**II. Discussion**

The NRC is issuing for public comment a draft plant-specific supplement 50 to the GEIS for License Renewal of Nuclear Plants, NUREG-1437, regarding the renewal of operating license NPF-29 for an additional 20 years of operation for GGNS. Supplement 50 to the GEIS includes the preliminary analysis that evaluates the environmental impacts of the proposed action and alternatives to the proposed action. The NRC's preliminary recommendation is that the adverse environmental impacts of license renewal for GGNS are not great enough to deny the option of license renewal for energy planning decision makers.

**III. Public Meetings**

The NRC staff will hold public meetings prior to the close of the public comment period to present an overview of the draft plant-specific supplement to the GEIS and to accept public comment on the document. Two meetings will be held at the Port Gibson City Hall, 1005 College Street, Port Gibson, Mississippi 39150 on Wednesday, January 29, 2014. The first session will convene at 2:00 p.m. and will continue until 3:30 p.m., as necessary. The second session will convene at 7:00 p.m. and will continue until 8:30 p.m., as necessary. The meetings will be transcribed and will include: (1) A presentation of the contents of the draft plant-specific supplement to the GEIS, and (2) the opportunity for interested government agencies, organizations, and individuals to provide comments on the draft report. Additionally, the NRC staff will host informal discussions one hour prior to the start of each session at the same location. No comments on the draft supplement to the GEIS will be accepted during the informal discussions. To be considered, comments must be provided either at the transcribed public meeting or in writing. Persons may pre-register to attend or present oral comments at the meeting by contacting Mr. David

Drucker, the NRC Environmental Project Manager, at 1-800-368-5642, extension 6223, or by email at [david.drucker@nrc.gov](mailto:david.drucker@nrc.gov) no later than Wednesday, January 22, 2014. Members of the public may also register to provide oral comments within 15 minutes of the start of each session. Individual oral comments may be limited by the time available, depending on the number of persons who register. If special equipment or accommodations are needed to attend or present information at the public meeting, the need should be brought to Mr. Drucker's attention no later than Wednesday, January 22, 2014, to provide the NRC staff adequate notice to determine whether the request can be accommodated.

Dated at Rockville, Maryland, this 6th day of December, 2013.

#### OFFICE OF PERSONNEL MANAGEMENT

##### Patient Protection and Affordable Care Act; Establishment of the Multi-State Plan Program for the Affordable Insurance Exchanges; Announcement

**AGENCY:** Office of Personnel Management (OPM).

**ACTION:** Notice of effective date.

**SUMMARY:** This document announces the effective date of a regulatory provision published in the **Federal Register** by OPM on March 11, 2013 (78 FR 15559), entitled "Patient Protection and Affordable Care Act; Establishment of the Multi-State Plan Program for the Affordable Insurance Exchanges."

**DATES:** The effective date of OPM's regulatory provision relating to external review (45 CFR 800.503) is December 13, 2013.

#### FOR FURTHER INFORMATION CONTACT:

Padma Shah by telephone at (202) 606-2128, by FAX at (202) 606-0033, or by email at [mspp@opm.gov](mailto:mspp@opm.gov).

**SUPPLEMENTARY INFORMATION:** In the final rule published on March 11, 2013, OPM provided notice that the regulatory provision relating to external review (45 CFR 800.503) will take effect on the effective date of a technical amendment to regulations implementing section 2719 of the Public Health Service (PHS) Act, which apply to all non-grandfathered group health plans and health insurance issuers, including plans in the Multi-State Plan Program. On November 13, 2013, the Departments of Treasury, Labor, and Health and Human Services ("the Departments") jointly published "Final Rules under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008; Technical Amendment to External Review for Multi-State Plan Program" (78 FR 68240). This final rule retains provisions the Departments proposed on March 21, 2013 (78 FR 17313), implementing a technical amendment to regulations for section 2719 of the PHS Act. This final rule specifies that Multi-State Plan coverage will be subject to standards established for the Federal external review process under section 2719(b)(2) of the PHS Act and paragraph (d) of the internal claims and appeals and external review regulations.

Additionally, the Departments' final rule corrects a typographical error in the March 21, 2013 proposed rule. The effective date of the Departments' technical amendment is December 13, 2013, and accordingly, this document advises the public that the effective date of OPM's regulatory provision relating

to external review (45 CFR 800.503) is also December 13, 2013.
