**SUMMARY:** In compliance with Section 3506(c)(2)(A) of the *Paperwork Reduction Act of 1995*, the Department of the Army announces a proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

**DATES:** Consideration will be given to all comments received by January 21, 2014.

**ADDRESSES:** You may submit comments, identified by docket number and title, by any of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.
- *Mail:* Federal Docket Management System Office, 4800 Mark Center Drive, East Tower, Suite 02G09, Alexandria, VA 22350-3100.

*Instructions:* All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the Internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

Any associated form(s) for this collection may be located within this same electronic docket and downloaded for review/testing. Follow the instructions at <http://www.regulations.gov> for submitting comments. Please submit comments on any given form identified by docket number, form number, and title.

**FOR FURTHER INFORMATION CONTACT:** To request more information on this

proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the Department of the Army, U.S. Army Corps of Engineers, Institute for Water Resources (IWR), Waterborne Commerce Statistics Center, P.O. Box 61280, New Orleans, LA 70161, ATTN: CEIWR-NDC-C (David L. Penick, CEIWR-NDC-C), or call Department of the Army reports clearance officer at (703) 428-6440.

**SUPPLEMENTARY INFORMATION:**

*Title; Associated Form; and OMB Number:* Terminal and Transfer Facilities Descriptions, IWR Forms 1-9; OMB Control Number 0710-0007.

*Needs and Uses:* Data gathered and published as one of the 56 Port Series Reports, relating to terminals, transfer facilities, storage facilities, and intermodal transportation. This information is used in navigation, planning, safety, National security, emergency operations, and general interest studies and activities. Respondents are terminal and transfer facility operators. This data is essential to the Waterborne Commerce Statistics Center in exercising their enforcement and quality control responsibilities in the collection of data from vessel reporting companies.

*Affected Public:* Business or other for profit; Federal Government; and State, Local or Tribal government.

*Annual Burden Hours:* 316.

*Number of Respondents:* 1,262.

*Responses per Respondent:* 1.

*Average Burden per Response:* 15 minutes.

*Frequency:* Annually.

The Federal Emergency Management Agency (FEMA) has used the port facility data in rapidly identifying affected businesses in need of assistance during the flooding events. Military interest of the Army, Navy, and Coast Guard are met with information on intermodal connections, terminal transfer and storage facilities and loading equipment capabilities in the event of rapid military deployment, or National emergencies. The Army's Military Surface and Deployment and Distribution Command (SDDC) use the information as a baseline for updating their "Ports for National Defense" mission.

Dated: November 15, 2013.

### Building Technologies Office Prioritization Tool

**AGENCY:** Office of Energy Efficiency and Renewable Energy, Department of Energy.

**ACTION:** Request for information (RFI).

**SUMMARY:** The U.S. Department of Energy's (DOE) Building Technologies Office (BTO) developed the Prioritization Tool to improve its programmatic decision-making. The tool provides an objective framework for most energy-saving measures and scenarios, as well as methodology, comparing long-term benefits and end-user costs applied to various markets, end-uses, and lifetimes. Currently, BTO seeks comments and information related to the Prioritization Tool that improves the tool's accuracy and applicability for technology planning within BTO. Specifically, this notice solicits comments and information on data, assumptions and outputs of various energy efficiency technologies and
