

OMB Approval Number: 2577-0249.

Type of Request: Revision.

Form Number: HUD-50066.

Description of the need for the information and proposed use: This is a request for information collection that may be used in response to an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking that may affect an individual's participation in the Section 8 or public housing programs.

When an individual presents a PHA, owner, or manager with a claim for protections under the Violence Against Women Act Reauthorization Act of 2013 (VAWA 2013), the PHA, owner, or manager may (but is not required to) request that the individual complete, sign and submit within 14 business days of the request, a HUD approved certification form, or alternate documentation as described on the certification form, to document the domestic violence, dating violence, sexual assault, or stalking. The PHA's, owner's, or manager's request for documentation must be made in writing. On the certification form, the individual certifies that s/he is a victim of domestic violence, dating violence, sexual assault or stalking, and that the incident or incidences in question are bona fide incidences of such actual or threatened abuse. On the certification form, the individual must provide the name of the perpetrator only if the name of the perpetrator is safe to provide, and is known to the victim.

PHAs are instructed that the delivery of the certification form to the tenant in response to an incident(s) via mail may place the victim at risk, e.g., the abuser may monitor the mail; consequently, PHAs, owners and management agents may require that the tenant come into the office to pick up the certification form. PHAs and owners are also encouraged to work with tenants to make delivery arrangements that do not place the tenant at risk.

If the PHA, owner, or manager provides the individual with a written request for documentation of the abuse, and the individual does not provide the certification form, or alternate documentation as described on the certification form, within 14 business days from the date of receipt of the PHA's, owner's, or manager's written request (or after any extension of that date provided by the PHA, owner or manager), the Victim cannot be assured s/he will receive VAWA protections.

Note, On August 6, 2013, HUD published in the **Federal Register** (Volume 78, Number 151, 47717) a notice describing the impacts of the VAWA 2013 on HUD programs. The

notice provided an overview of the key ways in which VAWA 2013 would enhance existing VAWA protections for victims of domestic violence, dating violence and stalking in HUD's public housing and Section 8 Housing Choice Voucher (HCV) programs, listed the additional HUD programs that would now be covered by the statute, explained that VAWA protections would be extended to victims of sexual assault, and advised of HUD's plans to issue rules and/or guidance on the new law at a later date. HUD also requested public comment on certain topics that VAWA 2013 left to HUD's discretion. Included in that request was how HUD should adapt VAWA certification forms (HUD-50066 and HUD-91066) to document abuse covered by VAWA 2013 to include the newly covered programs. The current certification form HUD-50066 expires on February 28, 2014. HUD determined that the form HUD-50066 should be updated to include only the items required by VAWA 2013. HUD intends to issue at a later date a new form covering all HUD covered programs that conforms to VAWA 2013 and considers comments received on the notice (comments posted under docket number HUD-2013-0074 on www.regulations.gov). The new form would replace HUD-50066.

Description of the need for the information and proposed use: HUD's Uniform Physical Condition Standards (UPCS) regulation (24 CFR part 5, subpart G) provides that HUD housing must be decent, safe, sanitary, and in good repair. with a copy of the "Notification of Exigent and Fire Safety Hazards Observed" form. Each exigent health and safety (EHS) deficiency that the inspector observed that day is listed on the form. The property representative signs the form acknowledging receipt. PHAs are to correct/remedy/act abate all EHS deficiencies within 24 hours. Using the electronic format, PHAs are to notify HUD within three business days of the date of inspection, which is the date the PHA was provided notice of these deficiencies, that the deficiencies were corrected/remedied/acted on to abate within the prescribed time frames (24 CFR part 902).
