RAILROAD RETIREMENT BOARD**Agency Forms Submitted for OMB Review, Request for Comments**

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Railroad Retirement Board (RRB) is forwarding three Information Collection Requests (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB). Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collections of information to determine (1) the practical utility of the collections; (2) the accuracy of the estimated burden of the collections; (3) ways to enhance the quality, utility, and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology.

Comments to the RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of your comments, it is best if the RRB and OIRA receive them within 30 days of the publication date.

1. Title and purpose of information collection: Statement of Authority to Act for Employee; OMB 3220-0034.

Under Section 5(a) of the Railroad Unemployment Insurance Act (RUIA), claims for benefits are to be made in accordance with such regulations as the Railroad Retirement Board (RRB) shall prescribe. The provisions for claiming sickness benefits as provided by Section 2 of the RUIA are prescribed in 20 CFR 335.2. Included in these provisions is the RRB's acceptance of forms executed by someone else on behalf of an employee if the RRB is satisfied that the employee is sick or injured to the extent of being unable to sign forms.

The RRB utilizes Form SI-10, Statement of Authority to Act for Employee, to provide the means for an individual to apply for authority to act on behalf of an incapacitated employee and also to obtain the information necessary to determine that the delegation should be made. Part I of the form is completed by the applicant for

the authority and Part II is completed by the employee's doctor. One response is requested of each respondent. Completion is required to obtain benefits.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (79 FR 26469 on May 8, 2014) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

Information Collection Request (ICR)

Title: Statement of Authority to Act for Employee.

OMB Control Number: 3220-0034.

Form(s) submitted: SI-10.

Type of request: Extension without change of a currently approved collection.

Affected public: Individuals or Households.

Abstract: Under 20 CFR 335.2, the Railroad Retirement Board (RRB) accepts claims for sickness benefits by other than the sick or injured employees, provided the RRB has the information needed to satisfy itself that the delegation should be made.

Changes proposed: The RRB proposes no changes to Form SI-10.

The burden estimate for the ICR is as follows:

Form No.	Annual responses	Time (minutes)	Burden (hours)
SI-10	250	6	25

2. Title and Purpose of information collection: Statement Regarding Contributions and Support; OMB 3220-0099.

Under Section 2 of the Railroad Retirement Act, dependency on an employee for one-half support at the time of the employee's death can affect (1) entitlement to a survivor annuity when the survivor is a parent of the deceased employee; (2) the amount of spouse and survivor annuities; and (3) the Tier II restored amount payable to a widow(er) whose annuity was reduced for receipt of an employee annuity, and

who was dependent on the railroad employee in the year prior to the employee's death. One-half support may also negate the public service pension offset in Tier I for a spouse or widow(er). The Railroad Retirement Board (RRB) utilizes Form G-134, Statement Regarding Contributions and Support, to secure information needed to adequately determine if the applicant meets the one-half support requirement. One response is completed by each respondent. Completion is required to obtain benefits.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (79 FR 26469 on May 8, 2014) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

Information Collection Request (ICR)

Title: Statement Regarding Contributions and Support.

OMB Control Number: 3220-0099.

Form(s) submitted: G-134.

Type of request: Extension without change of a currently approved collection.

Affected public: Individuals or Households.

Abstract: Dependency on the employee for one-half support at the time of the employee's death can be a condition affecting eligibility for a survivor annuity provided for under

Section 2 of the Railroad Retirement Act. One-half support is also a condition which may negate the public service pension offset in Tier I for a spouse or widow(er).

Changes proposed: The RRB proposes no changes to Form G-134.

The burden estimate for the ICR is as follows:

Form No.	Annual responses	Time (minutes)	Burden (hours)
G-134:			
With Assistance	75	147	184
Without assistance	25	180	75
Total	100		259

3. Title and Purpose of information collection: Employee Non-Covered Service Pension Questionnaire; OMB 3220-0154.

Section 215(a)(7) of the Social Security Act provides for a reduction in social security benefits based on employment not covered under the Social Security Act or the Railroad Retirement Act (RRA). This provision applies a different social security benefit formula to most workers who are first eligible after 1985 to both a pension based in whole or in part on non-covered employment and a social security retirement or disability benefit. There is a guarantee provision that limits the reduction in the social security benefit to one-half of the portion of the pension based on non-covered employment after 1956. Section 8011 of Public Law 100-647 changed the effective date of the onset from the first month of eligibility to the first month of concurrent entitlement to the non-covered service benefit and the RRA benefit.

Section 3(a)(1) of the RRA provides that the Tier I benefit of an employee annuity shall be equal to the amount (before any reduction for age or deduction for work) the employee would receive if entitled to a like benefit

under the Social Security Act. The reduction for a non-covered service pension also applies to a Tier I portion of the employee annuity under the RRA when the annuity or non-covered service pension begins after 1985. Since the amount of a spouse's Tier I benefit is one-half of the employee's Tier I, the spouse annuity is also affected.

Form G-209, Employee Non-Covered Service Pension Questionnaire, is used by the RRB to obtain needed information (1) from a railroad employee who while completing Form AA-1, Application for Employee Annuity (OMB No. 3220-0002), indicates entitlement to or receipt of a pension based on employment not covered under the Railroad Retirement Act or the Social Security Act; or (2) from a railroad employee when an independently-entitled divorced spouse applicant believes the employee to be entitled to a non-covered service pension. However, this development is unnecessary if RRB records indicate the employee has 30 or more years of coverage; or (3) from an employee annuitant who becomes entitled to a pension based on employment not covered under the Railroad Retirement Act or the Social Security Act. One response is requested of each

respondent. Completion is required to obtain or retain benefits.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (79 FR 26469 on May 8, 2014) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

Information Collection Request (ICR)

Title: Employee Non-Covered Service Pension Questionnaire.

OMB Control Number: 3220-0154.

Form(s) submitted: G-209.

Type of request: Extension without change of a currently approved collection.

Affected public: Individuals or Households.

Abstract: Under Section 3 of the Railroad Retirement Act, the Tier I portion of an employee annuity may be subjected to a reduction for benefits received based on work not covered under the Social Security Act or Railroad Retirement Act. The questionnaire obtains the information needed to determine if the reduction applies and the amount of such reduction.

Changes proposed: The RRB proposes no revisions to Form G-209.

The burden estimate for the ICR is as follows:

Form No.	Annual responses	Time (minutes)	Burden (hours)
G-209 (Partial Questionnaire)	50	1	1
G-209 (Full Questionnaire)	100	8	13
Total	150		14

Additional Information or Comments: Copies of the forms and supporting documents can be obtained from Dana Hickman at (312) 751-4981 or Dana.Hickman@RRB.GOV.

Comments regarding the information collection should be addressed to

Charles Mierzwa, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois, 60611-2092 or Charles.Mierzwa@RRB.GOV and to the OMB Desk Officer for the RRB, Fax:

202-395-6974, Email address: OIRA_Submission@omb.eop.gov.

Charles Mierzwa,
Chief of Information Resources Management.
