SUPPLEMENTARY INFORMATION:

Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation is available at <http://www.reginfo.gov>. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Information Collection Requirement

Title: Transportation Worker Identification Credential (TWIC) Program.

Type of Request: Revision of a currently approved collection.

OMB Control Number: 1652-0047.

Form(s): TWIC Disclosure and Certification Form, TWIC Pre-Enrollment Application, TWIC Enrollment Application, TWIC Card Replacement or Extended Expiration Date Request, and TWIC Customer Satisfaction Survey.

Affected Public: Individuals requiring unescorted access to facilities and vessels regulated by the Maritime Transportation Security Act (MTSA) and all mariners holding Coast Guard-issued credentials or qualification documents.

Abstract: The data collected will be used for processing TWIC enrollment

and conducting the security threat assessment. At the enrollment center, applicants verify their biographic information and provide identity documentation, biometric information, and proof of immigration status (if required). This information allows TSA to complete a comprehensive security threat assessment. TSA may also use the information to determine a TWIC holder's eligibility to participate in TSA's expedited screening program for air travel, TSA Pre✓™. If TSA determines that the applicant is qualified to receive a TWIC, TSA notifies the applicant that their TWIC is ready for activation. Once activated, this credential will be used for identification verification and access control. TSA also conducts a survey to capture worker overall satisfaction with the enrollment and activation process. This optional customer satisfaction survey is provided at the end enrollment and at the end of the activation process. Additionally, on June 27, 2013, OMB approved a change request allowing TSA to implement a web based option for individuals to order an Extended Expiration Date (EED) TWIC.

Estimated Annual Burden Hours: An estimated 1,233,245 hours annually.
