BILLING CODE 8011–01–P**SOCIAL SECURITY ADMINISTRATION****[Docket No. SSA–2013–0030]****Modifications to the Disability
Determination Procedures; Extension
of Testing of Some Disability Redesign
Features****AGENCY:** Social Security Administration.**ACTION:** Notice of the extension of tests involving modifications to the disability determination procedures.

SUMMARY: We are announcing the extension of tests involving modifications to disability determination procedures authorized by 20 CFR 404.906 and 416.1406. These rules authorize us to test several modifications to the disability determination procedures for adjudicating claims for disability insurance benefits under title II of the Social Security Act (Act) and for supplemental security income payments based on disability under title XVI of the Act.

DATES: We are extending our selection of cases to be included in these tests from September 27, 2013 until no later than September 26, 2014. If we decide to continue selection of cases for these tests beyond this date, we will publish another notice in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Janet Truhe, Office of Disability Programs, Social Security Administration, 6401 Security Boulevard, Baltimore, MD 21235–6401, (410) 966–7203, for information about this notice. For information on eligibility or filing for benefits, call our national toll-free number, 1–800–772–1213 or TTY 1–800–325–0778, or visit our Internet site, Social Security Online, at <http://www.socialsecurity.gov>.

SUPPLEMENTARY INFORMATION: Our current rules authorize us to test, individually or in any combination, certain modifications to the disability determination procedures. 20 CFR 404.906 and 416.1406. We conducted several tests under the authority of these rules. In the “single decisionmaker” test, a disability examiner may make the initial disability determination in most cases without obtaining the signature of a medical or psychological consultant. We also conducted a separate test, which we call the “prototype,” in 10 States. 64 FR 47218. Currently, the

prototype combines the single decisionmaker approach described above with the elimination of the reconsideration level of our administrative review process.

We extended the time period for selecting claims for these tests several times. Most recently, we extended the time from September 28, 2012 to September 27, 2013. 77 FR 35464. We are extending case selection for the prototype and the single decisionmaker tests until September 26, 2014. If we decide to end any part of these tests in any of the 10 States in which we are conducting the tests prior to September 26, 2014, we will publish another notice in the **Federal Register**.

Acting under the authority of and in accordance with section 1(b) of Executive Order 13224 of September 23, 2001, as amended by Executive Order 13268 of July 2, 2002, and Executive Order 13284 of January 23, 2003, I hereby determine that the individual known as Bulut Yayla, committed, or poses a significant risk of committing, acts of terrorism that threaten the security of U.S. nationals or the national security, foreign policy, or economy of the United States.

Consistent with the determination in Section 10 of Executive Order 13224 that "prior notice to persons determined to be subject to the Order who might have a constitutional presence in the United States would render ineffectual the blocking and other measures authorized in the Order because of the ability to transfer funds instantaneously," I determine that no prior notice needs to be provided to any person subject to this determination who might have a constitutional presence in the United States, because to do so would render ineffectual the measures authorized in the Order.

This notice shall be published in the **Federal Register**.
