Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) ("PRA"), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit an extension for this current collection of information to the Office of Management and Budget for approval.

In Release No. 34-64545,¹ the Commission adopted rules ("Rules") and forms to implement Section 21F of the Securities Exchange Act of 1934 entitled "Securities Whistleblower Incentives and Protection," which was created by Section 922 of the Dodd-Frank Wall Street Reform and Consumer Protection Act ("Dodd-Frank Act").² The Rules describe the whistleblower program that the Commission has established pursuant to the Dodd-Frank Act which requires the Commission to pay an award, subject to certain limitations and conditions, to whistleblowers who voluntarily provide the Commission with original information about a violation of the federal securities laws that leads to the successful enforcement of a covered judicial or administrative action, or of a related action. The Rules define certain terms critical to the operation of the whistleblower program, outline the procedures for applying for awards and the Commission's procedures for making decisions on claims, and generally explain the scope of the whistleblower program to the public and to potential whistleblowers.

Form TCR is a form submitted by whistleblowers who wish to provide information to the Commission and its staff regarding potential violations of the securities laws. Form TCR is required

for submission of information under the Rules. The Commission estimates that it takes a whistleblower, on average, one and one-half hours to complete Form TCR. Based on the receipt of 3,120 annual responses on average for the past two fiscal years,³ the Commission estimates that the annual PRA burden of Form TCR is 4,680 hours.

Form WB-APP is a form that is submitted by whistleblowers filing a claim for a whistleblower award. Form WB-APP is required for application for an award under the Rules. The Commission estimates that it takes a whistleblower, on average, two hours to complete Form WB-APP. The completion time depends largely on the complexity of the alleged violation and the amount of information the whistleblower possesses in support of his or her application for an award. Based on the receipt of 53 annual responses on average for the past two fiscal years, the Commission estimates that the annual PRA burden of Form WB-APP is 106 hours.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-72152; File No. SR-Phlx-2014-32]

Self-Regulatory Organizations; NASDAQ OMX PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Regarding the Limitation on Entering Electronic Limit Orders From Off the Floor of the Exchange

May 12, 2014.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4² thereunder, notice is hereby given that on May 2, 2014, NASDAQ OMX PHLX LLC ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange is filing with the Commission a proposal to amend Phlx Rule 1080 (Phlx XL and Phlx XL II) to change the limitation on Exchange members entering, or facilitating entry of, electronic limit orders in the same option series from off the floor of the Exchange, so that the limitation does not apply to off floor broker dealers or Professionals as defined in Rule 1000(b)(14).³

The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaqomxphlx.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of

the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend Phlx Rule 1080(j) to change the limitation on Exchange members entering, or facilitating entry of, electronic limit orders in the same option series from off the floor of the Exchange (known as "limitation" or "limitation on orders"), so that the limitation does not apply to off floor broker dealers or Professionals as defined in Rule 1000(b)(14).⁴

This proposal will align the Exchange with other options markets that do not limit the entry of off floor broker dealer and Professional limit orders, and effectively acting as market makers.⁵

There are, along with specialists, several types of Registered Option Traders ("ROTs") on the Exchange. These include market makers that are Streaming Quote Traders ("SQTs"),⁶ Directed Streaming Quote Traders ("DSQTs"), Remote Streaming Quote Traders ("RSQTs")⁷ and Directed Remote Streaming Quote Traders ("DRSQTs").⁸ Specialists may function

⁴ Per Rule 1000(b)(14), the term "Professional" means any person or entity that (i) is not a broker or dealer in securities, and (ii) places more than 390 orders in listed options per day on average during a calendar month for its own beneficial account(s).

⁵ See subsection (b) of International Securities Exchange ("ISE") Rule 717 (Limitations on Orders). As discussed, while the language of the ISE Rule 717 and Exchange Rule 1080(j) is different, as a result of this filing the practical effect of the rules will be similar.

⁶ An SQT is an ROT who has received permission from the Exchange to generate and submit option quotations electronically in eligible options to which such SQT is assigned. An SQT may only submit such quotations while such SQT is physically present on the floor of the Exchange. See Phlx Rule 1014(b)(ii)(A).

⁷ An RSQT is an ROT that is a member or member organization with no physical trading floor presence who has received permission from the Exchange to generate and submit option quotations electronically in eligible options to which such RSQT has been assigned. An RSQT may only submit such quotations electronically from off the floor of the Exchange. See Phlx Rule 1014(b)(ii)(B). As many as three RSQTs may be affiliated with an RSQT Organization.

⁸ A DSQT is an SQT and a DRSQT is an RSQT that receives a Directed Order. Exchange Phlx Rule 1080(l)(i)(A) defines Directed Order as any customer order (other than a stop or stop-limit order as defined in Phlx Rule 1066) to buy or sell which has been directed to a particular specialist, RSQT, or SQT by an Order Flow Provider and delivered to the Exchange via its electronic quoting, execution and trading system.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ As discussed in the proposal, the limitation will continue to apply to Professional all-or-none orders.

³ Fiscal Year 2012 marks the first full year of whistleblower program data since the enactment of the Rules.
