

Disclosure

We intend to disclose to parties in this proceeding the calculations performed within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Continuation of Suspension of Liquidation

As noted above, the Department found that critical circumstances exist with respect to imports of the merchandise under consideration from Babu Exports. Therefore, in accordance with section 735(c)(4) of the Act, we will instruct U.S. Customs and Border Protection ("CBP") to continue to suspend liquidation of all entries of STR from India from Babu Exports that were entered, or withdrawn from warehouse, for consumption on or after the date 90 days prior to publication of the *Preliminary Determination* in the **Federal Register** and require a cash deposit for such entries as noted below. Because we did not find that critical circumstances exist with respect to Mangal and "all other" exporters or producers, in accordance with section 735(c)(1) of the Act, we will instruct CBP to continue to suspend liquidation of all other entries of STR from India entered, or withdrawn from warehouse, for consumption on or after the date of publication of the *Preliminary Determination* in the **Federal Register**. These suspension of liquidation instructions will remain in effect until further notice.

In the final determination of the companion countervailing duty investigation on STR from India, the Department determined that certain companies benefitted from export subsidies.⁸ Pursuant to sections 735(c)(1) and 772(c)(1)(C) of the Act and 19 CFR 351.210(d), the Department will instruct CBP to require cash deposits⁹ equal to the weighted-average dumping margins indicated in the table above, adjusted where appropriate for export subsidies. These cash deposit instructions will remain in effect until further notice.

International Trade Commission ("ITC") Notification

In accordance with section 735(d) of the Act, we will notify the ITC of our final affirmative determination of sales

at LTFV. Because the final determination in this proceeding is affirmative, in accordance with section 735(b)(2) of the Act, the ITC will make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports of STR from India no later than 45 days after our final determination. If the ITC determines that material injury or threat of material injury does not exist, the proceeding will be terminated and all securities posted will be refunded or canceled. If the ITC determines that such injury does exist, the Department will issue an antidumping duty order directing CBP to assess antidumping duties on all imports of the merchandise under investigation entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension of liquidation.

Notification Regarding Administrative Protective Orders ("APO")

This notice also serves as a reminder to the parties subject to APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This determination and notice are issued and published in accordance with sections 735(d) and 777(i)(1) of the Act and 19 CFR 351.210(c).

Dated: July 3, 2014.

Ronald K. Lorentzen,

Acting Assistant Secretary for Enforcement and Compliance.
