#### SUPPLEMENTARY INFORMATION:

*Title:* Importation and Exportation of Meat and Poultry Products.

*OMB Control No.:* 0583–0094.

*Expiration Date:* 3/31/13.

*Type of Request:* Extension of an approved information collection.

*Abstract:* FSIS has been delegated the authority to exercise the functions of the Secretary of Agriculture (7 CFR 2.18, 2.53) as specified in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601, *et seq.*) and the Poultry Products and Inspection Act (PPIA) (21 U.S.C. 451, *et seq.*). FSIS protects the public by verifying that meat and poultry products are safe, wholesome, not adulterated, and correctly labeled.

FSIS is planning to request an extension of this approved information collection because it is due to expire on March 31, 2013.

Unless accounted for in an establishment's HACCP plan, meat and poultry products not marked with the mark of inspection and shipped from one official establishment to another for further processing must be transported under USDA seal to prevent such unmarked product from entering into commerce (9 CFR 325.5). To track product shipped under seal, FSIS requires shipping establishments to complete FSIS Form 7350–1 that identifies the type, amount, and weight of the product.

Foreign countries exporting meat and poultry products to the United States must establish eligibility for importation

of product into the U.S., and annually certify that their inspection systems are “equivalent to” the U.S. inspection system (9 CFR 327.2 and 381.196). Additionally, meat and poultry products intended for import into the U.S. must be accompanied by a certificate, signed by an official of the foreign government, stating that the products have been produced by certified foreign establishments (9 CFR 327.2 and 381.197).

Maintenance of eligibility of a country for importation of products into the U.S. depends on the results of periodic reviews of each establishment listed in the certification (9 CFR 327.2 and 381.196). A written report must be prepared by the representative of the foreign government documenting the findings with respect to the effective operation of the system.

Meat and poultry products exported to the U.S. must be accompanied by a certificate signed by a responsible official of the exporting country (9 CFR 327.4 and 381.197).

Import establishments that wish to pre-stamp imported product with the inspection legend prior to FSIS inspection must submit a letter to FSIS requesting approval to do so (9 CFR 327.10(d) and 381.204).

FSIS has made the following estimates on the basis of an information collection assessment.

*Estimate of Burden:* FSIS estimates that it takes each respondent an average of 20.9 hours per year to complete the forms and documents described above.

*Respondents:* Importers, establishments, foreign governments.

*Estimated No. of Respondents:* 136.

*Estimated No. of Annual Responses per Respondent:* 650.

*Estimated Total Annual Burden on Respondents:* 2,846 hours.

Copies of this information collection assessment can be obtained from John O'Connell, Paperwork Reduction Act Coordinator, Food Safety and Inspection Service, USDA, 1400 Independence SW., Room 6065, South Building, Washington, DC 20250; phone: (202) 720–0345.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of FSIS's functions, including whether the information will have practical utility; (b) the accuracy of FSIS's estimate of the burden of the proposed

collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques, or other forms of information technology. Comments may be sent both to FSIS, at the addresses provided above, and to the Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20253.

Responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.
