SUPPLEMENTARY INFORMATION:

I. Background

In accordance with the Privacy Act of 1974, 5 U.S.C. 552a, the Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA) proposes to update and reissue a current DHS system of records titled, "DHS/FEMA-002 Quality Assurance Recording System of Records."

DHS/FEMA published this system of records notice because FEMA collects, uses, maintains, and retrieves personally identifiable information (PII) from its employees and contractors for internal employee performance evaluations, training, process improvement, and quality assurance purposes to improve customer service to individual assistance and public assistance applicants. FEMA collects information from individuals (including PII) as necessary, or uses information previously collected from them to provide customer service to these applicants.

FEMA collects, uses, and maintains the records within this system under the authority of 5 U.S.C. 301; 5 CFR 430.102; the Federal Sector Labor Management Relations Act, 5 U.S.C. 4302, and 5 U.S.C. 7106(a); Fraud, Abuse, and Waste Controls, 6 U.S.C. 795; 29 U.S.C. 204(b); Exec. Order No. 1357; FEMA Directive 3100.1; and FEMA Directive 3700.

FEMA is updating this system of records notice because it provides greater transparency by encompassing the additional FEMA National Processing Service Center (NPSC) customer service performance records, including those employees/contractors who assess the customer service satisfaction of public assistance applicants.

(1) FEMA is updating the system location to include the Virginia NPSC in Winchester, Virginia, and the Maryland NPSC in Hyattsville, Maryland as possible locations for records within this system of records. FEMA is also updating the system location to include the Quality Assurance Recording System (QARS) IT system, which maintains these records; (2) FEMA is updating category of individuals to include FEMA employees and contractors that perform customer satisfaction assessments involving applicants of FEMA's individual assistance and public assistance programs; (3) FEMA is revising the category of records to include voice recordings within this system of records. Those records may also include a third-party vendor that is providing language translation services between the individual assistance applicant and
