BILLING CODE 9111–14–P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR–5681–N–29]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Juanita Perry, Department of Housing and Urban Development, 451 Seventh

Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Office of Enterprise Support Programs, Program Support Center, HHS, room 12-07, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For

complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Air Force*: Mr. Robert Moore, Air Force Real Property Agency, 2261 Hughes Avenue, Suite 156, Lackland AFB, TX, 78236-9852, (210)-395-9512; *Army*: Ms. Veronica Rines, Office of the Assistant Chief of Staff for Installation Management, Department of Army, Room 5A128, 600 Army Pentagon, Washington, DC 20310, (571)-256-814; *GSA*: Mr. Flavio Peres, General Services Administration, Office of Real Property Utilization and Disposal, 1800 F Street NW., Room 7040 Washington, DC 20405, (202) 501-0084; (These are not toll-free numbers).

Dated: July 11, 2013.

Mark Johnston,

Deputy Assistant Secretary for Special Needs.

Notice of Availability of the Draft Environmental Impact Statement for the Sonoran Valley Parkway, Maricopa County, AZ

AGENCY: Bureau of Land Management,
 Interior.

ACTION: Notice of availability.

SUMMARY: In accordance with the National Environmental Policy Act of 1969, as amended (NEPA), the Bureau of Land Management (BLM) has prepared a Draft Environmental Impact Statement (EIS) for the proposed Sonoran Valley Parkway Project (Parkway) and by this notice is announcing the opening of the comment period.

DATES: To ensure that comments will be considered, the BLM must receive written comments on the Draft EIS for the Parkway within 45 days following the date the Environmental Protection Agency publishes its Notice of Availability in the **Federal Register**. The BLM will announce future meetings and any other public involvement activities at least 15 days in advance through public notices, media releases, and/or mailings.

ADDRESSES: You may submit comments related to the proposed Parkway by any of the following methods:

- **Web site:** http://www.blm.gov/az/st/en/prog/lands_realty/svpp-eis.html.
- **Email:** BLM_AZ_SVPP@blm.gov.
- **Fax:** 623-580-5500.
- **Mail:** BLM Phoenix District Office, Lower Sonoran Field Office, Attention: Kathleen Depukat, Project Manager/ Sonoran Valley Parkway, 21605 North 7th Avenue, Phoenix, AZ 85027-2929.

Copies of the Draft EIS for the proposed Parkway are available in the Phoenix District Office at the above

address; the BLM Arizona State Office, One North Central Avenue, Suite 800, Phoenix, AZ 85004; and public library branches in Goodyear, Maricopa, and Avondale, Arizona, as noted in the **SUPPLEMENTARY INFORMATION** section.

FOR FURTHER INFORMATION CONTACT:

Kathleen Depukat, BLM Phoenix District Project Manager; telephone 623-580-5681; address 21605 North 7th Avenue, Phoenix, AZ 85027-2929; email kdepukat@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The City of Goodyear submitted an application for a permanent 250-foot wide right-of-way (ROW) to the BLM for the construction and operation of a two to six-lane, approximately 15- to 18-mile-long Parkway. The proposed Parkway would connect residents of the annexed lands of Goodyear's Sonoran Valley Planning Area to the Goodyear, Arizona city center, Maricopa County, Arizona. The total length of the proposed Parkway depends on the Alternative and/or Sub-alternative selected and authorized by the BLM. The Parkway is proposed to be built in three phases of two lanes each. The timeframe for the phased construction will be determined based on current and future growth in the area. The first phase of the proposed Parkway will be built as soon as funding can be obtained by the City of Goodyear.

The majority of the proposed Parkway would be located on the BLM lands administered by the Lower Sonoran Field Office; the remainder would occur on private and Arizona State Land Department lands. The BLM-managed lands within the proposed Parkway area are managed under the Lower Sonoran Resource Management Plan. The proposed Parkway would commence at the intersection of Rainbow Valley Road and Riggs Road and run in a southeasterly direction, within the eastern and northern portion of the existing El Paso Natural Gas designated multi-use utility corridor, to State Route (SR) 238 at a point just west of the community of Mobile, Arizona.

The BLM's purpose and need for this action is to respond to Goodyear's application under Title V of the Federal Land Policy and Management Act of 1976 (FLPMA) (43 USC 1761 *et seq.*), for a ROW grant to construct, operate, and

maintain a proposed two- to six-lane Parkway in compliance with FLPMA, the BLM ROW regulations, and other applicable Federal laws. The BLM will decide whether to approve, approve with modification, or deny the issuance of a ROW grant to Goodyear for the proposed Parkway.

The BLM published a Notice of Intent (NOI) to prepare an EIS on April 2, 2008, in the Federal Register (73 FR 17995). Publication of the NOI began a 30-day scoping period, which ended on May 1, 2008. The BLM provided a Web site with project information that also described the various methods of providing public comment on the project, including an email address for the BLM to receive scoping comments electronically. Notifications for public scoping meetings were posted on the BLM's Web site. Additionally, notices were announced in the **Federal Register** on April 2, 2008, and published in a legal ad in the City of Goodyear's *InFocus* Newsletter in May 2008; postcards were mailed to the BLM stakeholder list on May 7-9, 2009.

Public Scoping Meetings were held on May 28, 2009, at the Goodyear City Hall and on May 29, 2008, at the Global Water Conference Center in Maricopa and the Mobile Elementary School in Mobile, Arizona. Attendees were documented using a voluntary sign-in sheet showing 7 attendees at the City of Goodyear, 9 attendees at the Global Water Conference Center, and 16 attendees at the Mobile Elementary School. A contractor documented the questions and public comments made at the three scoping meetings. Attendees included residents from Phoenix, Maricopa, Mobile, and Goodyear, Federal and State agency representatives, tribes, and a public citizens' group.

Seventeen comment letters or emails were received within the scoping period. The issues addressed in the Draft EIS that shaped the Parkway's scope and proposed alternatives include air resources, cultural and heritage resources, paleontological resources, soil resources, vegetation resources, visual resources, water resources, wildland fire management, wildlife and special status species, lands and realty, livestock grazing, recreation management, travel management, special designations, noise, hazardous materials and public safety, and social and economic conditions.

In addition to the Proposed Action (Alternative A) and No Action Alternative, the Draft EIS for the Parkway considers two proposed Action Alternatives and two proposed Action Sub-alternative routes that were
