

the objectives of Section 6(b)(1)<sup>61</sup> in particular, in that it enables NYSE Arca to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Exchange Act, the rules and regulations thereunder, and the rules of NYSE Arca. With respect to the ability of the Commission to enforce the Exchange Act as it applies to the U.S. Regulated Subsidiaries after the Merger, the U.S. Regulated Subsidiaries will operate in the same manner following the Merger as they operate today. Thus, the Commission will continue to have plenary regulatory authority over the U.S. Regulated Subsidiaries, as is the case currently with these entities. The Proposed Rule Change is consistent with and will facilitate an ownership structure that will provide the Commission with appropriate oversight tools to ensure that the Commission will have the ability to enforce the Exchange Act with respect to each U.S. Regulated Subsidiary, its direct and indirect parent entities and its directors, officers, employees and agents to the extent they are involved in the activities of such U.S. Regulated Subsidiary.

NYSE Arca also believes that this filing furthers the objectives of Section 6(b)(5) of the Exchange Act<sup>62</sup> because the Proposed Rule Change summarized herein would be consistent with and facilitate a governance and regulatory structure that is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to, and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

NYSE Arca does not believe that the Proposed Rule Change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The Proposed Rule Change is not designed to address any competitive issue in the U.S. or European securities markets or have any impact on competition in those markets; rather, it

will combine the U.S. equities businesses of NYSE Euronext with the commodities and futures businesses of ICE. The ownership of U.S. securities exchanges will not become more concentrated as a result of the Proposed Rule Change because ICE currently owns no U.S. securities exchange. With respect to operations outside the United States, ICE has informed NYSE Euronext that it expects the derivatives business of LAM will be gradually transitioned to ICE Futures Europe, as discussed above, but such transition is subject to regulatory approval in the United Kingdom.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others*

No written comments were solicited or received with respect to the proposed rule change.

#### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) By order approve or disapprove the proposed rule change, or
- (B) Institute proceedings to determine whether the proposed rule change should be disapproved.

## **SECURITIES AND EXCHANGE COMMISSION**

[Release No. 34-69846; File No. SR-BOX-2013-33]

**Self-Regulatory Organizations; BOX Options Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Amend Interpretive Material to Rule 7150 (Price Improvement Period "PIP") to Extend a Pilot Program that Permits the Exchange to Have no Minimum Size Requirement for Orders Entered into the PIP ("PIP Pilot Program")**

June 25, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934

<sup>61</sup> 15 U.S.C. 78f(b)(1).

<sup>62</sup> 15 U.S.C. 78f(b)(5).

<sup>63</sup> 17 CFR 200.30-3(a)(12).

(“Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on June 21, 2013, BOX Options Exchange LLC (the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

### **I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change**

The Exchange proposes to amend Interpretive Material to Rule 7150 (Price Improvement Period “PIP”) to extend a pilot program that permits the Exchange to have no minimum size requirement for orders entered into the PIP (“PIP Pilot Program”). The text of the proposed rule change is available from the principal office of the Exchange, at the Commission’s Public Reference Room and also on the Exchange’s Internet Web site at <http://boxexchange.com>.

### **II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

#### **A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

##### **1. Purpose**

The purpose of the proposed rule change is to extend the PIP Pilot Program for twelve additional months. The PIP Pilot Program allows the Exchange to have no minimum size requirement for orders entered into the PIP.<sup>3</sup> The Exchange has committed to

provide certain data to the Commission during the PIP Pilot Program.<sup>4</sup> The proposed rule change retains the text of IM-7150-1 to Rule 7150 and seeks to extend the operation of the PIP Pilot Program until July 18, 2014.

The Exchange notes that the PIP Pilot Program guarantees Participants the right to trade with their customer orders that are less than 50 contracts. In particular, any order entered into the PIP is guaranteed an execution at the end of the auction at a price at least equal to the national best bid or offer. In further support of this proposed rule change, the Exchange will submit to the Commission monthly a PIP Pilot Program Report, offering detailed data from, and analysis of, the PIP Pilot Program. Specifically, the Exchange believes that, by extending the expiration of the PIP Pilot Program, the proposed rule change will allow for further analysis of the PIP Pilot Program and a determination of how the PIP Pilot Program shall be structured in the future.

##### **2. Statutory Basis**

The Exchange believes that the proposal is consistent with the requirements of Section 6(b) of the Act,<sup>5</sup> in general, and Section 6(b)(5) of the Act,<sup>6</sup> in particular, in that it is designed to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism for a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange believes that the data demonstrates that there is sufficient investor interest and demand to extend the PIP Pilot Program for an additional twelve months. The Exchange represents that the Pilot Program is designed to provide investors with real and significant price improvement regardless of the size of the order.

#### **B. Self-Regulatory Organization’s Statement on Burden on Competition**

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. Specifically,

the Exchange believes that, by extending the expiration of the PIP Pilot Program, the proposed rule change will allow for further analysis of the PIP Pilot Program and a determination of how the PIP Pilot Program shall be structured in the future. In doing so, the proposed rule change will also serve to promote regulatory clarity and consistency, thereby reducing burdens on the marketplace and facilitating investor protection.

#### **C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others**

The Exchange has neither solicited nor received comments on the proposed rule change.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act<sup>7</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>8</sup>

A proposed rule change filed under Rule 19b-4(f)(6)<sup>9</sup> normally does not become operative for 30 days after the date of filing. However, pursuant to Rule 19b-4(f)(6)(iii)<sup>10</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requested that the Commission waive the 30-day operative delay. The Exchange noted that such waiver will permit the PIP Pilot Program to continue without interruption.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, as it will allow the pilot program to continue uninterrupted, thereby avoiding any potential investor confusion that could result from a temporary interruption in the pilot program. Further, the

<sup>7</sup> 15 U.S.C. 78s(b)(3)(A)(ii).

<sup>8</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires the Exchange to give the Commission written notice of the Exchange’s intent to file the proposed rule change along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Commission deems this requirement to have been met.

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

<sup>3</sup> The Pilot Program is currently set to expire on July 18, 2013. See Securities Exchange Act Release Nos. 66871 (April 27, 2012) 77 FR 26323 (May 3, 2012) (File No.10-206, In the Matter of the Application of BOX Options Exchange LLC for Registration as a National Securities Exchange Findings, Opinion, and Order of the Commission) and 67255 (June 26, 2012) 77 FR 39315 (July 2,

2013) (SR-BOX-2012-009) (Notice of Filing and Immediate Effectiveness of a Proposal To Extend a Pilot Program That Permits BOX to Have No Minimum Size Requirement for Orders Entered Into the Price Improvement Period).

<sup>5</sup> 15 U.S.C. 78f(b).

<sup>6</sup> 15 U.S.C. 78f(b)(5).

Commission notes that, because the filing was submitted for immediate effectiveness on June 21, 2013, the fact that the current rule provision does not expire until July 18, 2013 will afford interested parties the opportunity to comment on the proposal before the Exchange requires it to become operative. For this reason, the Commission designates the proposed rule change to be operative on July 18, 2013.<sup>11</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

On June 7, 2012, the Commission approved FINRA Rule 5123 ("Private Placements of Securities" or the "Rule"),<sup>4</sup> which requires that members file with FINRA any private placement memorandum, term sheet or such other offering document as exists in connection with a specified private placement in which the member participates. Specifically, the Rule provides that each member that sells a security in a non-public offering in reliance on an available exemption from registration under the Securities Act of 1933 (*i.e.*, a private placement) must: (1) Submit to FINRA, or have submitted on its behalf by a designated member, a copy of any private placement memorandum, term sheet or other offering document, including any materially amended versions thereof, used in connection with such sale within 15 calendar days of the date of first sale; or (2) indicate to FINRA that no such offering documents were used.
