II. Background

This is an existing policy that is scheduled for review to ensure that Recovery Directorate policies are consistent with current laws and regulations. The proposed policy establishes the criteria by which applicants will be credited for volunteer labor, donated equipment and donated materials used in the performance of eligible emergency work (Categories A and B). A proposed change to the policy will allow the value of mass care and sheltering activities provided by a voluntary agency to be applied to the non-Federal share as a donated resource even when those activities are part of the organization's mission. The proposed policy does not have the force or effect of law.

FEMA seeks comment on the proposed policy, which is available online at <http://www.regulations.gov> in docket ID FEMA–2013–0044. Based on the comments received, FEMA may make appropriate revisions to the proposed policy. Although FEMA will consider any comments received in the drafting of the final policy, FEMA will not provide a response to comments.

When or if FEMA issues a final policy, FEMA will publish a notice of availability in the **Federal Register** and make the final policy available at <http://www.regulations.gov>. The final policy will not have the force or effect of law.

As provided for in the Biggert-Waters Flood Insurance Reform Act of 2012, the TMAC makes recommendations to the FEMA Administrator on how to improve, in a cost-effective manner, the accuracy, general quality, ease of use, and distribution and dissemination of flood insurance rate maps (FIRMs) and risk data; and performance metrics and milestones required to effectively and efficiently map flood risk areas in the United States.

DATES: Applications will be accepted until December 2, 2013.

ADDRESSES: Applications for membership should be submitted by one of the following methods:

- **Email:** FEMA-TMAC@fema.dhs.gov.

- **Mail:** FEMA, Federal Insurance and Mitigation Administration, Risk Analysis Division, Attn: Michael Godesky or Mark Crowell, 1800 South Bell Street, Arlington, VA 20598–3035.

FOR FURTHER INFORMATION CONTACT: Michael Godesky, 1800 South Bell Street, Arlington, Virginia 20598–3035, email: FEMA-TMAC@fema.dhs.gov, phone: 202.646.2752.

SUPPLEMENTARY INFORMATION: The TMAC is an advisory committee that was established by the Biggert-Waters Flood Insurance Reform Act of 2012, 42 U.S.C. 4101a, and in accordance with the provisions of the Federal Advisory Committee Act (FACA), 5 U.S.C. Members of the TMAC will be appointed based on their demonstrated knowledge and competence regarding surveying, cartography, remote sensing, geographic information systems, or the technical aspects of preparing and using FIRMs. To the maximum extent practicable, FEMA will ensure that membership of the TMAC has a balance of Federal, State, local, Tribal, and private members, and includes geographic diversity, including representation from areas with coastline on the Gulf of Mexico and other States containing areas identified by the Administrator as at high risk for flooding or as areas having special flood hazards.
