SUPPLEMENTARY INFORMATION: The Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121-5207 (the Act) is the legal basis for FEMA to provide disaster related assistance and services to individuals who apply for disaster assistance benefits in the event of a federally declared disaster. The Individuals and Households Program (IHP) (the Act at 5174, Federal Assistance to Individuals and Households) provides financial

assistance to eligible individuals and households who, as a direct result of a major disaster or emergency have necessary expenses and serious needs. The "Other Needs Assistance" (ONA) provision of IHP provides disaster assistance to address needs other than housing, such as personal property, transportation, etc.

The delivery of the ONA provision of IHP is contingent upon the State/Tribe choosing an administrator for the assistance. States/Tribes satisfy the selection of an administrator of ONA by completing the Administrative Option Agreement (FEMA Form 010-0-11), which establishes a plan for the delivery of ONA. This agreement establishes a partnership with FEMA and inscribes the plan for the delivery of disaster assistance. The agreement is used to identify the State/Tribe's proposed level of support and participation during disaster recovery. In response to Super Storm Sandy (October 2012), Congress added "child care" expenses as a category of ONA through the Sandy Recovery Improvement Act of 2013 (SRIA), Public Law 113-2. Section 1108 of the SRIA amends section 408(e)(1) of the Stafford Act (42 U.S.C. 5174(e)(1)), giving FEMA the specific authority to pay for "child care" expenses as disaster assistance under ONA.

Collection of Information

Title: Federal Assistance to Individuals and Households Program, (IHP).

Type of Information Collection: Revision of a currently approved information collection.

OMB Number: 1660-0061.

Form Titles and Numbers: FEMA Form 010-0-11, Administrative Option Agreement for the Other Needs provision of Individuals and Households Program, (IHP); FEMA Form 010-0-12, Request for Continued Assistance (Application for Continued Temporary Housing Assistance); FEMA Form 010-0-12S (Spanish) Solicitud para Continuar la Asistencia de Vivienda Temporal.

Abstract: The Federal Assistance to Individuals and Households Program (IHP) enhances applicants' ability to request approval of late applications, request continued assistance, and appeal program decisions. Similarly, it allows States to partner with FEMA for delivery of disaster assistance under the "Other Needs" provision of the IHP through Administrative Option Agreements and Administration Plans addressing the level of managerial and resource support necessary.

Affected Public: State, Local or Tribal Government.
