

DEPARTMENT OF ENERGY**Federal Energy Regulatory Commission****[Docket No. CP14–90–000]****Equitrans, L.P.; Notice of Request Under Blanket Authorization**

Take notice that on February 24, 2014, Equitrans, L.P. (Equitrans), 625 Liberty Avenue, Suite 1700, Pittsburgh, Pennsylvania 15222–3111, filed in Docket No. CP14–90–000, a prior notice request pursuant to sections 157.205, 157.208 and 157.210 of the Commission's Regulations under the Natural Gas Act (NGA) as amended, requesting authorization to construct 1,600 feet of 12-inch-diameter pipeline, above ground pig receiving and launching facilities at the existing Callisto Compressor Station and appurtenances, referred to as the H–164 Pipeline Project (Project) in Greene County, Pennsylvania. Equitrans states that the Project would increase the capacity of its Mainline System by 475,000 Dth per day enabling it to receive expanding natural gas production in the area and to provide incremental transportation service to an existing interconnection with Texas Eastern Transmission, L.P. at its Castillo Compressor Station. Equitrans estimates the costs of the proposed project to be approximately \$11.1 million, all as more fully set forth in the application which is on file with the Commission and open to public inspection. The filing may also be viewed on the web at <http://www.ferc.gov> using the “eLibrary” link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov or toll free at (866) 208–3676, or TTY, contact (202) 502–8659.

Any questions concerning this application may be directed to Paul W. Diehl, Senior Counsel, EQT Corporation, 625 Liberty Avenue Suite 1700, Pittsburgh, Pennsylvania 15222–3111, by telephone at (412) 395–5540 or by facsimile at (412) 553–7781 or by email at pdiehl@eqt.com.

Any person or the Commission's staff may, within 60 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section

157.205 of the regulations under the NGA (18 CFR 157.205), a protest to the request. If no protest is filed within the time allowed therefore, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the allowed time for filing a protest, the instant request shall be treated as an application for authorization pursuant to section 7 of the NGA.

Pursuant to section 157.9 of the Commission's rules, 18 CFR 157.9, within 90 days of this Notice the Commission staff will either: Complete its environmental assessment (EA) and place it into the Commission's public record (eLibrary) for this proceeding, or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or EA for this proposal. The filing of the EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenter's will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission's environmental review process. Environmental commenter's will not be required to serve copies of filed documents on all other parties. However, the non-party commentary, will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission's final order.

The Commission strongly encourages electronic filings of comments, protests

and interventions in lieu of paper using the “eFiling” link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 5 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426.

Revisions to Electric Quarterly Report Filing Process	Docket Nos. RM12–3–000
Revised Public Utility Filing Requirements for Electric Quarterly Reports	Docket Nos. ER02–2001–000

Take notice that on March 26, 2014, the staff of the Federal Energy Regulatory Commission (Commission) will hold a technical conference on the Revisions to Electric Quarterly Report (EQR) Filing Process. The conference will take place from 10:00 a.m. to 1:00 p.m. (EST), in the Commission Meeting Room at 888 First Street NE., Washington, DC 20426. The public may attend.

Commission staff will demonstrate the new EQR filing system announced in Order No. 770.¹ The new filing system includes two options for filing EQRs: one that will allow EQR users to file through a Web interface on the Commission's Web site, and a second that will allow an EQR filer to file its EQR in an Extensible Mark-up Language formatted file. At the conference, staff will discuss the filing system using examples of both the XML and Web interface approaches that the Commission believes parties will find useful ahead of the new filing system "go-live" date.

Any additional information regarding the agenda for the technical conference will be posted prior to the conference on the Calendar of Events on the Commission's Web site, www.ferc.gov.

A free Webcast of the conference will be available through www.ferc.gov. Anyone with Internet access interested in viewing this conference can do so by navigating to www.ferc.gov's Calendar of Events and locating this event in the Calendar. The event will contain a link to the webcast. Capitol Connection provides technical support for the Webcasts and offers the option of listening to the conferences via phone-bridge for a fee. If you need technical support, please visit www.CapitolConnections.org or call (703) 993-3100.

Participants, either attending in person or on the Webcast, are encouraged to preregister at <https://www.ferc.gov/whats-new/registration/03-26-14-form.asp>. The Webcasting provides audio service and is archived. Participants may submit questions before or during the event via email to: eqr@ferc.gov. Please specify "EQR Questions for Mar 26 Conference" in the subject line of your emails.

This meeting/conference will be transcribed. Transcripts of the meeting/conference will be immediately available for a fee from Ace-Federal Reporters, Inc. (202-347-3700 or 1-800-336-6646).

Review of Cost Submittals by Other Federal Agencies for Administering Part I of the Federal Power Act; Notice of Technical Conference

In an order issued on October 8, 2004, the Commission set forth a guideline for Other Federal Agencies (OFAs) to submit their costs related to Administering Part I of the Federal Power Act. *Order On Rehearing Consolidating Administrative Annual Charges Bill Appeals And Modifying Annual Charges Billing Procedures*, 109 FERC ¶ 61,040 (2004) (October 8 Order). The Commission required OFAs to submit their costs using the OFA Cost Submission Form. The October 8 Order also announced that a technical conference would be held for the purpose of reviewing the submitted cost forms and detailed supporting documentation.

The Commission will hold a technical conference for reviewing the submitted OFA costs. The purpose of the conference will be for OFAs and licensees to discuss costs reported in the forms and any other supporting documentation or analyses.

The technical conference will be held on March 20, 2014, in Conference Room 3M-1 at the Commission's headquarters, 888 First Street NE., Washington, DC. The technical conference will begin at 2:00 p.m. (EST).

The technical conference will also be transcribed. Those interested in obtaining a copy of the transcript

immediately for a fee should contact the Ace-Federal Reporters, Inc., at 202-347-3700, or 1-800-336-6646. Two weeks after the post-forum meeting, the transcript will be available for free on the Commission's e-library system.
