

Register no later than five days before the effective date of such waiver.

1. *Waiver to permit some activities in support of the tourism industry (State of New York only).* In the notice published on April 19, 2013, the Department granted the State of New York a waiver to allow the State to fund certain tourism activities within the counties most impacted and distressed by Hurricane Sandy. This notice broadens that waiver to allow the State to fund certain tourism activities within counties receiving a Presidential disaster declaration in response to Hurricane Irene and/or Tropical Storm Lee.

Tourism in Irene/Lee-impacted counties generates approximately \$14 billion each year. In the 30 counties affected by Hurricane Irene and Tropical Storm Lee, 11,000 businesses were impacted, accounting for 138,000 jobs. During this same time period, 13 of the impacted counties (located in the Adirondacks, Southern Tier and Central New York) experienced an economic loss of approximately \$108 million in direct visitor spending and positive impact on state and local taxes. Without this waiver, the State estimates that the economic recovery in these areas will continue to significantly lag behind the pre-storm average growth rates, resulting in job loss and business closures.

Thus, HUD is broadening its previous waiver: 42 U.S.C. 5305(a) and 24 CFR 570.489(f) are waived only to the extent necessary to allow the State to expend up to \$3 million (of the \$30 million already approved by the Department) for the tourism industry to promote tourism in counties in receipt of a Presidential disaster declaration in response to Hurricane Irene and/or Tropical Storm Lee. Thus, this notice allows CDBG-DR funds to be used to promote a community or communities in general, provided the assisted activities are designed to support tourism within areas designated major disaster areas as a result of Hurricane Irene or Tropical Storm Lee. In addition, per the April 19, 2013, notice, the State of New York may use CDBG-DR funds to promote a community or communities in general, provided the assisted activities are designed to support tourism to the most impacted and distressed areas related to the effects of Hurricane Sandy. This waiver will expire at the end of the State's two-year expenditure period.

2. *Use of "uncapped" income limits (State of New Jersey only).* The State of New Jersey plans to initially target disaster recovery funds to low- and moderate-income households and has engaged in targeted outreach to ensure

these households, particularly in high cost areas, can receive recovery funding. To ensure that all eligible households that are low- and moderate-income have equal access to resources, the State requested a waiver to allow all of the nine most impacted counties within the State to use HUD's "uncapped income limits" to better reflect the population of low- and moderate-income households in those areas.

The Quality Housing and Work Responsibility Act of 1998 (Title V of Pub. L. 105-276) enacted a provision that directed the Department to grant exceptions to at least 10 jurisdictions that are currently "capped" under HUD's low and moderate-income limits. Under this exception, a number of CDBG entitlement grantees may use "uncapped" income limits that reflect 80 percent of the actual median income for the area. Typically, average incomes (and thus the cost of living, including home values) in these entitlement grantees are significantly higher than in surrounding areas. By using uncapped income limits, grantees are better able to identify and assist those households considered to be low- to moderate-income for that particular area.

In the **Federal Register** notice dated March 5, 2013, the Department noted that the uncapped limits apply to disaster recovery activities funded pursuant to this notice in jurisdictions covered by the uncapped limits, including jurisdictions that receive disaster recovery funds from the State. While there are New Jersey counties that were most impacted by Hurricane Sandy that currently use the "uncapped" income limits, there are several that do not use the uncapped limits. The State's efforts to target CDBG resources to low- and moderate-income households means that those counties that already have the uncapped income limits (and thus more households that may be designated as low- and moderate-income) have a greater likelihood of receiving funding than counties that do not have the uncapped income limits despite having similar income demographics.

This notice imposes an alternative requirement to the applicable U.S. median family income cap on income limits that will apply to the State of New Jersey. The alternative requirement extends the exemption permitting the use of the uncapped income limits to all of the nine most impacted counties that were impacted by Hurricane Sandy within the State of New Jersey to ensure that households that are low- and moderate-income have equal opportunities to access funds. More information about this exemption can be

found on HUD's Web site at <http://www.hud.gov/offices/cpd/systems/census/lowmod/uncapped.cfm>.

III. Catalog of Federal Domestic Assistance

The Catalog of Federal Domestic Assistance number for the disaster recovery grants under this notice is 14.269.

IV. Finding of No Significant Impact

The FONSI is available for public inspection between 8 a.m. and 5 p.m. weekdays in the Regulations Division, Office of General Counsel, Department of Housing and Urban Development, 451 7th Street SW., Room 10276, Washington, DC 20410-0500. [Docket No. FR-5681-N-31]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these

telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Office of Enterprise Support Programs, Program Support Center, HHS, Room 12-07, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule

governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Agriculture:* Ms. Brenda Carignan, Department of Agriculture, Reporters Building, 300 7th Street SW., Room 337, Washington, DC 20024, (202)-401-0787; *Coast Guard:* Commandant, United States Coast Guard, Attn: Jennifer Stomber, 2100 Second St. SW., Stop 7901, Washington, DC 20593-0001; (202) 475-5609; *COE:* Mr. Scott Whiteford, Army Corps of Engineers, Real Estate, CEMP-CR, 441 G Street NW., Washington, DC 20314; (202) 761-5542; *GSA:* Mr. Flavio Peres, General Services Administration, Office of Real Property Utilization and Disposal, 1800 F Street NW., Room 7040 Washington, DC 20405, (202) 501-0084; *NASA:* Mr. Frank T.
