3. Submission Dates and Times:
Applications Available: March 4, 2014.

Deadline for Transmittal of Applications: April 30, 2014.

The Secretary will also accept and approve for payment any otherwise approvable application that is received on or before (1) the 60th calendar day after April 30, 2014, which is June 30, 2014, or (2) the 60th day after the Secretary provides written notice via email to a local educational agency that applied in the previous year but did not apply by the April 30, 2014 deadline.

Applications for grants under this competition must be submitted electronically using G5, the Department's grant management system, accessible through the Department's G5 site.

Deadline for Intergovernmental Review: June 30, 2014.

4. Intergovernmental Review: This competition is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this competition.

5. Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management: To do business with the Department of Education, you must—

a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);

b. Register both your DUNS number and TIN with the System for Award Management (SAM) (formerly the Central Contractor Registry (CCR)), the Government's primary registrant database;

c. Provide your DUNS number and TIN on your application; and

d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are

awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one to two business days.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow two to five weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data entered into the SAM database by an entity. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at www.SAM.gov. To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at: <http://www2.ed.gov/fund/grant/apply/sam-faqs.html>.

7. Other Submission Requirements:

While completing your electronic application, you will be entering data online that will be saved into a database. You may not email an electronic copy of a grant application to us. We will also reject your application if you submit it in paper format.

Please note the following:

- You must complete the electronic submission of your grant application before midnight, Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The hours of operation of the G5 Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday,

Washington, DC time. Please note that, because of maintenance, the system is unavailable between 8:00 p.m. on Sundays and 6:00 a.m. on Mondays, and between 7:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Washington, DC time. Any modifications to these hours are posted on the G5 Web site.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Section 8002 and all necessary signature pages.

- You must upload any supporting documentation to your application as files in a PDF (Portable Document) read-only, non-modifiable format. Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, non-modifiable PDF or submit a password protected file, we will not review that material.

- Before submitting your electronic application, you may wish to print a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment.

- By the application deadline date, you must fax or email a signed copy of the cover page and the assurances for the Section 8002 application to the Impact Aid Program, following these steps:

(1) Print a copy of the application from G5 for your records.

(2) The applicant's Authorizing Representative must sign and date the cover page and assurances page. These forms must be submitted by the application deadline in order to be considered for funding under this program.

(3) Fax or email the signed cover page and assurances page for the Section 8002 application to the Impact Aid Program at 1-866-799-1272 or by email to Impact.Aid@ed.gov. These forms must be submitted before midnight, Washington, DC time, of the application deadline in order to be considered for funding under this program.

- We may request that you provide us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of G5 System Unavailability: If you are prevented from electronically submitting your application on the application deadline date because the G5 system is unavailable, we will grant you an extension until midnight, Washington, DC time, the following business day to enable you to transmit your application electronically. We will grant this extension if—

(1) You are a registered user of the G5 system and you have initiated an

electronic application for this competition; and

(2) (a) G5 is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 11:00 p.m., Washington, DC time, on the application deadline date; or

(b) G5 is unavailable for any period of time between 11:00 p.m. and midnight, Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the office listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** or (2) the G5 help desk at 1-888-336-8930. If G5 is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an email will be sent to all registered users who have initiated a G5 application. Extensions referred to in this section apply only to the unavailability of the G5 system.

II. Waiver of Rulemaking

Section 222.3 of CFR Title 34, which establishes the annual January 31 Impact Aid application deadline, is currently in effect. However, due to application changes necessitated by amendments in the FY 2013 National Defense Authorization Act (Pub. L. 112-239) and the related revision, production, and distribution of the application packages, the Secretary extends the deadline for the transmittal of applications under section 8002 for FY 2015.

Because this amendment makes a procedural change for this year only as a result of unique circumstances, proposed rulemaking is not required under 5 U.S.C. 553(b)(A).

In addition, the Secretary has waived rulemaking under 5 U.S.C. 553(b)(3) for this one-time suspension of the regulatory deadline date because it would be impracticable and contrary to the public interest. It would be impracticable because Section 8002 applicants need to be able to submit an FY 2015 application as soon as possible after January 31, 2014, to receive funding for their 2014–2015 school year on a timely basis. The months required for rulemaking would make it impossible for districts to receive this annual funding in a timely manner. Rulemaking would also be contrary to the public interest because the Department's ability to make FY 2015 payments would be stalled, thus affecting school districts in their planning and provision of services.

I. Funding Opportunity Description

Purpose of Program: The purpose of this program is to ensure that parents of children with disabilities receive training and information to help improve results for their children.

Priorities: In accordance with 34 CFR 75.105(b)(2)(iv), these priorities are from allowable activities specified in the statute (see sections 671, 672, 673, and 681(d) of the Individuals with Disabilities Education Act (IDEA)). This notice establishes one absolute priority and one competitive preference priority.

Absolute Priority: For FY 2014 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

This priority is: *Military Parent Technical Assistance Center*.

Background

The purpose of this priority is to fund a cooperative agreement to establish and operate a military parent technical assistance center (Military PTAC) to support Parent Training and Information Centers (PTIs) and Community Parent Resource Centers (CPRCs) (collectively referred to as “parent centers”) as they serve military parents¹ of children with disabilities and youth with disabilities² (hereafter referred to as “military families”).

More than 35 years of research and experience has demonstrated that the education of children with disabilities can be made more effective by strengthening the ability of parents to participate fully in the education of their children at school and at home (see section 601(c)(5)(B) of IDEA). Since

¹ The term “parent” includes natural, adoptive, and foster parents, and individuals acting in the role of parent as defined in section 602(23) of IDEA.

² The term “disabilities” refers to the full range of disabilities described in section 602(3) of IDEA.
