(repealed by the Deficit Reduction Act

administrative procedures under which
antidumping and countervailing duties
assessed on imported products are
distributed to affected domestic
producers that petitioned for or
supported the issuance of the order
under which the duties were assessed.
The amount of any distribution afforded
to these domestic producers is based
upon certain qualifying expenditures
that they incur after the issuance of the
order or finding up to the effective date
of the CDSOA's repeal, October 1, 2007.
This distribution is known as the
continued dumping and subsidy offset.
The claims process for the CDSOA
