

any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

There is significant competition for the provision of market data to market participants, as well as competition for the orders that generate that data. In introducing the proposed fees for EdgeBook AttributedSM, the Exchange would be providing a service similar to those already offered by other market centers.²⁹ The existence of such alternatives ensures that the Exchange cannot set unreasonable fees, or fees that are unreasonably discriminatory, without losing business to these alternatives. Thus, as the fees are consistent with those charged by the Exchange's competitors, EdgeBook AttributedSM would promote competition if it succeeds in providing market participants with viable and cost-effective alternatives which drive the market to continually improve products and services to cater to customers' data needs. Accordingly, the Exchange does not believe that the fees for EdgeBook AttributedSM will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from its Members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act³⁰ and paragraph (f) of Rule 19b-4 thereunder.³¹ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Easing the Ban on Imports From Burma

SUMMARY: The Deputy Secretary of State has determined, pursuant to authority delegated by the Secretary of State, that it is in the national interests of the United States to waive the prohibitions described in section 3(a) of the Burmese Freedom and Democracy Act of 2003 (Pub. L. 108–61), as amended (“BFDA”), which requires the President to prohibit the importation of any article that is a product of Burma into the United States, and which the President implemented in section 3 of Executive Order 13310 (July 28, 2003). In conjunction with this waiver determination, the Department of the Treasury’s Office of Foreign Assets Control issued General License (No. 18) on November 16, 2012 authorizing imports into the United States of any article that is a product of Burma, subject to limitations set forth therein.

This step is in the national interest of the United States because it supports those in the Burmese government that have instituted important reforms since early 2011 and encourages the government to make further progress. The waiver of the import ban responds to the Government of Burma’s continued reforms and efforts to address U.S. core concerns, including the release of political prisoners, and other steps on human rights and national reconciliation.

DATES: *Effective Date:* November 15, 2012.
