

damages or liabilities whatsoever with respect to any person's use of or reliance upon any score or scorecard. In addition, because the scorecards are intended solely for members' use and are not intended to be made public, the rule, as amended, will state that all information contained in the scorecards is copyrighted and any form of copying, other than for each NSCC member's personal reference, without the express written permission of the Corporation, is prohibited, and further distribution or redistribution of the scorecard or any information contained therein by any means or in any manner is strictly prohibited.

2. Statutory Basis

NSCC believes that the proposed rule change is consistent with the requirements of the Securities Exchange Act of 1934, as amended (the "Act"), specifically Section 17A(b)(3)(F),⁶ and the rules and regulations thereunder applicable to NSCC. The proposed new feature encourages accuracy and consistency of communications with respect to information about securities. Accordingly, NSCC believes that the proposed rule change fosters cooperation and coordination with persons engaged in the clearance and settlement of securities transactions.

(B) Clearing Agency's Statement on Burden on Competition

NSCC does not believe that the proposed rule change will have any impact, or impose any burden, on competition. As stated above, the proposed change adds a scorecard feature to facilitate accurate securities information exchange, which will benefit all participating members equally and should have no effect on competition within or without NSCC.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments relating to the proposed rule change have not yet been solicited or received. NSCC will notify the Commission of any written comments received by NSCC.

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its
