Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB) Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: OIRA_Submission@omb.eop.gov.
(SSA) Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: OR.Reports.Clearance@ssa.gov.

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than July 8, 2014. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. *Statement Regarding Date of Birth and Citizenship*—20CFR 404.716—0960-0016. Section 205(a) of the Social Security Act (Act) gives the Commissioner of SSA the authority to make rules and regulations, and to establish procedures for collecting evidence from individuals applying for Social Security benefits. When individuals apply for Social Security benefits and cannot provide preferred methods of proving age or citizenship, SSA uses Form SSA-702 to establish these facts. Specifically, SSA uses the SSA-702 to establish age as a factor of entitlement to Social Security benefits, or U.S. citizenship as a payment factor. Respondents are individuals with knowledge about the date of birth or citizenship of applicants filing for one or more Social Security benefits who need to establish age or citizenship.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-7157	1,200	1	10	200

2. *Disability Report-Appeal—20 CFR 404.1512, 416.912, 404.916(c), 416.1416(c), 422.140, 404.1713, 416.1513, 404.1740(b)(4), 416.1540(b)(4), and 405 Subpart C—0960–0144.* SSA requires disability applicants who wish to appeal an unfavorable disability determination to complete Form SSA–3441–BK, the associated Electronic Disability Collect System (EDCS) interview, or the Internet application, i3441. This allows claimants to disclose any changes to their disability or resources that might influence SSA's unfavorable

determination. We may use the information to: (1) Reconsider and review an initial disability determination; (2) review a continuing disability; and (3) evaluate a request for a hearing. This information assists the State Disability Determination Services (DDS) and administrative law judges (ALJ) in preparing for the appeals and hearings, and in issuing a determination or decision on an individual's entitlement (initial or continuing) to disability benefits. In addition, the information we collect on the SSA–3441–BK facilitates SSA's collection of

medical information to support the applicant's request for reconsideration; request for benefits cessation appeal; and request for a hearing before an ALJ. Respondents are individuals who appeal denial, reduction, or cessation of Social Security disability income and Supplemental Security Income (SSI) payments; who wish to request a hearing before an ALJ; or their representatives.

Type of Request: Revision of an OMB-approved information collection.

To request a hearing, individuals complete Form HA–501, the associated Modernized Claims System (MCS) or Modernized Supplemental Security

Income Claims System (MSSICS) interview, or the Internet application (i501). SSA uses the information to determine if the individual: (1) Filed the request within the prescribed time; (2) is the proper party; and (3) took the steps necessary to obtain the right to a hearing. SSA also uses the information to determine: (1) The individual's reason(s) for disagreeing with SSA's prior determinations in the case; (2) if the individual has additional evidence to submit; (3) if the individual wants an

oral hearing or a decision on the record; and (4) whether the individual has (or wants to appoint) a representative. The respondents are Social Security benefit applicants and recipients who want to appeal SSA's denial of their request for new or continued benefits, and Medicare Part B recipients who must pay the Medicare Part B Income-Related Monthly Adjustment Amount.
