

in which market participants can readily favor competing venues if they deem fee levels at a particular venue to be excessive or rebate opportunities available at other venues to be more favorable. In such an environment, the Exchange must continually adjust its fees and rebates to remain competitive with other exchanges and with alternative trading systems that have been exempted from compliance with the statutory standards applicable to exchanges. Because competitors are free to modify their own fees and credits in response, and because market participants may readily adjust their order routing practices, the Exchange believes that the degree to which fee changes in this market may impose any burden on competition is extremely limited. As a result of all of these considerations, the Exchange does not believe that the proposed changes will impair the ability of member organizations or competing order execution venues to maintain their competitive standing in the financial markets.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)¹⁴ of the Act and subparagraph (f)(2) of Rule 19b-4¹⁵ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁶ of the Act to determine whether the proposed rule change should be approved or disapproved.

Pingify International, Inc.; Order of Suspension of Trading

May 14, 2014.

Its stock is quoted on OTC Link, operated by OTC Markets Group Inc., under the ticker: PGFY.

SOCIAL SECURITY ADMINISTRATION

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes three revisions and one extension of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than July 15, 2014. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. Electronic Benefit Verification Information (BEVE) and Internet Benefit Verification (iBEVE)—20 CFR 401.40–0960–0595. The electronic proof of income (POI) verification information service, BEVE, provides Supplemental Security Income (SSI) recipients, Social Security, and Medicare beneficiaries, the convenience of requesting a POI statement through the Internet. Beneficiaries and SSI recipients often

require POI to obtain housing, food stamps, or other public services. After verifying the requester's identity, SSA uses the information from BEVE to provide the POI statement. The iBEVE Internet application allows the same BEVE service the public uses to access POI and benefit information. However, the iBEVE service allows the public instant online access to their POI and benefit information (unlike the BEVE service that mails the information via U.S. Postal Service). iBEVE users are required to pass SSA's Public Credentialing and Authentication Process (OMB No. 0960–0789) prior to entering into the iBEVE Internet application. The respondents are Social Security and Medicare beneficiaries, and SSI recipients.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
BEVE	870,958	1	5	72,580
iBEVE	1,007,744	1	4	67,183
Totals	1,878,702	139,763

2. Medicare Part D Subsidies Regulations—20 CFR 418.3625, 418.3645, 418.3665(a), and 418.3670—0960–0702. The Medicare Prescription Drug Improvement and Modernization Act (MMA) of 2003 established the Medicare Part D program for voluntary prescription drug coverage of premium, deductible, and co-payment costs for certain low-income individuals. The

MMA also mandated the provision of subsidies for those individuals who qualify for the program and who meet eligibility criteria for help with premium, deductible, or co-payment costs. This law requires SSA to make eligibility determinations and to provide a process for appealing SSA's determinations. Regulation sections 418.3625(c), 418.3645, 418.3665(a), and

418.3670 contain public reporting requirements pertaining to administrative review hearings. Respondents are applicants for the Medicare Part D subsidies who request an administrative review hearing.

Type of Request: Extension of an existing OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
418.3625(c)	150	1	5	13
418.3645	10	1	20	3
418.3665(a)	300	1	5	25
418.3670	0	1	10	0
Totals	460	41

II. SSA submitted the information collections below to OMB for clearance. Your comments regarding the information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than June 16, 2014. Individuals can obtain copies of the OMB clearance packages by

writing to *OR.Reports.Clearance@ssa.gov*.

1. Statement Regarding Marriage—20 CFR 404.726—0960–0017. According to section 216(h)(1)(A) of the Social Security Act (Act), SSA must apply state law when determining an individual's marital status. Some state laws recognize marriages without a ceremony (i.e., common-law marriages). In such cases, SSA provides the same spouse or

widow(er) benefits to the common-law spouses as it does to ceremonially married spouses. To determine common-law spouses, SSA must elicit information from blood relatives or other persons who are knowledgeable about the alleged common-law relationship. SSA uses Form SSA–753, Statement Regarding Marriage, to collect information from third parties to verify the applicant's statements about intent,

cohabitation, and holding out to the public as married, which are the basic tenets of a common-law marriage. SSA uses the information to determine if a

valid marital relationship exists, and if the common-law spouse is entitled to Social Security spouse or widow(er) benefits. The respondents are third

parties who can confirm or deny the alleged common-law marriage.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-753	40,000	1	9	6,000

2. Request for Review of Hearing Decision/Order—20 CFR 404.967–404.981, 416.1467–416.1481–0960–0277. Claimants have a statutory right under the Act and current regulations to request review of an administrative law judge's (ALJ) hearing decision or dismissal of a hearing request on Title II and Title XVI claims. Claimants may request Appeals Council review by

filing a written request using Form HA-520. SSA uses the information to establish the claimant filed the request for review within the prescribed time, and to ensure the claimant completed the requisite steps permitting the Appeals Council review. The Appeals Council uses the information to: (1) Document the claimant's reason(s) for disagreeing with the ALJ's decision or

dismissal; (2) determine whether the claimant has additional evidence to submit; and (3) determine whether the claimant has a representative or wants to appoint one. The respondents are claimants requesting review of an ALJ's decision or dismissal of hearing.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
HA-520	171,000	1	10	28,500

Dated: May 13, 2014.
