Total Annual Burden: 38 hours.

Total Annual Cost: N/A.

Privacy Impact Assessment: N/A.

Nature and Extent of Confidentiality: There are no questions of a confidential nature.

Needs and Uses: The Commission will be submitting this expiring information collection to the Office of Management and Budget (OMB) for approval of an extension request (no change in the public reporting requirement).

The Commission has compiled and maintains a database of Public Safety Answering Points (PSAPs) throughout the nation as part of its efforts to support implementation of E911 across the nation. The information sought in this information collection is needed to enable the FCC to ensure that commercial service providers have an accurate inventory of E911 PSAPs.

In order to populate the database with accurate information, the Commission periodically sends out letters to state officials requesting specific data:

- (1) The number and location of the PSAP;
- (2) The contact information for each PSAP;
- (3) An assessment of each PSAPs state of readiness to accept wireless E911 location information; and
- (4) A statement of whether each PSAP has requested Phase I and/or Phase II E911 service.

The Commission's Public Safety and Homeland Security Bureau seeks the information to verify the accuracy of the information in the PSAP database by obtaining information for data elements that it has recently found to be missing or to have been accurately include in the initial PSAP database supplied to the Commission. Corrected information and additional evaluative information may be needed on a highest priority basis to ensure the integrity of the database.

In a *Memorandum Opinion and Order (MO&O)*, FCC 07-103, the Commission denied a petition for rulemaking to extend the requirement that all cellular radiotelephone licensees provide analog service to subscribers and roamers whose equipment conforms to the Advanced Mobile Phone Service (AMPS) standard. This requirement sunset on February 29, 2008. In the *MO&O*, the Commission also directed cellular radiotelephone service licensees to notify their remaining analog subscribers of the sunset date and of their intention to discontinue AMPS-compatible analog service at least four months before such discontinuance, and a second time, at least 30 days before such discontinuance (the "consumer-notice requirement").

The consumer-notice requirement will ensure that the remaining analog cellular service subscribers, including persons with hearing disabilities, are fully apprised of the sunset of the analog cellular service requirement.
