I. Abstract

The Assistant Secretary—Indian Affairs is seeking renewal of the approval for the information collection conducted under OMB Control Number 1076–0135, Reporting System for Indian

Employment, Training, and Related Services Demonstration Act of 1992 (as amended) (Pub. L. 102–477) Demonstration Project. This information allows the Office of Indian Energy and Economic Development (IEED) to document satisfactory compliance with statutory, regulatory, and other requirements of the various integrated programs. Public Law 102–477 authorizes tribal governments to integrate Federally funded employment, training, and related services and programs into a single, coordinated, comprehensive service delivery plan. Funding agencies include the Department of the Interior, the Department of Labor, and the Department of Health and Human Services. The Bureau of Indian Affairs (BIA) is statutorily required to serve as the lead agency and provides a single report format for use by tribal governments to report on integrated activities and expenditures. The IEED shares the information collected from these reports with the Department of Labor and the Department of Health and Human Services. No third party notification or public disclosure burden is associated with this collection.

II. Request for Comments

The Assistant Secretary—Indian Affairs requests your comments on this collection concerning: (a) The necessity of this information collection for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) The accuracy of the agency's estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) Ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) Ways we could minimize the burden of the collection of the information on the respondents.

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it displays a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the **ADDRESSES** section. Before including your address, phone number, email address or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we

cannot guarantee that we will be able to do so.
