

gauges shall be designed, installed and maintained according to the provisions of § 118.160 of this chapter.

(2) Train and locomotives shall be controlled so that any delay in opening the draw shall not exceed 10 minutes. However, if a train moving toward the bridge has crossed the home signal for the bridge before the signal requesting the opening of the bridge is given, the train may continue across the bridge and must clear the bridge interlocks before stopping or reversing.

(3) New Jersey Transit Rail Operations' (NJTRO) roving crews shall consist of two qualified operators on each shift, each having a vehicle which is equipped with marine and railroad radios, a cellular telephone, and emergency bridge repair and maintenance tools. This crew shall be split with one drawtender stationed at Upper Hack and the other drawtender at the NJTRO HX drawbridge. Adequate security measures shall be provided to prevent vandalism to the bridge operating controls and mechanisms to ensure prompt openings of NJTRO bridges.

(4) Except as provided in paragraphs (b) through (j) of this section, the draws shall open on signal.

(b) The draw of the PATH Bridge, mile 3.0, at Jersey City, shall open on signal provided at least a two-hour advance notice is provided by calling the number posted at the bridge. The draw need not open for the passage of vessel traffic Monday through Friday, except Federal holidays, from 6 a.m. to 10 a.m. and from 4 p.m. to 8 p.m.

Additional bridge openings shall be provided for commercial vessels from 6 a.m. to 7:20 a.m.; 9:20 a.m. to 10 a.m.; 4 p.m. to 4:30 p.m. and from 6:50 p.m. to 8 p.m. provided at least a two-hour advance notice is given by calling the number posted at the bridge.

(c) The draw of the Hack-Freight Railroad Bridge at mile 3.1, shall open on signal at all times, except as provided in paragraph (a)(2) of this section. The bridge shall be operated from a remote location at all times, except when it is tended locally. Sufficient closed circuit television cameras, approved by the Coast Guard, shall be operated and maintained at the bridge site to enable the remotely located bridge tender to have full view of both river traffic and the bridge.

(1) Radiotelephone Channel 13/16 VHF-FM shall be maintained and utilized to facilitate communication in both remote and local control locations. The bridge shall also be equipped with directional microphones and horns to receive and deliver signals to vessels.

(2) Whenever the remote control system equipment is partially disabled or fails for any reason, the bridge shall be physically tended and operated by local control as soon as possible, but no more than 45 minutes after malfunction or disability of the remote system. Mechanical bypass and override capability of the remote system shall be provided and maintained.

(d) Except as provided in paragraph (a)(2) of this section, the draw of the NJTRO Lower Hack Bridge, mile 3.4, at Jersey City shall open on signal if at least a one-hour advance notice is given to the drawtender at the Upper Hack bridge, mile 6.9, at Secaucus, New Jersey by calling the number posted at the bridge. In the event the NJTRO HX draw tender is at the Newark/Harrison (Morristown Line) Bridge, mile 5.8, on the Passaic River, up to an additional half hour delay is permitted.

(e) Except as provided in paragraph (a)(2) of this section, the draw of the Amtrak Portal Bridge, mile 5.0, at Little Snake Hill, need not open for the passage of vessel traffic Monday through Friday, except Federal holidays, from 6 a.m. to 10 a.m. and from 4 p.m. to 8 p.m. Additional bridge openings shall be provided for commercial vessels from 6 a.m. to 7:20 a.m.; 9:20 a.m. to 10 a.m.; 4 p.m. to 4:30 p.m. and from 6:50 p.m. to 8 p.m., if at least a one-hour advance notice is given by calling the number posted at the bridge. At all other times the draw shall open on signal.

(f) Except as provided in paragraph (a)(2) of this section, the draw of the NJTRO Upper Hack Bridge, mile 6.9 at Secaucus, N.J. shall open on signal unless the drawtender is at the NJTRO HX Bridge, mile 7.7 at Secaucus, N.J. over the Hackensack River, then up to a half hour delay is permitted.

(g) Except as provided in paragraph (a)(2) of this section, the draw of the NJTRO HX Bridge at mile 7.7, shall open on signal if at least a half hour notice is given to the drawtender at the Upper Hack Bridge.

(h) Except as provided in paragraph (a)(2) of this section, the draw of the S46 Bridge, at mile 14.0, in Little Ferry, shall open on signal if at least a twenty four hour advance notice is given by calling the number posted at the bridge.

(i) The draw of the Harold J. Dillard Memorial (Court Street) Bridge, mile 16.2, Hackensack, shall open on signal if at least four hours notice is given.

(j) The draw of the New York Susquehanna and Western Railroad bridge, mile 16.3, and the Midtown bridge, mile 16.5, both at Hackensack, need not be opened for the passage of vessels, however, the draws shall be restored to operable condition within 12

months after notification by the District Commander to do so.

Dated: May 30, 2014.

V.B. Gifford, Jr.,

Captain, U.S. Coast Guard, Acting Commander, First Coast Guard District.

33 CFR Part 117

[Docket No. USCG-2014-0467]

Drawbridge Operation Regulation; Lake Washington Ship Canal, Seattle, WA

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Washington Department of Transportation (WSDOT) Montlake Bridge across the Lake Washington Ship Canal, mile 5.2, at Seattle, WA. This deviation allows the bridge to remain in the closed position to accommodate the safe movement of "Rock and Roll Run" event participants.

DATES: This deviation is effective from 11 a.m. to 2 p.m. on June 21, 2014.

ADDRESSES: The docket for this deviation, [USCG-2014-0467] is available at <http://www.regulations.gov>. Type the docket number in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this deviation. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Mr. Steven Fischer, Bridge Administrator, Thirteenth Coast Guard District; telephone 206-220-7282, email Steven.M.Fischer3@uscg.mil. If you have questions on viewing the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION: The WSDOT requested a temporary deviation from the operating schedule for the Montlake Bridge across the Lake

Washington Ship Canal, mile 5.2, at Seattle, WA. The requested deviation is necessary to accommodate safe movement of "Rock and Roll Run" event participants. This deviation allows the Montlake Bridge across the Lake Washington Ship Canal, mile 5.2, at Seattle, WA to remain in the closed position and need not open for vessel traffic from 11 a.m. to 2 p.m. on June 21, 2014. Vessels which do not require bridge openings may continue to transit beneath the bridge during the closure period.

The Montlake Bridge crosses the Lake Washington Ship Canal at mile 5.2 and while in the closed position provides 30 feet of vertical clearance throughout the navigation channel and 46 feet of vertical clearance throughout the center 60-feet of the bridge; vertical clearance referenced to the Mean Water Level of Lake Washington. Vessels which do not require a bridge opening may continue to transit beneath the bridge during this closure period. Under normal conditions this bridge opens on signal, subject to the list of exceptions provided in 33 CFR 117.1051(e). This deviation period is from 9 a.m. to 2 p.m. June 21, 2014. Waterway usage on the Lake Washington Ship Canal ranges from commercial tug and barge to small pleasure craft. Mariners will be notified and kept informed of the bridges' operational status via the Coast Guard Notice to Mariners publication and Broadcast Notice to Mariners as appropriate. The bridge will be required to open, if needed, for vessels engaged in emergency response operations during this closure period.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the designated time period. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: June 6, 2014.

Steven M. Fischer,

Bridge Administrator, Thirteenth Coast Guard District.

[Docket No. USCG-2014-0372]

RIN 1625-AA00

Safety Zone, Urbanna Creek; Saluda, VA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a safety zone on the navigable waters of Urbanna Creek in Saluda, VA to support the Urbanna Independence Day Celebration fireworks display. This action is intended to restrict vessel traffic movement in the designated area in order to protect the life and property of the maritime public and spectators from the hazards associated with fireworks displays.

DATES: This rule will be effective and enforced on July 5, 2014 from 10:00 p.m. to 10:30 p.m.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG-2014-0372]. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email LCDR Gregory Knoll, Waterways Management Division Chief, Sector Hampton Roads, Coast Guard; telephone (757) 668-5581, email Gregory.J.Knoll@uscg.mil. If you have questions on viewing or submitting material to the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone (202)-366-9826.

SUPPLEMENTARY INFORMATION:

Table of Acronyms

DHS Department of Homeland Security
FR Federal Register
NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior

notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because the Coast Guard received the application for a marine event on May 12, 2014, well short of the 135 day window required for a new marine event application. As such, it is impracticable to provide a full comment period due to lack of time. Any delay encountered in this regulation's effective date would be contrary to the public interest as immediate action is needed to ensure the safety of the event participants, patrol vessels, spectator craft and other vessels transiting the event area. The Coast Guard will provide advance notifications to users of the affected waterways of the safety zone via marine information broadcasts, local notice to mariners, commercial radio stations, and area newspapers.

B. Basis and Purpose

On July 5, 2014, the town of Urbanna will host a fireworks display on the bank of Urbanna Creek in Saluda, VA. The fireworks debris fallout area will extend over the navigable waters of Urbanna Creek. Due to the need to protect mariners and spectators from the hazards associated with the fireworks displays, such as the accidental discharge of fireworks, dangerous projectiles, and falling hot embers or other debris, vessel traffic will be temporarily restricted within 350 feet of the fireworks launch site.

C. Discussion of the Rule

The Coast Guard is establishing a safety zone on specified waters of Urbanna Creek in Saluda, VA. The fireworks will be launched from shore in the vicinity of Rosegill Farm Airstrip. The safety zone will encompass all navigable waters within 350 feet of the fireworks launching location at position 37°38'09" N, 076°34'03" W. This safety zone will be established and enforced from 10:00 p.m. until 10:30 p.m. on July 5, 2014. Access to the safety zone will be restricted during the specified date and times. Except for individuals responsible for launching the fireworks and vessels authorized by the Captain of the Port or his Representative, no person
