Based on this data the annual reporting burden for the federally insured credit unions is estimated to be 135,074 hours with the proposed revisions.

Title: Suspicious Activity Report by Depository Institutions (SAR).

OMB Control Numbers: 3133–0094.

Form Numbers: 2362.

Abstract: In 1985, the Banking Supervisory Agencies issued procedures to be used by banks and certain other financial institutions operating in the United States to report known or suspected criminal activities to the appropriate law enforcement and Banking Supervisory Agencies. Beginning in 1994, the Banking Supervisory Agencies and FinCEN redesigned the reporting process resulting in the Suspicious Activity Report, which became effective in April 1996. The report is authorized by 12 CFR 748.1 (NCUA). The regulation was issued under the authority contained in Section 1789(a) (NCUA).

Current Action: NCUA proposes to renew, with revision, the previously approved form.

Type of Review: Reinstatement of a previously approved collection.

Affected Public: Business, for-profit institutions, and non-profit institutions.

Estimated Number of Respondents: 6,753.

Estimated Total Annual Responses: 67,537.

Estimated Total Annual Burden: at an estimated 2 hours per form, Total Annual Burden: 135,074 hours.

Records required to be retained under the Bank Secrecy Act and these regulations issued by the Banking Supervisory Agencies must be retained for five years. Generally, information collected pursuant to the Bank Secrecy Act is confidential, but may be shared as provided by law with regulatory and law enforcement authorities.

Request for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the

collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology, and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

OFFICE OF NATIONAL DRUG CONTROL POLICY

Technology Innovations for Substance Abuse and Mental Health Treatment Conference & Related Health Information Technology (HIT) Meeting

AGENCY: Office of National Drug Control Policy.

ACTION: Notice.

Location: Eisenhower Executive Office Building, South Court Auditorium.

DATES: Monday, September 16, 2013; Tuesday September 17, 2013.

Time: 8:00 a.m.–5:00 p.m.; 9:00 a.m.–1:00 p.m.

SUMMARY: The Office of National Drug Control Policy (ONDCP) and the Substance Abuse and Mental Health Administration (SAMHSA) in partnership with the Office of the National Coordinator for Health Information Technology, and the National Institutes of Health's Office of Behavioral and Social Sciences Research, will host a Technology Innovations for Substance Abuse and Mental Health Treatment Conference highlighting promising innovations for treating these disorders. This conference will bring together innovators in technology and health care experts promoting the dissemination of innovative, evidence-based technologies that advance prevention, treatment, and recovery for these disorders. The conference will be held on September 16, 2013 from 8:00 a.m. to 5:00 p.m. in the South Court Auditorium, Eisenhower Executive Office Building, 17th Street and Pennsylvania Avenue NW., Washington DC, 20500.

The goal of this conference is to highlight advances in health information technologies (HIT) for

behavioral health, and promote technology advances and dissemination of evidence-based tools that address patient safety and the advancement of successful prevention, treatment and recovery. The specific conference objectives are to: (1) Promote evidence-based tools to advance treatment of substance use and mental health disorders; (2) advance the Administration's 2010 *National Drug Control Strategy* blueprint and the HIT initiatives at SAMHSA and the Office of the National Coordinator; and (3) encourage the use of technologies to improve health, improve quality of care, and increase patient engagement.

On Tuesday, September 17, SAMHSA and ONDCP are holding a smaller meeting with state representatives and health system administrators on HIT systems to discuss technical issues and obtain experiential and anecdotal information from each of the attendees. This group will not be deliberating or providing consensus advice or recommendations to SAMHSA or ONDCP. The meeting will be held 9:00 a.m. to 1:00 p.m. in the 5th Floor Conference Room of ONDCP at 750 17th Street NW., Washington DC, 20503.

Members of the public who wish to attend on either day are required to call ONDCP's Technology Innovations for Substance Abuse and Mental Health Treatment Conference telephone line at (202) 395–5696 to reserve a seat and arrange building access by no later than Monday, September 9, 2013. Seating for members of the public is limited and will be assigned on a first call, first served basis. The September 16 conference will be live-streamed on-line for members of the public who wish to observe, and conference material will be available to the public following the meeting. NATIONAL TRANSPORTATION SAFETY BOARD

Public Forum—Safety Culture: Enhancing Transportation Safety

On Tuesday and Wednesday, September 10–11, 2013, the National Transportation Safety Board (NTSB) will convene a forum titled, “Safety Culture: Enhancing Transportation Safety.” The forum will begin at 9:00 a.m. on both days and is open to all. Attendance is free, and no registration is required. NTSB Acting Chairman Deborah A.P. Hersman will serve as the Presiding Officer of the forum, and all five NTSB Board Members will serve as members of the Board of Inquiry. The forum is organized into six issue areas:

- Research Perspectives on Organizational Accidents;
- Techniques to Enhance Organizational Safety;
- Non-Transportation Perspectives on Safety Culture;
- Organizational Leadership Perspectives on Safety Culture;
- Safety Culture Management and Oversight in Transportation; and
- Companies and their Safety Culture Experiences.

The forum will address ways of enhancing safety by providing first-hand accounts of efforts from both transportation and non-transportation industries to develop effective safety cultures and to implement specific safety-enhancement techniques. Highlighting progress while recognizing remaining challenges, the invited panelists will discuss advances in safety culture research, and describe the roles, responsibilities, and methods for developing effective safety cultures within their industries.

There will also be a review of some recent organizational accidents that have been investigated by the NTSB. Invited panelists will include researchers, regulators, and industry leaders. Below is the preliminary agenda:

Tuesday, September 10 (9:00 a.m.–5:00 p.m.)

1. Opening Statement by Acting Chairman Hersman.
2. Introduction of the Technical Panels and Panelists.
3. Presentations from Panels One, Two, and Three and questions from the Board of Inquiry and the Technical Panels.
4. Closing Statement by Acting Chairman Hersman.

Wednesday, September 11 (9:00 a.m.–5:00 p.m.)

1. Opening Statement by Acting Chairman Hersman.
2. Introduction of the Technical Panels and Panelists.
3. Presentations from Panels Four, Five, and Six and questions from the Board of Inquiry and the Technical Panels.
4. Closing statement by Acting Chairman Hersman.

The full agenda and a list of participants can be found at: <http://www.nts.gov/news/events/2013/safetyculture/index.html>.

The forum will be held in the NTSB Board Room and Conference Center, located at 429 L’Enfant Plaza E., SW., Washington, DC. The public can view the forum in person or by live webcast at <http://www.nts.gov>. Webcast archives are generally available by the end of the next day following the forum, and webcasts are archived for a period of 3 months after the date of the event.

Individuals requesting specific accommodations should contact Rochelle Hall at rochelle.hall@nts.gov or by telephone at (202) 314–6305 by Friday, September 6, 2013.
