

preemption determinations, and waivers of preemption are covered under Subparts B and C of Part 107.

Rulemaking procedures enable PHMSA to determine if a rule change is necessary, is consistent with public interest, and maintains a level of safety equal to or superior to that of current regulations. Special permit procedures provide the information required for analytical purposes to determine if the requested relief provides for a comparable level of safety as provided by the HMR. Preemption procedures provide information for PHMSA to determine whether a requirement of a State, political subdivision, or Indian tribe is preempted under 49 U.S.C. 5125, or regulations issued thereunder, or whether a waiver of preemption should be issued.

Title: Radioactive (RAM)

Transportation Requirements.

OMB Control Number: 2137–0510.

Summary: This information collection consolidates and describes the information collection provisions in the HMR involving the transportation of radioactive materials in commerce. Information collection requirements for RAM include: shipper notification to consignees of the dates of shipment of RAM; expected arrival; special loading/unloading instructions; verification that shippers using foreign-made packages hold a foreign competent authority certificate and verification that the terms of the certificate are being followed for RAM shipments being made into this country; and specific handling instructions from shippers to carriers for fissile RAM, bulk shipments of low specific activity RAM, and packages of RAM which emit high levels of external radiation. These information collection requirements help to establish that proper packages are used for the type of radioactive material being transported; external radiation levels do not exceed prescribed limits; and packages are handled appropriately and delivered in a timely manner, so as to ensure the safety of the general public, transport workers, and emergency responders.

Affected Public: Shippers and carriers of radioactive materials in commerce.

Annual Reporting and Recordkeeping Burden:

Number of Respondents: 3,817.

Total Annual Responses: 21,519.

Total Annual Burden Hours: 15,270.

Frequency of collection: On occasion.

Title: Hazardous Materials Public Sector Training and Planning Grants.

OMB Control Number: 2137–0586.

Summary: Part 110 of 49 CFR sets forth the procedures for reimbursable grants for public sector planning and training in support of the emergency planning and training efforts of States, Indian tribes, and local communities to manage hazardous materials emergencies, particularly those involving transportation. Sections in this part address information collection and recordkeeping with regard to applying for grants, monitoring expenditures, and reporting and requesting modifications.

Affected Public: State and local governments, Indian tribes.

Annual Reporting and Recordkeeping Burden:

Annual Respondents: 68.

Annual Responses: 68.

Annual Burden Hours: 5,290.

Frequency of collection: On occasion.

Title: Cargo Tank Motor Vehicles in Liquefied Compressed Gas Service.

OMB Control Number: 2137–0595.

Summary: These information collection and recordkeeping requirements pertain to the manufacture, certification, inspection, repair, maintenance, and operation of certain Department of Transportation (DOT) specification and non-specification cargo tank motor vehicles used to transport liquefied compressed gases. These requirements are intended to ensure cargo tank motor vehicles used to transport liquefied compressed gases are operated safely, and to minimize the potential for catastrophic releases during unloading and loading operations. They include: (1) Requirements for operators of cargo tank motor vehicles in liquefied compressed gas service to develop operating procedures applicable to unloading operations and carry the operating procedures on each vehicle; (2) inspection, maintenance, marking, and testing requirements for the cargo tank discharge system, including delivery hose assemblies; and (3) requirements for emergency discharge control equipment on certain cargo tank motor vehicles transporting liquefied compressed gases that must be installed and certified by a Registered Inspector.

Affected Public: Carriers in liquefied compressed gas service, manufacturers and repairers.

Annual Reporting and Recordkeeping Burden:

Number of Respondents: 6,958.

Total Annual Responses: 920,538.

Total Annual Burden Hours: 200,914.

Frequency of collection: On occasion.

Discontinuance of Annual Financial Assessments—Delay in Implementation

AGENCY: Department of Veterans Affairs.

ACTION: Notice.

SUMMARY: The Department of Veterans Affairs (VA) published a Notice in the **Federal Register** on October 25, 2013 (78 FR 64065) announcing that we intended to change financial reporting practices requiring annual financial assessments from veterans enrolled in the VA health care system. The purpose of this Notice is to notify interested parties that due to delays in modifying computer software, VA is postponing implementation of this change.

FOR FURTHER INFORMATION CONTACT:

Kristin J. Cunningham, Director Business Policy, Chief Business Office, Department of Veterans Affairs, 810 Vermont Avenue NW., Washington, DC 20420; (202) 382–2508. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: Certain veterans are enrolled in the VA health care system based on their income: Priority Groups 5, 7, and 8. VA requires these veterans to submit a financial assessment when initially enrolled and then requests resubmission of this information each year thereafter on the enrollment anniversary. VA verifies that self-reported financial information through a computer matching of income reported to the Internal Revenue Service (IRS) and Social Security Administration (SSA).

VA intends to eliminate this annual burden by changing the financial reporting practices. Veterans will be
