Abstract: This information collection request covers requirements for applications to the School Improvement Grants program. On January 21, 2010, the U.S. Department of Education (Department) published final requirements and a State educational agency (SEA) application for the School Improvement Grants (SIG) program authorized under section 1003(g) of Title I of the Elementary and Secondary Education Act of 1965 (ESEA), as amended, and funded through the Department of Education Appropriations Act, 2009, and the American Recovery and Reinvestment Act of 2009 (ARRA) (FY 2009). The final requirements defined the criteria that an SEA must use to award FY 2013 SIG funds to local educational agencies (LEAs). In awarding these funds, an SEA must give priority to the LEAs with the lowest-achieving schools that demonstrate the greatest need for the funds and the strongest commitment to using the funds to provide adequate resources to their lowest-achieving schools that are eligible to receive services provided through SIG funds in order to raise substantially the achievement of the students attending those schools. The information collection activities consist of: (1) Applications for an SEA to submit to the Department to apply for FY 2013 SIG funds; (2) the reporting of specific school-level data on the use of SIG funds and specific interventions implemented in LEAs receiving SIG funds that the Department currently collects through EDFacts; (3) the process for an LEA to apply to its SEA for SIG funds; and (4) the SEAs posting its LEAs applications on the SEAs Web site.

Acting Director, Information Collection Clearance Division, Privacy, Information and Records Management Services, Office of Management.
