

findings and advice solely to the Committee for full deliberation and discussion. Subcommittees have no authority to make decisions and recommendations verbally or in writing on behalf of the chartered Committee; nor can any subcommittee or its members update or report directly to the DoD or to any Federal officers or employees.

All subcommittee members shall be appointed in the same manner as the Committee members; that is, the Secretary of Defense or the Deputy Secretary of Defense shall appoint subcommittee members to a term of service of one-to-four years with annual renewals, even if the member in question is already a Committee member. Subcommittee members shall not serve more than two consecutive terms of service, without approval by the Secretary of Defense or Deputy Secretary of Defense. Subcommittee members are appointed to provide advice on the basis of their best judgment without representing a particular point of view and in a manner that is free from conflict of interest.

Subcommittee members, if not full-time or part-time government employees, shall be appointed to serve as experts and consultants pursuant to 5 U.S.C. 3109 to serve as SGE members. Those individuals who are full-time or permanent part-time Federal officers or employees shall serve as RGE members, subject to annual renewals. With the exception of reimbursement for official Committee-related travel and per diem, subcommittee members shall serve without compensation.

All subcommittees operate under the provisions of FACA, the Sunshine Act, governing Federal statutes and regulations, and established DoD policies and procedures.

The Designated Federal Officer (DFO), pursuant to DoD policy, shall be a full-time or permanent part-time DoD employee, and shall be appointed in accordance with established DoD policies and procedures.

In addition, the DFO is required to be in attendance at all committee and subcommittee meetings for the entire duration of each and every meeting. However, in the absence of the Committee's DFO, an Alternate DFO, duly appointed to the Committee according to the DoD policies and procedures, shall attend the entire duration of the Committee or subcommittee meeting.

The DFO, or the Alternate DFO, shall call all of the Committee's and subcommittee's meetings; prepare and approve all meeting agendas; adjourn any meeting when the DFO, or the

Alternate DFO, determines adjournment to be in the public interest or required by governing regulations or DoD policies and procedures; and chair meetings when directed to do so by the official to whom the Committee reports.

Pursuant to 41 CFR 102–3.105(j) and 102–3.140, the public or interested organizations may submit written statements to Threat Reduction Advisory Committee membership about the Committee's mission and functions. Written statements may be submitted at any time or in response to the stated agenda of planned meeting of Threat Reduction Advisory Committee.

All written statements shall be submitted to the DFO for the Threat Reduction Advisory Committee, and this individual will ensure that the written statements are provided to the membership for their consideration. Contact information for the Threat Reduction Advisory Committee DFO can be obtained from the GSA's FACA Database—<http://www.facadatabase.gov/>.

The DFO, pursuant to 41 CFR 102–3.150, will announce planned meetings of the Threat Reduction Advisory Committee. The DFO, at that time, may provide additional guidance on the submission of written statements that are in response to the stated agenda for the planned meeting in question.

Proposed Collection; Comment Request

AGENCY: Headquarters Air Force Space Command Nuclear C2 Systems Branch, DoD.

ACTION: Notice.

In compliance with Section 3506(c)(2)(A) of the *Paperwork Reduction Act of 1995*, the Headquarters Air Force Space Command Nuclear C2 Systems Branch announces a proposed reinstatement of a public information collection and seeks public comment on the provisions thereof. Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have

practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by July 28, 2014.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

- *Mail:* Federal Docket Management System Office, 4800 Mark Center Drive, East Tower, Suite 02G09, Alexandria, VA 22350–3100.

Instructions: All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the Internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the HQ AFSPC/A4MC, ATTN: SMSgt. John Storm, 150 Vadenberg St., Ste 1105, Peterson AFB CO 80914, or call HQ AFSPC/A4MC Nuclear C2 Systems Branch at (719) 554–4057.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Intercontinental Ballistic Missile Hardened Intersite Cable Right-of-Way Landowner Questionnaire; AF Form 3951; OMB Control Number 0701–0141.

Needs and Uses: The information collection requirement is used to report changes in ownership/lease information, conditions of missile cable route and associated appurtenances, and projected building/excavation projects. The information collected is used to ensure system integrity and to maintain a close contact public relations program with involved personnel and agencies.

Affected Public: Businesses or other for profit; Not-for-profit institutions.

Annual Burden Hours: 2,000.

Number of Respondents: 8,000.

Responses per Respondent: 1.

Average Burden per Response: 15 minutes.

Frequency: On occasion.

Respondents are landowners/tenants. This form collects updated landowner/tenant information as well as data on local property conditions which could adversely affect the Hardened Intersite Cable System (HICS) such as soil erosion, projected/building projects, evacuation plans, etc. This information also aids in notifying landowners/tenants when HCIS preventative or corrective maintenance becomes necessary to ensure uninterrupted Intercontinental Ballistic Missile command and control capability.

Defense Acquisition Regulations System

[Docket Number DARS-2014-0033]

Information Collection Requirement; Defense Federal Acquisition Regulation Supplement; Evaluation Factor for Use of Members of the Armed Forces Selected Reserve

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Notice and request for comments regarding a proposed reinstatement of a previously approved information collection requirement.

SUMMARY: In compliance with section 3506(c)(2)(A) of the *Paperwork Reduction Act of 1995* (44 U.S.C. chapter 35), DoD announces the intention to request reinstatement of a previously approved information collection from the Office of Management and Budget (OMB), for which approval has expired. DoD seeks public comment on the provisions of the information collection requirement. Specifically, DoD invites comments on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of DoD, including whether the information will have practical utility; (b) the accuracy of the estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including the use of automated collection techniques or other forms of information technology. The Office of Management and Budget (OMB) previously approved this information collection requirement for use through February 29, 2012. DoD proposes that OMB reinstate and renew its approval for use for three additional years from date of approval.

DATES: DoD will consider all comments received by July 28, 2014.

ADDRESSES: You may submit comments, identified by OMB Control Number
