### Foreign-Trade Zones Board

[Order No. 1911]

#### Expansion of Foreign-Trade Zone 75 Under Alternative Site Framework; Phoenix, Arizona

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a–81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

*Whereas*, the Board adopted the alternative site framework (ASF) (15 CFR 400.2(c)) as an option for the establishment or reorganization of zones;

*Whereas*, the City of Phoenix, grantee of Foreign-Trade Zone 75, submitted an application to the Board (FTZ Docket B–87–2012, docketed 12–07–2012) for authority to expand the zone under the ASF to include an additional magnet site, proposed Site 9, within the Phoenix, Arizona U.S. Customs and Border Protection port of entry;

*Whereas*, notice inviting public comment was given in the **Federal Register** (77 FR 74457–74458, 12–14–2012) and the application has been processed pursuant to the FTZ Act and the Board's regulations; and,

*Whereas*, the Board adopts the findings and recommendations of the examiner's report, and finds that the requirements of the FTZ Act and the Board's regulations are satisfied;

*Now, therefore*, the Board hereby orders:

The application to expand FTZ 75 under the ASF is approved, subject to the FTZ Act and the Board's regulations, including Section 400.13, to the Board's standard 2,000-acre activation limit for the zone, and to a five-year ASF sunset provision for magnet sites that would terminate authority for Site 9 if not activated by August 31, 2018.

Signed at Washington, DC, this 19th day of August 2013.

**Paul Piquado,**

*Assistant Secretary of Commerce for Import Administration, Alternate Chairman, Foreign-Trade Zones Board.*

### Foreign-Trade Zones Board

[B–39–2013]

#### Foreign-Trade Zone 265—Conroe, Texas: Authorization of Production Activity; Bauer Manufacturing Inc. (Foundation Casings and Tools/Accessories for Pile Drivers and Boring Machinery), Conroe, Texas

On April 18, 2013, the City of Conroe, Texas, grantee of FTZ 265, submitted a notification of proposed production activity to the Foreign-Trade Zones (FTZ) Board on behalf of Bauer Manufacturing Inc., within FTZ 265—Site 1, in Conroe, Texas.

The notification was processed in accordance with the regulations of the FTZ Board (15 CFR part 400), including notice in the **Federal Register** inviting public comment (78 FR 25699, 5–2–2013). The FTZ Board has determined that no further review of the activity is warranted at this time. The production activity described in the notification is authorized, subject to the FTZ Act and the Board's regulations, including Section 400.14.

Dated: August 10, 2013.

[A–428–602]

#### Brass Sheet and Strip from Germany: Rescission of Antidumping Duty Administrative Review; 2012–2013

**AGENCY:** Import Administration, International Trade Administration, U.S. Department of Commerce.

**SUMMARY:** The Department of Commerce (the Department) is rescinding the administrative review of the antidumping duty order on brass sheet and strip from Germany for the period March 1, 2012, through February 28, 2013.

**DATES:** *Effective Date:* August 26, 2013.

#### FOR FURTHER INFORMATION CONTACT:

George McMahon, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–1167.

#### SUPPLEMENTARY INFORMATION:

## Background

On May 1, 2013, the Department initiated an administrative review of brass sheet and strip from Germany covering the period March 1, 2012, through February 28, 2013,<sup>1</sup> based on a request by Petitioners.<sup>2</sup> The review covers ten companies.<sup>3</sup>

Petitioners timely withdrew their request for an administrative review of these companies on July 30, 2013.

## Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the *Initiation Notice*. In this case, Petitioners withdrew their request within the 90-day deadline and no other parties requested an administrative review of the antidumping duty order. Therefore, we are rescinding the administrative review of brass sheet and strip from Germany covering the period March 1, 2012, through February 28, 2013, of the ten companies listed in the *Initiation Notice*.

## Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all entries of brass sheet and strip from Germany during the period of review. Because the Department is rescinding this administrative review in its entirety, the entries to which this administrative review pertained shall be assessed antidumping duties at rates equal to the cash deposit of estimated antidumping duties required at the time of entry or withdrawal from warehouse for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice.

## Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period.

<sup>1</sup> See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 78 FR 25418 (May 1, 2013) (*Initiation Notice*).

<sup>2</sup> Petitioners are: GBC Metals, LLC of Global Brass and Copper, Inc., dba Olin Brass, Heyco Metals, Inc., Aurubis Buffalo, Inc., PMX Industries, Inc. and Revere Copper Products, Inc.

<sup>3</sup> See *Initiation Notice*, 78 FR at 25420.

Failure to comply with this requirement could result in the Department's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation that is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: August 19, 2013.

### International Trade Administration

#### Application(s) for Duty-Free Entry of Scientific Instruments

Pursuant to Section 6(c) of the Educational, Scientific and Cultural Materials Importation Act of 1966 (Pub. L. 89-651, as amended by Pub. L. 106-36; 80 Stat. 897; 15 CFR part 301), we invite comments on the question of whether instruments of equivalent scientific value, for the purposes for which the instruments shown below are intended to be used, are being manufactured in the United States.

Comments must comply with 15 CFR 301.5(a)(3) and (4) of the regulations and be postmarked on or before September 16, 2013. Address written comments to Statutory Import Programs Staff, Room 3720, U.S. Department of Commerce, Washington, DC 20230. Applications may be examined between 8:30 a.m. and 5:00 p.m. at the U.S. Department of Commerce in Room 3720.

**Docket Number:** 13-025. Applicant: University of Virginia, Wilsdorf Hall, P.O. Box 400745, 395 McCormick Drive, Charlottesville, VA 22904-4745. Instrument: Electron Microscope. Manufacturer: FEI Company, the Netherlands. Intended Use: The instrument will be used to identify the

different phases in materials such as metals and alloys, semiconductors, polymers, and biological specimens, as well as the compositions of certain parts of these materials, the cause of failure in some, and the morphology and/or crystallography of specimens fabricated by various processes. The instrument will be used to analyze the specimens in a high, medium, or low vacuum. Justification for Duty-Free Entry: There are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: May 24, 2013.

**Docket Number:** 13-026. Applicant: Yale University, 850 West Campus Drive, Bldg. ISTC, Room 213C, West Haven, CT 06516. Instrument: Electron Microscope. Manufacturer: JEOL Ltd., Japan. Intended Use: The instrument will be used to develop novel platforms based on self-assembled DNA nanostructures for studying cell biology. DNA nanostructures will be designed by computer-aided design software, and the correctly formed nanostructures will be confirmed using the instrument. Justification for Duty-Free Entry: There are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: June 3, 2013.

**Docket Number:** 13-027. Applicant: United States Army Medical Research Institute of Chemical Defense, 3100 Ricketts Point Road, Aberdeen Proving Ground, MD 21010-5400. Instrument: Electron Microscope. Manufacturer: JEOL Ltd., Japan. Intended Use: The instrument will be used to define the various pathologies associated with exposure to chemical warfare agents, to define a window of opportunity for medical intervention and to assess the success of treatments and countermeasures. The instrument will provide a means of studying the morphology and ultrastructural pathology/cellular morphology of and for characterization of the elemental composition of experimental samples. Justification for Duty-Free Entry: There are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: June 19, 2013.

**Docket Number:** 13-029. Applicant: Arizona State University, P.O. Box 875212, Tempe, AZ 85287-5212. Instrument: Electron Microscope. Manufacturer: FEI Company, the Netherlands. Intended Use: The instrument will be used to observe and understand physical and chemical processes at the most fundamental atomic level. Phenomena to be studied

will include oxidation, reduction, corrosion and nanoparticle growth. The instrument will allow time-resolved *in situ* studies of the dynamic behavior of nanostructured materials, such as complex oxides and metal particle catalysts during exposure to reactive gas environments and elevated temperatures. The instrument is also capable of electron holography, which is a technique that allows nanoscale electric and magnetic fields to be measured and quantified with sub-nanometer resolution. Justification for Duty-Free Entry: There are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: July 9, 2013.

**Docket Number:** 13-032. Applicant: Howard Hughes Medical Institute, 4000 Jones Bridge Road, Chevy Chase, MD 20815. Instrument: Electron Microscope. Manufacturer: FEI Company, Czech Republic. Intended Use: The instrument will be used to examine the ultrastructural organization of complex biological structures to help elucidate the function of biological specimens such as protein complexes, noninfectious virus, and small cells. Justification for Duty-Free Entry: There are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: July 23, 2013.

**Docket Number:** 13-033. Applicant: University of Pittsburgh School of Medicine, 3500 Terrace Street, Biomedical Science Tower, S-225, Pittsburgh, PA 15261. Instrument: Electron Microscope. Manufacturer: JEOL Ltd., Japan. Intended Use: The instrument will be used to study viruses, bacteria, cells, tissues, and biomaterials to examine their ultrastructure, as well as immunologic studies of biological samples analyzing changes in morphology of particles or tissue or localization of proteins within cells and tissues. Justification for Duty-Free Entry: There are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: July 25, 2013.

Dated: August 15, 2013.
