Tolling of Deadlines for Preliminary Results

As explained in the memorandum from the Assistant Secretary for Enforcement and Compliance, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013.3 Therefore, all deadlines in this segment of the proceeding have been extended by 16 days. If the new deadline falls on a non-business day, in accordance with the Department's practice, the deadline will become the next business day. The revised deadline for the preliminary results of this review is now November 18, 2013.

Methodology

The Department has conducted this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended ("the Act"). Export prices and constructed export prices have been calculated in accordance with section 772 of the Act. Because the PRC is a non-market economy ("NME") within the meaning of section 771(18) of the Act, NV has been calculated in accordance with section 773(c) of the Act.

For a full description of the methodology underlying our conclusions, please see the Preliminary Decision Memorandum, hereby adopted by this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System ("IA ACCESS"). IA ACCESS is available to registered users at http:// iaaccess.trade.gov. The Preliminary Decision Memorandum is also available in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at http://enforcement.trade.gov/frn. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Documents excepted from the electronic submission requirements must be filed manually (i.e., in paper form) with the APO/Dockets Unit in Room 1870 and stamped with the date and time of receipt by 5 p.m. ET on the due date. ¹³

The Department intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any briefs, within 120 days of publication of these preliminary results, pursuant to section 751(a)(3)(A) of the Act.

Deadline for Submission of Publicly Available Surrogate Value Information

In accordance with 19 CFR 351.301(c)(3)(ii), the deadline for submission of publicly available information to value factors of production under 19 CFR 351.408(c) is 20 days after the date of publication of the preliminary results. 14 In accordance with 19 CFR 351.301(c)(1), if an interested party submits factual information less than ten days before, on, or after (if the Department has extended the deadline), the applicable deadline for submission of such factual information, an interested party may submit factual information to rebut, clarify, or correct the factual information no later than ten days after such factual information is served on the interested party. However, the Department generally will not accept in the rebuttal submission additional or alternative surrogate value information not previously on the record, if the

deadline for submission of surrogate value information has passed. 15 Furthermore, the Department generally will not accept business proprietary information in either the surrogate value submissions or the rebuttals thereto, as the regulation regarding the submission of surrogate values allows only for the submission of publicly available information. 16

Assessment Rates

Upon issuance of the final results, the Department will determine, and U.S. Customs and Border Protection ("CBP") shall assess, antidumping duties on all appropriate entries covered by this review.¹⁷ The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. For any individually examined respondent whose weighted-average dumping margin is above de minimis (i.e., 0.50 percent) in the final results of this review, the Department will calculate an importer-specific assessment rate on the basis of the ratio of the total amount of antidumping duties calculated for the importer's examined sales and the total entered value of sales, in accordance with 19 CFR 351.212(b)(1). In these preliminary results, the Department applied the assessment rate calculation method adopted in the Final Modification for Reviews. 18 Where either the respondent's weightedaverage dumping margin is zero or de minimis, or an importer- (or customer-) specific assessment rate is zero or de minimis, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. We intend to instruct CBP to liquidate entries containing subject merchandise exported by the PRC-wide entity at the PRC-wide rate we determine in the final results of this review.

The Department announced a refinement to its assessment practice in NME antidumping duty cases.¹⁹ Pursuant to this refinement in practice, for merchandise that was not reported

⁶ The following companies are collectively known as The Samling Group ("Samling Group"): Baroque Timber Industries (Zhongshan) Co., Ltd.; Riverside Plywood Corporation; Samling Elegant Living Trading (Labuan) Limited; Samling Global USA, Inc.; and Samling Riverside Co., Ltd. Additionally, Power Dekor Group Co., Ltd. ("Power Dekor") did not have any qualifying shipments for the Department to review, due to their one shipment undergoing review during Power Dekor's New Shipper Review. Power Dekor will therefore maintain the dumping margin that was assessed as a result of the New Shipper Review.

The following companies were named in the Initiation Notice but did not submit a certification of no shipment, separate rate application or separate rate certification; therefore they constitute the PRC-wide entity: Baiying Furniture Manufacturer Co., Ltd.; Dazhuang Floor Co. (dba Dasso Industrial Group Co., Ltd.); Fu Lik Timber (HK) Co., Ltd.; Furnco International (HK) Company Limited; Fusong Qianqiu Wooden Group Co., Ltd.; Guangdong Jiasheng Timber Industry Co., Ltd.; Guanghzhou Panyu Shatou Trading Co., Ltd.; Huzhou Fuma Wood Bus. Co., Ltd.; Jiazing Brilliant Import & Export Co., Ltd.; Puli Trading Co., Ltd.; Sennorwell International Group (Hong Kong) Limited; Shanghai Demeijia Wooden Co., Ltd.; Shenyang Haobainian Wood Co .; Shenyang Sende Wood Co., Ltd.; Suzhou Anxin Weiguang Timber Co., Ltd.; Xinyuan Wooden Industry Co., Ltd.; Yekalon Industry, Inc.; Zhejiang AnJi XinFeng Bamboo & Wood Co., Ltd.; Zhejiang Haoyun Wood Co., Ltd.; Zhejiang Jeson Wood Co., Ltd.; and Zhejiang Jiechen Wood Industry Co., Ltd. ¹⁴ The Department recently announced a change in the deadline to submit publicly available information to value factors of production under 19 CFR 351.301(c)(3)(ii). To all segments initiated on or after May 10, 2013, the deadline to submit publicly available information to value factors of production in an administrative review is 30 days prior to the scheduled preliminary results of review. in the U.S. sales databases submitted by an exporter individually examined during this review, but that entered under the case number of that exporter (i.e., at the individually-examined exporter's cash deposit rate), the Department will instruct CBP to liquidate such entries at the PRC-wide rate. Additionally, pursuant to this refinement, if the Department determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number will be liquidated at the PRCwide rate.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For the companies listed above the cash deposit rate will be their respective rate established in the final results of this review, except if the rate is zero or de minimis (i.e., less than 0.5 percent) no cash deposit will be required; (2) for previously investigated PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be that for the PRC-wide entity; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties. We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213.

Steel Wire Garment Hangers From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review and New Shipper Review; 2011–2012

AGENCY: Enforcement and Compliance, formerly Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the "Department") is conducting the fourth administrative review and the first new shipper review ("NSR") of the antidumping duty order on steel wire garment hangers from the People's Republic of China ("PRC").¹ There is one participating mandatory respondent in this review, the Shanghai Wells Group.² We selected seven additional companies as mandatory respondents

but, they did not participate.3 Also under review is the new shipper company Hangzhou Yingqing Material Co. Ltd. ("Yingqing"). The Department has preliminarily determined that Yingqing and Shanghai Wells sold subject merchandise in the United States at prices below normal value during the period of review ("POR"), October 1, 2011, through September 30, 2012. Additionally, seven companies were selected for review, but did not fully cooperate and have been determined to be part of the PRC-wide entity.4 If these preliminary results are adopted in our final results of review, we will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries of subject merchandise during the POR. We invite interested parties to comment on these preliminary results.

As explained in the memorandum from the Assistant Secretary for Enforcement and Compliance, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013.5 Therefore, all deadlines in this segment of the proceeding have been extended by 16 days. If the new deadline falls on a non-business day, in accordance with the Department's practice, the deadline will become the next business day. The revised deadline for the preliminary results of this review is now November 18, 2013.⁶

DATES: Effective: November 25, 2013.

SUPPLEMENTARY INFORMATION:

¹ See Notice of Antidumping Duty Order: Steel Wire Garment Hangers from the People's Republic of China, 73 FR 58111 (October 6, 2008) ("Order").

² The Department previously found that Shanghai Wells Hanger Co., Ltd. ("Shanghai Wells"), Hong Kong Wells Ltd. ("HK Wells") and Hong Kong Wells Ltd. (USA) ("Wells USA") are affiliated and that Shanghai Wells and HK Wells comprise a single entity (collectively, "Shanghai Wells Group"). Because there were no changes in this review to the facts that supported that decision, we continue to find Shanghai Wells, HK Wells, and USA Wells are affiliated and that Shanghai Wells and HK Wells comprise a single entity.
