of impartiality, or prior involvement with matters likely to be reviewed by the Board.

Nominations will be evaluated on the basis of several criteria, including: the professional background, expertise and experience that would contribute to the diversity of perspectives of the committee; interpersonal, verbal and written communication skills and other attributes that would contribute to the HSRB's collaborative process; consensus building skills; absence of any financial conflicts of interest or the appearance of a lack of impartiality, or lack of independence, or bias; and the availability to attend meetings and administrative sessions, participate in teleconferences, develop policy recommendations to the Administrator, and prepare recommendations and advice in reports.

Nominations should include a resume or curriculum vitae providing the nominee's educational background, qualifications, leadership positions in

national associations or professional societies, relevant research experience and publications along with a short (one page) biography describing how the nominee meets the above criteria and other information that may be helpful in evaluating the nomination, as well as the nominee's current business address, email address, and daytime telephone number. Interested candidates may self-nominate.

To help the Agency in evaluating the effectiveness of its outreach efforts, nominees are requested to inform the Agency of how you learned of this opportunity.

Final selection of HSRB members is a discretionary function of the Agency and will be announced on the HSRB Web site at <http://www.epa.gov/osa/hsrb/index.htm> as soon as selections are made.

FEDERAL DEPOSIT INSURANCE CORPORATION

Determination of Insufficient Assets To Satisfy Claims Against Financial Institution in Receivership

AGENCY: Federal Deposit Insurance Corporation (FDIC).

ACTION: Notice.

SUMMARY: The FDIC has determined that insufficient assets exist in the receivership of K Bank, Randallstown, Maryland, to make any distribution on general unsecured claims, and therefore such claims will recover nothing and have no value.

DATES: The FDIC made its determination on June 4, 2013.

FOR FURTHER INFORMATION CONTACT: If you have questions regarding this notice, you may contact an FDIC Claims Agent at (972) 761-8677. Written correspondence may also be mailed to FDIC as Receiver of K Bank, Attention: Claims Agent, 1601 Bryan Street, Dallas, Texas 75201.

SUPPLEMENTARY INFORMATION: On November 5, 2010, K Bank, Randallstown, Maryland, (FIN #10308) was closed by the Maryland Office of Financial Regulation, and the Federal Deposit Insurance Corporation ("FDIC") was appointed as its receiver ("Receiver"). In complying with its statutory duty to resolve the institution in the method that is least costly to the deposit insurance fund (see 12 U.S.C. 1823(c)(4)), the FDIC facilitated a transaction with Manufacturers and Traders Trust Company ("M&T Bank"), Buffalo, New York, to assume all of the deposits (excluding brokered deposits) and most of the assets of the failed institution.

Section 11(d)(11)(A) of the FDI Act, 12 U.S.C. 1821(d)(11)(A), sets forth the order of priority for distribution of amounts realized from the liquidation or other resolution of an insured depository institution to pay claims. Under the statutory order of priority, administrative expenses and deposit liabilities must be paid in full before any distribution may be made to general unsecured creditors or any lower priority claims.

As of March 31, 2013, the maximum value of assets that could be available for distribution by the Receiver, together with maximum possible recoveries on professional liability claims was \$135,461,147. As of the same date, administrative expenses and depositor liabilities equaled \$247,721,021, exceeding available assets and potential recoveries by \$112,259,874. Accordingly, the FDIC has determined

that insufficient assets exist to make any distribution on general unsecured claims (and any lower priority claims) and therefore all such claims, asserted or unasserted, will recover nothing and have no value.

Federal Deposit Insurance Corporation.
