SUPPLEMENTARY INFORMATION: This notice informs the public that HUD has submitted to OMB a request for approval of the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on *December 28, 2012*.

A. Overview of Information Collection

Title of Information Collection: Implementation of the Housing for Older Persons Act of 1995 (HOPA).

OMB Approval Number: 2529–0046.

Type of Request: Reinstatement without change of a previously approved collection.

Form Number: None.

Description of the need for the information and proposed use: The Fair Housing Act [42 U.S.C. 3601 et seq.], prohibits discrimination in the sale, rental, occupancy, advertising, insuring, or financing of residential dwellings based on *familial status* (individuals living in households with one or more children under 18 years of age). However, under § 3607(b)(2) of the Act, Congress exempted three (3) categories of “*housing for older persons*” from liability for familial status discrimination: (1) Housing provided under any State or Federal program which the Secretary of HUD determines is “*specifically designed and operated to assist elderly persons (as defined in the State or Federal program)*”; (2) housing “*intended for, and solely occupied by persons 62 years of age or older*”; and (3) housing “*intended and operated for occupancy by at least one person 55 years of age or older per unit [‘55 or older’ housing]*”. In December 1995, Congress passed the Housing for Older Persons Act of 1995 (HOPA) [Pub. L. 104–76, 109 STAT. 787] as an amendment to the Fair Housing Act. The HOPA modified the “55 or older” housing exemption provided under § 3607(b)(2)(C) of the Fair Housing Act by eliminating the requirement that a housing provider must offer “*significant facilities and services specifically designed to meet the physical or social needs of older persons.*” In order to qualify for the HOPA exemption, a housing community or facility must meet each of the following criteria: (1) *At least 80 percent of the occupied units in the community or facility must be occupied by at least one person who is 55 years of age or older;* (2) the housing provider must publish and adhere to policies and procedures that demonstrate the *intent* to operate housing for persons 55 years of age or older; and (3) the housing provider must demonstrate compliance with “*rules issued by the Secretary for verification of occupancy, which shall . . . provide for [age] verification by reliable surveys and affidavits.*”

The HOPA did not significantly increase the record-keeping burden for the “55 or older” housing exemption. It describes in greater detail the documentary evidence which HUD will
