[30-Day-14-0255]

Agency Forms Undergoing Paperwork Reduction Act Review

The Centers for Disease Control and Prevention (CDC) publishes a list of information collection requests under review by the Office of Management and Budget (OMB) in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these requests, call the CDC Reports Clearance Officer at (404) 639-7570 or send an email to omb@cdc.gov. Send written comments to CDC Desk Officer, Office of Management and Budget, Washington, DC or by fax to (202) 359-5806. Written comments should be received within 30 days of this notice.

Proposed Project

Resources and Services for the CDC National Prevention Information Network—Revision—National Center for HIV/AIDS, Viral Hepatitis, STD, & TB Prevention (NCHHSTP), Centers for Disease Control and Prevention (CDC).

Background and Brief Description

The National Center for HIV/AIDS, Viral Hepatitis, STD, and TB Prevention

(NCHHSTP) proposes to continue data collection for the Resources and Services Database of the CDC National Prevention Information Network and is requesting a 3-year approval of this revised information collection request (ICR).

The CDC, NCHHSTP program has the primary responsibility within the CDC and the U.S. Public Health Service for the prevention and control of HIV infection, viral hepatitis, sexually transmitted diseases (STDs), and tuberculosis (TB), as well as for community-based HIV prevention activities, syphilis and TB elimination programs. To support NCHHSTP's mission and to link Americans to prevention, education, and care services, the CDC National Prevention Information Network (NPIN) serves as the U.S. reference, referral, and distribution service for information on HIV/AIDS, viral hepatitis, STDs, and TB. NPIN is a critical member of the network of government agencies, community organizations, businesses, health professionals, educators, and human services providers that educate the American public about the grave threat to public health posed by HIV/AIDS, viral hepatitis, STDs, and TB, and provides services for persons infected with human immunodeficiency virus (HIV).

Established in 1988, the NPIN Resources and Services Database contains entries on approximately 9,000 organizations and is the most comprehensive listing of HIV/AIDS, STD and TB resources and services available throughout the country. This database describes national, state and local organizations that provide services related to HIV/AIDS, viral hepatitis, STDs, and TB, services such as

counseling and testing, prevention, education and support. The NPIN reference staff relies on the Resources and Services Database to respond to thousands of requests each year for information or referral from community based organizations, state and local health departments, and health professionals working in HIV/AIDS, STD and TB prevention. The CDC-INFO (formerly the CDC National AIDS Hotline) staff also uses the NPIN Resources and Services Database to refer up to 110,000 callers each year to local programs for information, services, and treatment. The American public can also access the NPIN Resources and Services database through the NPIN Web site. More than 56 million hits by the public to the Web site are recorded annually.

A representative from each new organization identified will be administered the resource organization questionnaire via the telephone. Representatives may include registered nurses, social and community service managers, health educators, or social and human service assistants. As part of the verification process for organizations currently included in the Resources and Services Database, about 33 percent of the organization's representatives will receive a copy of their current database entry by electronic mail, including an introductory message and a list of instructions. The remaining 70 percent will receive a telephone call to review their database record. There are no costs to respondents other than their time. The total estimated annual burden hours are 1,882.

ESTIMATED ANNUALIZED BURDEN HOURS

Form	Respondents	Number of respondents	Number of responses per respondent	Average burden per response
Initial Questionnaire Telephone Script	Registered Nurses	100	1	20/60
	Social and Community Service Managers	50	1	10/60
	Health Educators	50	1	13/60
	Social and Human Service Assistants	400	1	15/60
Telephone Verification	Registered Nurses, Social and Community Service Managers, and Health Educators.	2,400	1	10/60
	Social and Human Service Assistants	4,800	1	9/60
Email Verification (3,000 organizations)	Registered Nurses, Health Educators, and Social and Human Service Assistants.	3,300	1	10/60
	Social and Community Service Managers	300	1	12/60

BILLING CODE 4163-18-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

[CDC-2013-0023; Docket Number NIOSH
240-A]

Draft Current Intelligence Bulletin “Update of NIOSH Carcinogen Classification and Target Risk Level Policy for Chemical Hazards in the Workplace”

AGENCY: National Institute for
Occupational Safety and Health
(NIOSH) of the Centers for Disease
Control and Prevention (CDC),
Department of Health and Human
Services (HHS).

ACTION: Notice of draft document
available for public comment and public
meeting.

SUMMARY: The National Institute for
Occupational Safety and Health
(NIOSH) of the Centers for Disease
Control and Prevention (CDC)
announces the availability of the
following draft document for public
comment entitled “Current Intelligence
Bulletin: Update of NIOSH Carcinogen
Classification and Target Risk Level
Policy for Chemical Hazards in the
Workplace.” To view the notice,
document and related materials, visit
<http://www.regulations.gov> and enter
CDC-2013-0023 in the search field and
click “Search.” Additional information
is also located at the following Web site:
[http://www.cdc.gov/niosh/topics/
cancer/policy.html](http://www.cdc.gov/niosh/topics/cancer/policy.html). Comments may be
provided to the NIOSH docket, as well
as given orally at the following meeting.

Public Comment Period: Comments
must be received by February 13, 2014.

Public Meeting Time and Date:
December 16, 2013, 9 a.m.–4 p.m.,
Eastern Time. Please note that public
comments may end before the time
indicated, following the last call for
comments. Members of the public who
wish to provide public comments
should plan to attend the meeting at the
start time listed.

Place: Surface Transportation Board
Hearing Room, Patriots Plaza One, 395
E Street SW., 1st Floor, Room 120,
Washington, DC 20201.

Status: The meeting is open to the
public, limited only by the space
available. The meeting space
accommodates approximately 150
people. In addition, there will be an
audio conference for those who cannot
attend in person. There is no
registration fee to attend this public
meeting. However, those wishing to
attend are encouraged to register by
December 3, 2013 with the NIOSH
Docket Office at 513/533-8611 or email
nioshdocket@cdc.gov.

Security Considerations: Due to
mandatory security clearance
procedures at the Patriots Plaza
Building, in-person attendees must
present valid government-issued picture
identification to security personnel
upon entering the building and go
through an airport-type security check.

Non-U.S. citizens: Because of CDC
Security Regulations, any non-U.S.
citizen wishing to attend this meeting
must provide the following information
in writing to the NIOSH Docket Officer
at the address below no later than
November 22, 2013 to allow time for
mandatory CDC facility security
clearance procedures to be completed.

1. Name:
2. Gender:
3. Date of Birth:
4. Place of birth (city, province, state,
country):
5. Citizenship:
6. Passport Number:
7. Date of Passport Issue:
8. Date of Passport Expiration:
9. Type of Visa:
10. U.S. Naturalization Number (if a
naturalized citizen):
11. U.S. Naturalization Date (if a
naturalized citizen):
12. Visitor's Organization:
13. Organization Address:
14. Organization Telephone Number:
15. Visitor's Position/Title within the
Organization:

This information will be transmitted
to the CDC Security Office for approval.
Visitors will be notified as soon as
approval has been obtained. Non-U.S.
citizens are encouraged to participate in
the audio conferencing due to the extra
clearance involved with in-person
attendance.

Attendee and Speaker Registration:
Attendees are encouraged to sign up by
December 3, 2013 with the NIOSH
Docket Office. Individuals wishing to
speak during the meeting may sign up
when registering with the NIOSH
Docket Office no later than December 3,
at 513/533-8611 or by email at
nioshdocket@cdc.gov. Those who have
not signed up to present in advance may
be allowed to present at the meeting if
time allows.

Persons wanting to provide oral
comments will be permitted up to 20
minutes. If additional time becomes
available, presenters will be notified.
Oral comments given at the meeting
must also be submitted to the docket in
writing in order to be considered by the
Agency.

Priority for attendance will be given
to those providing oral comments. Other
requests to attend the meeting will then
be accommodated on a first-come basis.
Unreserved walk-in attendees will not
be admitted due to security clearance
requirements.

Purpose of Meeting: To discuss and
obtain comments on the draft document,
“Current Intelligence Bulletin: Update
of NIOSH Carcinogen Classification and
Target Risk Level Policy for Chemical
Hazards in the Workplace.” Special
emphasis will be placed on discussion
of the following:

Overall Questions

(1) Are the proposed carcinogen
policies consistent with the current
scientific knowledge of toxicology, risk
assessment, industrial hygiene, and
occupational cancer? If not, provide
specific information and references that
should be considered.

(2) Is there additional scientific
information related to the issues of the
proposed NIOSH carcinogen policies
that should be considered for inclusion?
If so, provide information and specify
references for consideration. Is there any
discussion in the document that should
be omitted?

(3) Is the proposed carcinogen
classification policy explained in a clear
and transparent manner? Is the basis for
the proposed policy adequately
explained? If not, specify (section, page,
and line number) where clarification is
needed.

(4) Are there issues relevant to the
classification of occupational
carcinogens that have not been
adequately addressed in this proposed
policy? If so, provide information and
specify references for consideration.

(5) NIOSH adapted the OSHA Hazard
Communication Table Relating
Approximate Equivalences among
IARC, NTP RoC, and GHS
Carcinogenicity Classifications
(Appendix F, Part D, OSHA Globally
Harmonized System for Hazard
Communication) to provide a simple,
systematic method of determining GHS
cancer hazard categories. However,
NIOSH has further considered the GHS
carcinogen categories 1B and 2 because
NTP classification *reasonably
anticipated to be a human carcinogen*
and IARC classification 2B have criteria
that overlap the two GHS categories.
